 **Psyops In NOLA -7 days & 7 nights** [Post [293942359](#)]

Synopsis: How a right leaning conservative became a screaming liberal in 7 days

For Education and Discussion Only. Not for Commercial Use.

DISCLAIMER : I have no particular sympathy for inner city blacks, and had I not witnessed the internment and murder of NOLA's poor, I would perhaps, believe the psyops disinformation line... but the facts as I saw them are these:

I am retired and watched round the clock since Sunday - flipping between MSNBC, CNN, and Foxnews...

One needed to watch it all to catch the lies and inconsistencies in the mainstream 'coverage'.

1. A guardsmen gave water to a woman who refused to evacuate her home. He said on camera - "It's against the rules, but I gave her water."

FEMA withheld water to the people at the convention center because [and I paraphrase the head of the RedCross] -- if we give them water, they won't leave.

Those two quotes show the underbelly of this beast.

A military solution to NOLA meant that civilians were the enemy - and were expendable.

2. When the first rumor of shots on a relief helicopter surfaced - it was picked up simulataneously by all three cable news stations... within an hour - the head of that effort was interviewed and he said the rumor was false. That rumor fueled the need for more military and less humanitarian relief.

Fox news really drove this home - over and over again... there may have been violence, but not enough to justify withholding water to those who wouldnt go to the death camps.

3. Nobody is talking about the cell phones being cut off...finally the president of Jefferson Parish, said his lines were cut by FEMA.... so much for the story that cell phone towers were down...

4. I have read no fewer than 4 separate first hand accounts that the presidential photo op of the feeding station was phony - relief workers erected the food stall for the cameras - and promptly stopped serving food when the president left.

The backhoe photo op was a ruse as well. One backhoe working behind the president - ostensibly on the levee, was fiction... a manufactured event for cameras.

The 4 points above prove to me that my government is my enemy... they cut phone service so nobody else could communicate... they withheld water as a crowd control measure... and the president pretended to jumpstart the levee repair for cameras.

Bush should be tried and hung, but not before he is dragged from the back of a pickup through the city, so the pets left behind have something to feed on.

On second thought - forget the trial, just feed the dogs.

Jesus, I hope someone sends the Secret Service - I can add to my file... I take back NOTHING.... come get me. They can't kill us all - I refuse to cower before these demons...This is a defining moment in our history...

it's time to start dumping the tea....

The miserable fucks have turned me into a bleeding heart liberal - at least on race... 80,000 Rodney Kings stood in line to die... I watched them...

My research [i had a newspaper in a town of 900 -a quarter century ago - so I think I'm still a reporter]

my research includes the offhand remarks on live feeds. Some of them were picked up and repeated, like the Broussard meltdown - and others were willfully suppressed.

On several occasions the major TV news feeds revealed that the rules coming down from the top were - EMPTY THE CITY - CUT OFF COMMUNICATIONS BETWEEN THE CITIZENRY - PROTECT PRIVATE PROPERTY -

The citizens of New Orleans were prisoners of war from day one - when viewers reacted with horror to that kind of treatment - media began parroting rumors of violence

Again, when men on the ground were asked about their safety - they kept saying things were fine - with a few exceptions - but the government kept tightening the noose - in anticipation of 'models' among black poor.

Let me give you just a small indication of where I am coming from in life... I'm a 58 year old white grandparent - I voted

Perot, Perot, Buchanan - but I'm a boomer pro choice independant.

This is important - because my politics have always been less than sympathetic to those who don't succeed in life - and therefore I hesitate to see things from a poor inner city perspective - but what I saw over 3 days were traumatized people, herded into camps with no food or water - most waited patiently to die. They were orderly - even as they were surrounded by death and misery - and I've been to New Orleans in August -it's 100 + like a steam bath but with the added stench of dead and dying...

THEN on day 4 - the drug addicts were in full withdrawal and at night things got dicey -- but I would bet the crime stats for that population were miniscule those nights... most people were huddled up and waited for water and relief -

I switched rapidly between stations, watching only live feed from various neighborhoods...AND I watched round the clock [I am retired and live alone so my schedule can be what ever I want]

I think congressional hearings are in order [barf, choke] An independant investigation into the chronology of orders from FEMA will show that New Orleans poor were docile as they were murdered.

Yes, murdered. They were reduced to computer models by men who have watched too many Mad Max films. They were never helped, they were contained and allowed to die in the heat.

AND THAT FOOTAGE IS BEING COMPROMISED AS I TYPE...
I FULLY EXPECT THE NETWORKS TO USE THE MORE DAMAGING FOOTAGE TO BLACKMAIL THE FEDERAL GOVERNMENT...
YES YOU READ RIGHT...

I DON'T THINK FOR A MOMENT THAT THE DAMAGING FOOTAGE WILL BE USED FOR DISCOVERY... IT WILL BE USED FOR LEVERAGE....

HEAVEN HELP US... IT HAS BEGUN

So is the motive race, class, politics or maybe they like their vacations to be uninterrupted?
My guess is politics. The people who were left in NO were unlikely to vote Repug, so they were not worth helping.

I DON'T THINK THEY TRIED TO SABOTAGE RESCUE EFFORTS.. I THINK THEY WERE OVERWHELMED WITH THAT TASK - AND THEY HAD ORDERS TO EVACUATE THE CITY... THOSE ORDERS DIDN'T CHANGE...

WHEN PEOPLE REFUSED TO EVACUATE - THE FEDS DUG IN THEIR HEELS... AND EXERCISED MORE CONTROL OVER AID...
IE - THEY TIGHTLY CONTROLLED WHO COULD ENTER THE CITY - THE BOATS WERE TURNED BACK , THE TRUCKS
REROUTED...

AS THE CITIZENRY WAS STARVING -- THEY CAME UNDER FIRE, THEN INSTEAD OF OFFERING FOOD AND WATER -- THEY
WITHHELD IT TO MANIPULATE MIGRATION AWAY FROM THE CITY... TO PROTECT PROPERTY..

THEN THEY CAME UNDER FIRE FOR LETTING PEOPLE DIE... THEN THE 'THUGS' BECAME THE ISSUE... THEY
MANUFACTURED THE THUGS AS AN EXCUSE TO EMPTY THE CITY...

THE CRIME STATS FOR MONDAY THROUGH WEDNESDAY ARE PROBABLY LOWER THAN THE AVERAGE TUESDAY
AFTERNOON IN NOLA... IF THINGS WENT DOWNHILL... THE FEDS CREATED THAT MISERY WITH THEIR OWN 'MODELS' FOR

THAT'S THE REAL KILLER IN THIS...THEY DIDN'T RIOT... THEY DIDN'T KILL EACH OTHER...
