NO COMMENT

World Zionism, today, constitutes the last racist ideology still surviving and the Zionist's state outpost of "Apartheid" in the World.

MILITARY FAMILIES CHARGE BLAIR WITH WAR CRIMES – WILL TO INTERNATIONAL CRIMINAL COURT

It has been widely reported that release of war documents from Street finished Tony Blair in the last election. While that is true tide turned in the May 5th election when 10 bereaved families of soldiers killed in Iraq confronted Tony Blair face to face, charging war crimes. .

All the documentary evidence of Bush/Blair war crimes is now in judicial review before the International Criminal, and, thanks to the Sunday Times, for the inspection and review before the court opinion. This evidence is only now surfacing in the US -- through Ridder, the Washington Post, the New York Times, and the Chicago Tribune. This is the beginning of the end of the war in Iraq, and the beginning of the end of George Bush, Alberto Gonzales, & the whole criminal gang.

But nothing, no bombshell memorandum, no tabloid headlines, of media or public attention has had the impact of the grief wra the bereaved families of the military dead. Ten families have ch course of the British government, the course of history in the ill Iraq, and ultimately the fate of the Bush administration.

There are some true heroes in this story; and some criminal ge conceived of and continue to spread the crime of illegal war in I are some very honourable people who serve in the military; and some who have resigned from office rather than take part in wa including conscientious objectors. But of all the players in this c and corruption, heroism and cold-blooded insane murder, the o have the most power to bring about change and bring a stop to in fact, "the least among you." My heartfelt gratitude goes to B Military Families, to Military Families Against the War, to Gold S for Peace, and to all the families who have lost men, women, at this insane, and criminal war.

We owe it to all those who were killed on September 11 2001 and all those who were killed in Iraq not limited to Americans and Iraqis, to know the truth about why they perished.

Please send our link to all on your list and add our link to your website. This is the only way to force these issues to be debated in every house in America.

Next week, Thursday June 16 2005 don't miss our interview with Mark Glenn, Historian , education author. His books about the conflicts in the Middle East are excellent references regarding the human loss. Mark tells it from the heart, he is trying to get the truth out regarding the Palestine conflict. As a historian, Mark has an interesting look at the history and cooperation between Islam and Christianity. Did Islam and the Arabic culture end the Dark Ages in the West? We will see what Mark has to say about that. Its a must see for everyone. See it next Thursday June 16 at 8:00 PM CT by going to www.currentissues.tv

If being a Muslim is so attractive, then why is conversion from it a death sentence?

Is that a characteristic of a "Religion of Peace"?
