The Gorilla in the Room is US Support for Israel.

Lee Hamilton insults the American people at a "9/11 Public Discourse Project" Q&A. At the August 2, 2005 "public event," Hamilton quickly tries to silence someone who asks why US support for Israel isn't being addressed since it is what drove the plotter of 9/11 to attack us.

Questioner: Mr. Hamilton? I had a quick question for you sir. I had spoken with you on C-SPAN about a month ago ...

Hamilton (interrupting the questioner): I think we'd uh ...

Questioner: ... yeah, we talked about Israeli policy ...

Hamilton (interrupting the questioner): I think we would like to address sir .. we would like to address

Questioner: Yeah, why aren't we addressing the gorilla in the room? The gorilla in the room is US support for Israel.

You had made a mistake earlier. You had said that the Israeli/Palestinian dispute

wasn't addressed

in the 9/11 Commission Report. I beg to differ with that, on page 147, it is stated that ...

Hamilton: (grumbling)

Questioner: ... the plotter of 9/11, **Khalid Sheikh Mohammed**, was driven to attack us *-not because of "radical ideologies" as ...*

Hamilton (interrupting the questioner): OK, uh ...

Questioner: ... *Prime Minister Blair -*

(Grumbling from someone in the crowd)

Questioner: ... **Because of US support for Israel.*** Why aren't we addressing this sir?

Hamilton: Alright sir.

Questioner: You got Mr. Bamford's **book** from me, James Bamford's **A Pretext for War** book

Hamilton (interrupting the questioner): OK ...

Questioner: ... which conveys why we were attacked and then you have Mr. Ross up here who is basically affiliated with the US lobby AIPAC ...

Hamilton: Alright sir ...

Questioner: You ...

(Man from back of the room walks over and stops the questioner)

Hamilton: Alright, this is a conversation you and I ought to have.

Let's not take up the time of our resource people. May we go to the next question please? Thank you very much.

*** He is correct, on page 147 of the 9/11 Commission Report, it says "By his own account, Khalid Sheikh Mohammed's animus toward the United States stemmed *not* from his experiences there as a student, *but rather* from his violent disagreement with U.S. foreign policy favoring Israel."**

U.S. Foreign Policy The 9/11 Public Discourse Project

The 9/11 Public Discourse Project holds another meeting, this one looking at foreign policy towards Afghanistan, Pakistan and Saudi Arabia and their relationships with terrorism. **FROM TUESDAY, AUGUST 2** Question at about 1:39

Suppressing the Motives for the 9/11 Attack is Disgraceful. We need funds to promote the truth. Please Click on the Link and Donate so We Can Free Ourselves from this Hell. Please Donate to Representative Press with Amazon.

US reporters *are not reporting these things*, there were reporters in the room, I haven't seen *any* reports about this question being raised. **Please Donate and give us the power to fight for the truth.**
