by CONSPIRACY PLANET

is  
"By Way of Deception" know about the London Bombings before they were announced? Or even reported to the world at large?

the London Bombing?

Did Halevi reveal too much operational knowledge of the bombing?

"The multiple, simultaneous explosions that took place today on the London transportation system were the work of perpetrators who had an operational capacity of considerable scope," Halevy began.

Was he describing an operation with which he was familiar - since it was not widely known that the bombs exploded "simultaneously"?

Also, It was reported that Israeli officials were ordered not to make public comments on the London Bombing.
