

**"My Son Joined the Army to Protect America, Not Israel"**

**Cindy Sheehan**

## Who Is Cindy Sheehan?

She is the mother of a Marine killed in Iraq, and wants answers as to why her son died.

Spc. Casey Sheehan, 24, was killed in Baghdad on April 4, 2004, five days after he arrived in Iraq. An Eagle Scout, who trained as a Humvee mechanic, he volunteered to help bring in soldiers wounded in an ambush.

He died after his convoy came under attack. Cindy Sheehan blames the Neo-Cons and Israel for the Iraq conflict.

Bush and the news media laughed at her, until it came out that [she said that Marines are dying for Israel](#), then everyone panicked.

### Here Is Her [Statement](#)

Am I emotional? Yes, my first born was murdered. Am I angry?

Yes, he was killed for lies and for a PNAC Neo-Con agenda to benefit Israel. My son joined the Army to protect America, [not Israel](#).

Am I stupid? No, I know full-well that my son, my family, this nation, and this world were betrayed by a George Bush who was influenced by the neo-con PNAC agenda after 9/11.

We were told that we were attacked on 9/11 because the terrorists hate our freedoms and democracy...not for the real reason, because the Arab-Muslims who attacked us hate our middle-eastern foreign policy. That hasn't changed since America invaded and occupied Iraq...in fact it has

gotten worse.

You get America out of [Iraq](#) and Israel out of Palestine and you'll stop the terrorism.

## Sheehan Meets With Bush

She said her [meeting](#) with Bush occurred two months after her son Casey was killed in Sadr City on April 4, 2004. She says she and her family met privately with Mr. Bush two months later, and she is sharply [critical](#) of how the president acted. He sprinted in like a jovial fraternity party boy. He did not know her son's name, she says, and acted as if he was at a party and called her "Mom" throughout the meeting, which she considered disrespectful.

## Bush Sends Flunkies

After her conversation with National Security Advisor Stephen Hadley and White House Deputy Chief of Staff Joe Hagin, Sheehan said in an interview that she would remain in Crawford and continue to seek a meeting with Bush.

[PNAC](#) (Project for New American Century) is the same old Zionist swindle. All it says is "Go kill Iraq and Iran to make the world safe". The closest these Neocons ever came to fighting, was driving past an ROTC class on their way to a Hillel meeting of war protestors during the Vietnam War.

# What Are Neo-Cons?

## Neo-Cons Are An Elite Group of Zionist Jewish String-Pullers

[Interlocking relationships of Neocons](#)

An elite group of Zionist Jews inter-marry and infest government. They call themselves Neo-cons, and their sole purpose is directing US policy. Most are dual-citizens and none of them have ever served in the US military.
