Israeli impersonates Arab fighter

Indicted criminal Abramoff hosted Israelis who made believe that Arab terrorists were in America just before 9/11. The problem is that no bodies of Arabs were found at any of the four 9/11 airplane crash sites.

The Mossad was not watching Arab suspects before 9/11. The Mossad *was* the Arab suspects.

Sometimes the Mossad does it even better. They arrange it so that Arab clerics cooperate with the Mossad by threatening to launch "suicide bombings" or by "claiming responsibility" for Mossad-staged bombings.

Contractor pride in Iraq

When Marines are ambushed in Iraq, is it Iraqi resistance fighters or Israeli contractors?

You get the picture.

The silver lining here is that the way things are going, Israel will probably be annihilated once and for all within a couple of years.

can you provide any concrete evidence supporting your claims? please, no quotes from the secret protocols of the elders of zion.

You have to have supporting evidence for your claims...some of it rings true if you ask "qui bono?" And why the media blacks out so much of the information that would make any sense of the terror attacks...the attacks are not random but the reasons are never fully addressed.

By [MDH](#), at [11:46 AM](#)

Pictures like the one posted are taken by Israelis and presented to the world as "evidence." The man has a Jewish star of David medallion. What more evidence do you want?

I can supply more ridiculous Israeli pictures.

quoting: can you provide any concrete evidence supporting your claims?

- Lavon Affair
- US Liberty
- The Joy-Jumping israeli "movers" that were arrested on 9-11, but were conveniently escorted back to israel.
<http://www.whatreallyhappened.com/fiveisraelis.html>

- One of the passengers of 9/11 was top commander of Sayeret Matkal (the israeli anti terror commando)

- The fake Al Qaeda cell in palestine:
<http://www.whatreallyhappened.com/fakealqaeda.html>

- there were no arab names in any of the passenger manifestos of the 9/11 planes. I find it hard to believe that Mohammed Atta went through check in with the name of Johnny Stinson.

- the "president" and his secret service KNEW there

was no danger, and stayed at the Booker Elementary school for another hour. In other words, they knew EXACTLY where the planes were going to hit.

- NORAD got TOLD not to do anything to stop the planes. Who does NORAD work for ?

c'mo guys, it is time to make some justice, lets start lynching, starting with Wolfowitz, Perle, Cheney, Bush, Rice, Ledeen, Rove, and lets not stop till we get to Sharon. Actually, we should just feed Sharon a "wafer-thin" piece of mana, and I bet he explodes.

"I am prepared to wager that well within twenty-five years the Americans themselves will have realized what a handicap has been imposed upon them by this parasitic Jewry, clamped fast to their flesh and nourishing itself on their life-blood. It is this Jewry that is dragging them into adventures which, when all is said and done, are no concern of theirs and in which the interests at stake are of no importance to them. What possible reason can the non-Jewish Americans have for sharing the hatreds of the Jews and following meekly in their footsteps? One thing is quite certain -within a quarter of a century the Americans will either have become violently anti-Semitic or they will be devoured by Jewry." -- Adolf Hitler, Transcript XIV, 24th February 1945

Read Victor Ostrovsky's books [used from Amazon if you can get them] about his operations within the Mossad and you will never doubt that the Mossad are capable of what this photo shows.

Americans, the white ones that is, resist reparations for slavery and the lack of civil rights for blacks up until the 1960s, yet....straight out of Mother

Goose...they fall for the anti-semitism/Holocaust/we deserve everything as a result line from Israel to our mutual detriment, and the current state of world affairs.

By Anonymous, at [12:59 PM](#)

The proof is in the photo, dumbass.

By Anonymous, at [1:18 PM](#)

I have enlarged the photo on my screen and there is no Star of David. Did you put up the wrong photo?

By Anonymous, at [1:53 PM](#)

OK. How about the fact that the machine gun is an M16, which is American made and issued. I don't think the US hands them to the Palestinian authority. And, it's well known that the Kalishnakov is the weapon of choice for the bad guys...

I enlarged the photo on my screen. The David Star is there. Religious Arabs are not supposed to wear golden medallions.

A Mossad agent dressed up like an Arab is not a very convincing argument to indicate Israeli violence against Americans. This is a pretty big stretch, even for the anti-semitic.

It is unfortunate that the American people have been brainwashed into thinking all terrorists are Arabs, but if you look to see who leads them to believe this you'll understand why.

Semitic is a term used to describe both Arabs and Jews, so if you hate the "Islamofascists" you are being anti-semitic.

The saddest part is they own the Congress and president through blackmail (Google search Kay Griggs) and control the media so unless they seek it out, most Americans won't know the truth: Our leaders have put America second while demonizing true patriots like yourself. I have just bookmarked you.

