**TOTAL EMERGENCY ALERT!!!**

**HATE BILL COULD BE APPROVED ANY MINUTE!!**

**By Rev. Ted Pike**

On Sept 14, the Orwellian federal “anti-hate” bill, AMDT.2662 (The Local Law Enforcement Hate Crimes Prevention Act of 2005), was passed by the House of Representatives. It will establish a “hate crimes” bureaucracy in America, just like Canada’s, ending free speech.

This legislation gives special federal protection to select groups including homosexuals. Throughout history, many homosexuals have sodomized underage boys. Incredibly, AMDT.2662 was inserted into the text of the Children’s Safety Act of 2005 (HR3132). Many house members, too busy to read the bill, thought they were protecting children. Actually, they were doing the opposite!

The Children’s Safety Act has now been referred to the Senate Judiciary Committee under the chair of veteran “hate laws” advocate Sen. Arlen Specter. If the Senate Judiciary Committee allows the wording of the Children’s Safety Act and its evil rider, AMDT.2662, to remain unaltered, after being approved by the Senate it will go

directly to President Bush to be signed into law.

But if Senate Judiciary Committee members are bombarded NOW with complaints, there is a chance they will modify some of the language of hate bill 2662. This would create a conflict between the House and Senate versions that must be resolved in a conference between the House and Senate. This conference will provide a tremendous opportunity to yet save free speech. Throughout the past six years, feisty Republican conferees have repeatedly cut the hate bill from legislation to which it had been attached. There is an excellent chance this can happen again if you do the following:

1. Talk Show Hosts: Immediately book me at 503-631-3808 for an alert to your listeners! A minimum of 30 minutes will be necessary. Your career as a free speech talk show host is literally on the line, so don't wait! Sen. Arlen Specter, passionate supporter of hate crimes legislation, could fast-track approval at any moment. If that happens, your career in free speech talk radio is doomed.
2. Everyone: First, post the two articles in this e-alert on your websites. Email and fax these alerts to as many as possible, and encourage them to do the same. Second, email and fax the second article "New Federal 'Hate' Bill Means Funeral of Free Speech" to members of the Senate Judiciary Committee, especially Republicans. Most senators require that you email this article through a web form. Third, phone members of the Senate Judiciary Committee, and your senators especially Republicans. Tell them to "Cut the hate crimes bill AMDT.2662, off the Children's Protection Act, HR 3132," and to not approve any "anti-hate" bills.
3. Find the Republican website for your state. (example, oregon.org) It will provide about 75 email address's for GOP leaders in your state. Send them these two articles: "Hate Bill Could Be Approved Any Minute!!" and "New Federal 'Hate' Bill Means Funeral of Free Speech."

Here are the members of the Senate Judiciary Committee. This list is posted at [www.truthtellers.org](http://www.truthtellers.org). Also included online are sample letters to Senate Judiciary members and the senators from your state.

## **TRUTHTELLERS WEBSITE**

### **Statement of Purpose**

The National Prayer Network's "Truth Tellers" Website is a unique resource center reflecting a truly biblical approach to Israel, the Jewish people, and to America's relationship with Israel.

Jesus commands us, in Mark 8:15, to view false Jewish leadership with suspicion. This is a warning to the United States to be wary of military and geopolitical entanglements in support of arrogant Zionist regimes in Israel.

False Jewish leadership today, as in biblical times also, leads the Jews astray, inciting anti-Christian behavior, and thus, a backlash of anti-semitism. Following the example of Christ and the Hebrew prophets, this website boldly criticizes that evil leadership wherever it is found.

This includes the Anti-Defamation League and its anti-Christian "hate laws," Jewish controlled Hollywood and the media, pharisaic leadership in the Jewish religion, and evil Zionist leadership in Israel.

By constructive, biblically oriented criticism, we believe both the United States of America and the Jewish people can be protected to fulfill their respective destinies in God's plan of the ages.

## EXPLOSIVE NEW VIDEO

Ted Pike's unprecedented new video exposes the ambition of false Jewish leadership to establish its control worldwide. Eventually, this super-government will persecute

the very Evangelical Church which, in the name of "blessing" Israel, has made possible such power. This video graphically documents how Judaism and "Israel first" Christians have gone massively astray. Together, through decades of injustice against the Palestinians, they have incited Arab terrorism, thus bringing the world to the brink of a nuclear Armageddon.

## WHY MIDEAST STRIFE?

### *"Why The Mid-East **Bleeds**"*

Ted Pike's gripping video expose dramatizes how abuses by false Zionist leadership, with Evangelical Christian support, have helped create international Arab terrorism. This powerful documentary explains how Zionists have used a false religious argument to ram a cruel, unbiblical return of Jews to Palestine

down the throat of the Arab world. Such injustice, if allowed to continue, will only lead to increased terrorism, loss of freedoms, and Mideast war.
