Missing Trillions

Does anyone remember this?

Rumsfeld Buries Admission of Missing 2+ Trillion Dollars in 9/10/01 Press Conference

On September 10, 2001, Secretary of Defense Donald Rumsfeld held a press conference to disclose that over \$2,000,000,000,000 in Pentagon funds could not be accounted for. Rumsfeld stated: "According to some estimates we cannot track \$2.3 trillion in transactions." 1

Such a disclosure normally would have sparked a huge scandal. However, the commencement of the attack on New York City and Washington in the morning would assure that the story remained buried. To the trillions already missing from the coffers, an obedient Congress terrorized by [anthrax attacks](#) would add billions more in appropriations to fight the "War on Terror."

The Comptroller of the Pentagon at the time of the attack was Dov Zakheim, who was appointed in May of 2001. Before becoming the Pentagon's money-manager, he was an executive at System Planning Corporation, a defense contractor specializing in electronic warfare technologies including remote-controlled aircraft systems. 2-3 Zakheim is a member of the Project for a New American Century and participated in the creation of its 2000 position paper Rebuilding America's Defenses which called for "a New Pearl Harbor." 4

I can't even imagine what 2 trillion looks like. How could the Pentagon lose that much money? If it was a pile of \$1 bills it would look like a landfill mountain!

TINKERING WITH 'HASBARA'

By Shmuel Katz

Last Monday it seemed that a miracle had occurred. The Jerusalem Post reported on Tuesday, August 7, that Prime Minister Ariel Sharon had actually conducted a discussion on hasbara (public relations) with top officials in the Foreign Ministry and in his own office. He told the meeting that "Israel should make a point of emphasizing the Jewish right to the land, because it is too often forgotten!" >>

"They're on our left, they're on our right, they're in front of us, they're behind us; they can't get away this time!" -- Lt. Col. Puller, USMC