By [Lew Scannon](#), at [4:35 PM](#)

anonymous: A Mossad agent dressed up like an Arab is not a very convincing argument to indicate Israeli violence against Americans.

If they use this forgery as an excuse to kill Arabs, wouldn't they use other forgeries to kill Americans?

There are upcoming "terror drills" at 40 USA Ports! (see www.whatreallyhappened.com. ----about 8/27/05) Is this how the govt criminals/neocons' agents will bring in the suitcase Nukes that the Rothschilds(who OWN the \$ in your wallet-EVERY \$ that exists is THEIR private 2 cent paper and ink - "Federal"(NOT!) Reserve NOTES! (ie, IOU's that belong to them, and ALL your property, even your labor, belongs to these parasitic owners of the "Fed" scam due to the fraudulent 'bankruptcy of the US' that was exposed by Rep. Trafficant (framed into prison)and is in the Cong. Record. Rothschilds get face value('bonds')as well as compounded interest

through their collection agency called the IRS. see www.truthintaxation.us etc,). These evil mass murderers plan to use suitcase nukes to takeover the US MILITARILY-as they already have politically and financially.How do we stop this insanity? We must tell everyone -especially the good guys in law enforcement, local police, etc. and give them Jimmy Walter's free DVD: "911-Confronting the Evidence " which is free from www.reopen911.org. dc

It's amazing how many people can't accept the reality that they have to construct crazy conspiracy theories to explain terrorist attacks. I bet all your evidence comes from the internet.

"It's amazing how many people can't accept the reality that they have to construct crazy conspiracy theories to explain terrorist attacks. I bet all your evidence comes from the internet."

I disagree; it is amazing how many people accept a poorly created reality when the truth bitch-slaps them silly every day. Apparently, you are a glutton for punishment, and cower in fear that your discombobulated worldview is nothing more than a medley of Jewish propaganda. Because you find solace with lies, ignorance is bliss, and you compound the injury by projecting your fear of truth onto those who are more courageous. Moreover, your assertion that people are too weak-kneed to contemplate terrorism is patently absurd, because they do contemplate terrorism. What you find so disconcerting is the reality that the perpetrators of terrorism are oftentimes the ever-sacrosanct Jews as opposed to those villainous Palestinians, Afghans, Iraqis, Syrians, Iranians... Nazis, racist, anti-Semites... Freedom haters, evil ones... Double-bad...

By Clem Kadiddlehopper, at [11:07 PM](#)

It's amazing how many people can't accept the

reality that they have to construct crazy conspiracy theories to explain terrorist attacks.

It's amazing how many people can't accept the fact that the crazy conspiracy theories used by establishment to explain terrorist attacks don't jibe with reality. The 'official' conspiracy theories are so full of holes and absurdities that it is a wonder anyone takes them seriously.

The same group of shameless liars that said they couldn't show the world proof of Saddam's WMD and 911 links -- that we should 'trust' them and go to war, 'cuz the "final proof might come in the form of a mushroom cloud" -- were the same individuals who said they couldn't show the world proof of the official 911 conspiracy, and that we should just 'trust' them.

The lies about Iraq are as blatant and obvious as the lies about 911. And about the only people who still believe the 911 lies, are the same people who still believe the Iraq lies -- unthinking, easily led sheep.

I bet all your evidence comes from the internet.

Why don't you go back to watching Fox News and leave the internet to those of us who have the eyes and mind to understand the evidence when we see it.

Anyone can claim to be an Arab. Who's to tell? Without experience, most people can't figure out whether they're talking to an Arab or a Turk or an Iranian or a Pakistani? Then, is the Arab Muslim, Christian or Jew? and so on.

One can create a cover story for a fictional Arab patsy good enough to fool 99 per cent of Americans.

All I'd do is follow the time-tested roadmap: Made

in Hollywood.

My make believe Arab would fit the stereotype:
swarthy, rich, licentious, bad to women, conniving,
first they pray, then they blow up something.

See Prof. Jack Shaheen's book, "Reel Bad Arabs:
How Hollywood Villifies a People."

Whether it's the convenient Iraqi Resistance, or the
phantom 19 hijacker, Israelis keep posing as Arab
terrorists BECAUSE THEY CAN GET AWAY WITH IT.

By curious, at [3:09 AM](#)

Isrealis also speak,read and write very fluent arabic
and know some parts of Qur'an.(The misunderstood
parts that seem terroristic)There are still a few who
still even look semetic.(Most are Aryen desendents)
Therefore this leukemia can infiltrate anything
Islamic or arab that they choose.So the way to
successfully combat this is to read and study Islam
and understand what the real Islamic agenda is.(Yes
there is one)The biggest Islamic bomb of all times
was drop 1400 years ago in Medina and we are just
feeling it after shocks today.

