Dear Mr. Rense,

To those of us who HAVE read the book, the Iraq War is a another perfect implementation of the Protocols. I was very pleased to read on your website the wonderful comments by Joseph Weinstein about the Protocols of Zion.

Let me also quote...from protocol #7:

<http://www.biblebelievers.org.au/przion1.htm>

3. We must be in a position to respond to every act of opposition by war with the neighbors of that country which dares to oppose us: but if these neighbors should also venture to stand collectively together against us, then we must offer resistance by a universal war.

4. The principle factor of success in the political is the secrecy of its undertakings: the word should not agree with the deeds of the diplomat.

5. We must compel the governments of the GOYIM to take action in the direction favored by our widely conceived plan, already approaching the desired consummation, by what we shall represent as public opinion, secretly promoted by us through the means of that so-called "Great Power" - THE PRESS, WHICH,

WITH A FEW EXCEPTIONS THAT MAY BE DISREGARDED, IS ALREADY ENTIRELY IN OUR HANDS.

6. In a word, to sum up our system of keeping the governments of the goyim in Europe in check, we shall show our strength to one of them by terrorist attempts and to all, if we allow the possibility of a general rising against us, we shall respond with the guns of America or China or Japan.

The media is trying to convince us that the Iraqis just enjoy committing suicide. Give me a break.

Since the major media is virtually now a single Zionist enterprise and mouthpiece, we cannot see the whole picture. I and millions of other Americans knew there would be no WMD found in Iraq. It's now clear the war on Iraq was planned years ago.

I am enclosing below an article which I hope you will re-post as it proves clearly who the people behind the 'Iraq War' are. This article is time-proven and is 'worth its weight in gold.'

Could it be that the White House is reading the Protocols and implementing them ?

Why is Spielberg not making any films about the Protocols? Zionists and Jews condemn anyone who disagrees with us as an 'anti-semite' or 'holocaust denier.' Should we also start now to prosecute the Goyim who read the Protocols, as 'Protocols followers'?

Regards,

Rose

May I now humbly suggest you add a link from your website to this very massive, searingly well-documented site:
