Senator Byrd is under attack

Newsweek: Leak prosecutor's boss likely to be replaced with Bush classmate; 'Skull and Bones'

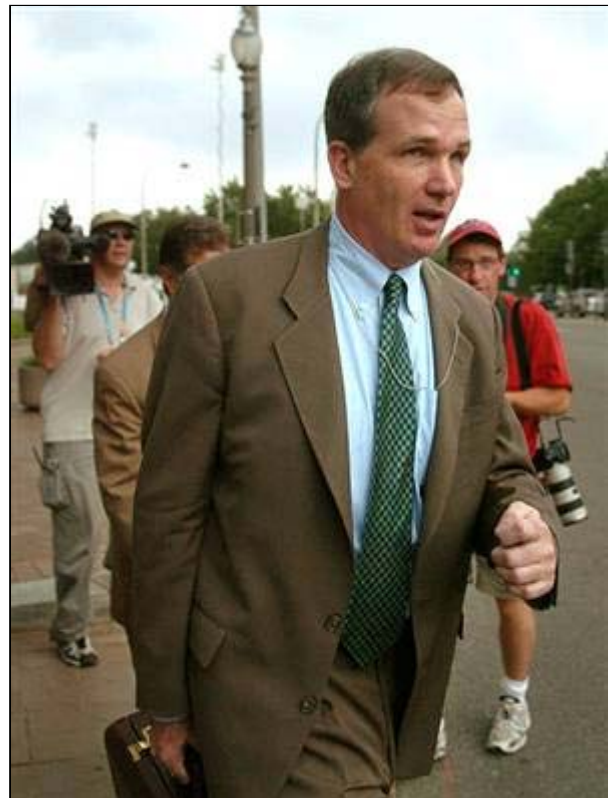

RAW STORY

Newsweek's Michael Isikoff will splash a story in tomorrow's *Newsweek* which reveals that the boss of CIA leak probe prosecutor Patrick Fitzgerald is likely to be replaced by a former Bush classmate at Yale.

What's more, *Newsweek* has found that the new boss is a fellow initiate of the Yale secret society, Skull and Bones.

Details will appear on the magazine's [website](#) early Sunday and on newsstands Monday.

Among other Skull and Bones initiates are William Taft, the 27th President of the United States; Henry Luce, the

founder of Time Magazine; and Senator John Kerry (D-MA).

HELP SENATOR BYRD RAISE \$55,000 TO FIGHT BACK

"This Republic was founded because of the arrogance of a king who expected his subjects to do as they were told, without question. Our forefathers... adopted a system where dissent is not only important, but mandatory."
