## Israeli Snipers Tie A Video-Cam Into Their Sniper Rifles

[Remote Firing Station](#)

### **There Is Something Wrong**

All the Marines in this video, are widely alleged to have been shot by an Iraq sniper the media has nicknamed 'Juba'. They even produce semi-professional videos about his legendary exploits in the world of snipercraft.

The video footage was taken by a Video-cam that was tied into the rifle. **Watch the way the video jumps from the rifle's recoil.**

An Israeli defense company named [Rafael](#) makes this sniper [rifle](#) video-cam system.

**The Video Always Jumps From The Recoil.**
