It is hate speech when you show Israeli's murdering children.

Try to find some Israeli resort with some touring happy Christians, then maybe I will respond to your thread.

*Four Palestinians were killed on Saturday afternoon after an Israeli army drone targeted a car ...*

the media read this as **four militants** when I first heard about it. Just how in the hell does anyone distinguish who is riding in a car in a crowded city is a militarnt or civilian ... truth is, these IDF thugs picked out some people whom they decided to kill and waited for them to all get together in a car.
