Who's who in the Mossad Down Under

Ze'ev Barkan

Mossad spy. Served for a number of years (1996-2001) as an Israeli Diplomat in Vienna, Austria. The big fish in the Paraplegic passport caper, but he skipped the country just ahead of the New Zealand police in April 2004 and headed for that oasis of democracy, North Korea.

There are allegations that [Barkan is actually some sort of Mossad super-spy](#) who preys, in collaboration with Asian gangs, on hapless Australian tourists, killing them and stealing their travel documents. He regularly performs Mossad services in China.

Known to travel on a fake Canadian passport

AKA [Zev William Barkan](#). He was raised in Washington (DC) as Zev Bruckenstein, where his father was director of religious studies at a synagogue.

Shai Hermesh

- Jewish Agency Treasurer and a former combat paratrooper in May 2004 was held by New Zealand Customs officials for several hours, together with his his senior advisor, Yigal Sela. [The Military and diplomatic profile of Shai Hermesh](#)

Hermesh was told by a New Zealand Customs Officer that [Israelis are spies and smuggle drugs](#)

Kevin William Hunter

- [A Canadian whose passport was stolen](#) and was allegedly used by Ze'ev Barkan

Elisha Kara

- Mossad spy. Arrested in New Zealand in the "paraplegic passport" case. Spent three months in jail in Auckland, New Zealand, then deported.

Kara was a regular visitor to New Zealand, and traveled there 24 times between October 2000 and March 2004. He supposedly ran a travel agency in Sydney, Australia, but no trace of that agency has ever been found. AKA Eli Cara.

Uriel Kelman

- also arrested in the paraplegic passport case. In jail for three months and then deported. AKA Uriel Zoshe Kelman, [Uri Kelman](#).

Amir Lati

- Second Secretary in the Israeli Embassy in Canberra, Australia during 2004. Threatened with deportation from Australia in December, 2004 he left of his own free will and returned to Israel.

It also emerged that ASIO was alerted to Lati's activities after what they claim was a "suspicious meeting" with a former Israeli Army intelligence officer serving time in a NSW jail for drug importation.

See story: [Israelis are spies and smuggle drugs](#) mentioned above.

The Daily Telegraph [Sydney] has discovered that the former consul last year visited the man who had served 19 years in a special unit of the Israeli Army.

It was one "highly suspicious" visit which raised alarm bells and prompted contact with ASIO

Aliases AKA [ilan Lati](#) or [Amir Lati](#).

Gabby Levy

- Former Israeli Ambassador to Australia. Personable. Made every effort to smooze Australia's Foreign Minister, Alexander Downer.

Anthony David Reznik

– A New Zealander. A former member of the Auckland Jewish Council. He is rather more important than a mere "sayanim", or volunteer Jewish helper. Fled New Zealand to Hong Kong and later Israel after Kara and Kelman were arrested. Wants to be a full Mossad

operative but has really blown his chances with the failed "passport" operation. Now lives in Israel. Currently wanted by Interpol. AKA [Tony Resnick](#), David Resnick, Anthony David Resnick and other variants.

Orna Sagiv

- Israel's acting ambasssador to Australia in 2004. When the going got heavy in December 2004 she left Australia for a "holiday" in Israel. She was replaced by heavy hitter, Gabby Levy.

Yigal Sela

detained by New Zealand customs officials in May 2004.

Aryeh Scher

Aryeh Scher is also known as Arie or Ari Scher. He is an Israeli diplomat and a paedophile on the run from Brazil. Wanted by Interpol for his activities in Brazil.

Scher was slated by the Israeli Foreign Ministry to be the man to replace Laty after the latter's expulsion from Australia.

His appointment to Australia now seems unlikely to proceed.

More details about [Arie Scher](#).

David Zwartz

Israel's Honorary Consul in Wellington, New Zealand. A leading light in the Jewish community there but left out of the loop when Kara and Kelman got arrested. Amir Lati flew in from Canberra to visit the two imprisoned agents.

Israel continues to deny that Kara, Kelman, Barkan, and Reznick were acting on behalf of the state of Israel.

Duck low, there's a pig flying past.

Un-named Mossad Agent

In January 2005 New Zealand police arrested an as yet un-named Israeli who was accused of poisoning 40,000 liters (over 10,000 gallons) of milk. [Israeli arrested after milk contamination in New Zealand](#)
