Rabbi Zakheim Used Tax Trillions to Infest us with Israeli Traitors & Troop Killers

Patriots, Indict Him Next!

[The rabbi from Hell](#)

Rank and file patriots in the Justice Department, the FBI, the CIA and the Pentagon are quietly investigating Israeli treason in America. They are not looking for headlines. They are not plotting a coup. They are just following the hard and slow due process of law.

Different groups of traitors have been successfully prosecuted: Pentagon employees, AIPAC leaders, Zionist lobbyists, publishers, journalists, and now a leading neocon.

Since 1997, [PNAC](#) co-author [Rabbi Dov Zakheim](#) served on the Task Force on Defense Reform and as Undersecretary of Defense and Comptroller of the Pentagon. Trillions of tax dollars disappeared on his watch, [still no explanation](#). Isn't this an indictable offense?

Zakheim's "reforms" meant infesting the Department of Defense with Israeli citizens who have no loyalty to America. Part of the missing 2.6 trillion dollars was given to the Israeli mob in return for terror attacks that were blamed on Arabs. This includes 9/11 and subsequent terror attacks.

Some of the stolen tax funds are now being used to secretly pay [Israeli contractors](#) to [ambush US troops](#) in Iraq and also to attack Shiite and Sunni mosques and markets. The purpose is to foment civil war in Iraq and to create public anger in America that the perpetrators hope will turn into support for invading Syria and Iran. We cannot let them do that.

Some of the stolen tax money is probably being used to subsidize the Zionist TV propaganda and filth industry.

We need to find out exactly what Zakheim did with 2.6 trillions of our tax dollars. [Rumsfeld only jokes](#) about this unanswered question.

This man stole trillions of tax dollars and used them to hurt Americans and others, and to kindle wars. This man stole our money and used it to kill us, and to stir us into killing others.

Patriots, please indict him next!

Anyway, looks like our US troops finally found who **the real enemy was all along**

[Military "Contractors" deaths increase at an alarming rate](#)

Finally the fucking US Army is plowing out the real enemy, the Zionist Israeli traitors, the contractors who wanted to enslave Iraq.

Racist Khazar Jews are getting shot down. I don't want this to end in a blood-bath, but the traitors must and are being dealt with!!!!!!!

TO THE END!!!!!!!!!!!!!!

Keep up the good work. It's coming out thanks to you guys. Man, I can't wait to see how the Zionist MSM handles this. I'd like to see Tom Brokaw, Sean Hannity, and Bob Woodward on trial for treason. Can you imagine how much this country would get together behind a war on Israel? That would eliminate the red state, blue state divide in about 5 minutes.

Nice thoughts. I believe that this is the direction we are heading into.
