The Secret of Sodium Chlorite (Knock HIV / Malaria / Hep out in 3 days?)

Don't believe what you are about to read - before checking it out for yourself...

<http://www.anomaliresearch.com/pdf/MMS.pdf>

Here is the recipe..

Here is the recipe for anyone who wants it...

Dosage to take Start with 1 drop of MMS / day work up to 1 drop / 25 lbs of body weight

20 drops WILL make you sick but kill Hep out in 3 days...

10 drops mms / once a day peferable for viral treatment (Malaria / HIV / HEP) - 4-6 drops a good maintenance dosage .

Take every day when older / take 2-3 times a week if young.

1. Score yourself some Sodium Chlorite (note the 'ite' NOT the 'ate') in 28% grade...

Buy some at : http://www.globallight.net/Mms_86.html

2. Add 2 drops of lime / lemon or vinegar to each drop of MMS...

3. WAIT 3 MINUTES....

4. Fill rest of glass with Apple Juice and drink...

It will form Sodium Chloride over a period of 12 hours in the stomach and in the body which is a violently reactive alkaline - super lethal to viruses...

Its just that simple