Wasted meaningless lives of so called beings with no means & no where to go. One thing is certain & only one thing will be guaranteed to all of you & that is your fate, which is death.

For those that have fallen victim to the waste side, do everyone a favor & head there now. Your existence is only causing wasted space in this hell. This hell is for fighting & territorial wars. Nothing new digital terrorist. the "Americans" did it back in 1492 (the originators & true terrorist) & it will all come full circle, regardless of how high up on their white metal horses they ride.

Know the culture of today & don't be so quick to jump on board of HIS-story.

Some beings just want to ride this one out & be as they may. It's pathetic that this regime has spawned so many mindless sheep that have traded in Baseball as their favorite past time for what they call "Patriotism"

Blogs are lame, go raise your children, the true oil of tomorrow.

By Anonymous, at [12:17 PM](#)

You guys are right. Why take responsibility and look deep inside your culture and ask - why are some Muslims fomenting all of this terrorism when it's clearly easier to blame the Jews.

Did Bush lie? of course he did. Arafat isn't a saint either ya know. Saddam isn't the giver of truth. Mubarak isn't god. Politicians lie.

What's insane is that no one here seems to be able to accept that the people blowing up themselves in horrific acts can't be Muslim..NOOOO, they must be the bloody Jews. Jews are evil, no Muslim could do this!

Insanity. You people need to reverse the brainwashing that's happened. I really do feel sad.

now that is spot on, a silver lining to this acerbic debate. we all need to do some soul searching, and maybe we all need to change

"Why Do Israelis Keep Posing as Arab Terrorists?"

Its a dumbest conspiracy theory I've ever heard :)))) Why Israelis need to fake pics of Arab gunmen, if there are millions of real pictures? Just type "palestinian gunmen" in google. :)

One of many examples of a shill or "poser" is ADAM PEARLMAN.

This weekend, a tape claiming to be from Al Queada (al queada is actually a BS front -- the fake enemy who was false flagged by the ZIONISTS via 911).

This tape is using the same phoney freak they used about a year ago, another name changer actually named ADAM PEARLMAN (referred to in the tape as ADAM GADAHN).

Diligent reporters already exposed this guy as a practicing jew from southern california last time he put a tape out AND they continue to try to FOOL us with the same old BS.

What about the NON COINCIDENTAL LINKS between Lewinsky, Levy, Cippel, and the school shooters (jonesboro, columbine, red lake)?

Quotes from newspapers the last time this beast popped up:

"born to parents of Jewish heritage"

"Adam was a very typical teenager," said his aunt, Nancy Pearlman. "There's no story about his upbringing." Pearlman said the family is declining to comment further.

POSER !!!

By Able Dagger, at [4:15 AM](#)

First thing that came to my mind was that that guy covering his face and showing no real passion for his cause was Jewish.

His eye's spoke louder than anything he said.

By Anonymous, at [4:46 PM](#)

Just tell the Zionist Jews.. GO TO HELL. The Torah Jews are alright. Every country is being decimated by the influence of the TALMUDIC Jews. Money and influence counts. BUT these DENIALISTS will never see the truth, no matter how many times it bites them on the ass. Conclusion: Why waste time on reason? A killer society has no reason and must be outed without reason.

This time the good guys must not fail!

I have to really agree with Hitler in 1945. It is true, that Jews need Hosts and once the host is dieing, as/in blight---lot's of luck in a cure! But I do have a sure cure--read on.

Israel was planted in the middle-east by the British, as a foothold in the middle-east. All major conflicts and wars I & II have been orchestrated by Jews. What pissed the Germans was the meddling of the Brits in the middle-east--OIL. Germany was friendly with the Ottoman empire and the Brits wanted all the oil for themselves--and the sidekick USA tagged along.

But what really pissed the Germans was the stronghold that the Jews had over the common

folk and the lower class outcast Jews. Most handlers of the Nazis were Jews.

What took the Germans to hate USA/Brits? Thanks to our worst USA President--Woodrow Wilson

The Jewish Zionist tailed Wilson to get the goods on him--Sex with his buddies wife---Jews threatened exposure--what did they want in 1915--Homeland for the Jews and America to give the Russian Czar-\$325 million-not to sign a peace treaty with warring Germany and Russia--Folks, Wilson lied and went to war for the Jews--it became WWI. The Germans and Russians got slaughtered---and USA came into it for the final kill, Millions died afterwards, fools.

Jews are killing our planet. What you see in happening in USA today, is comparable to Nazi Germany--backroom boys are sinister Jews. WWII was all about greed and the Jews. Germany had blockades surrounding it with 32,000 ocean mines and embargos that killed 750,000 children and aged. Germany had lost all its M.E. rights to oil and contracts--no wonder the Germans hated us.

CURE: Israel must be given back to the Palestinian Arabs, they cry for a homeland--they got USA and England and 3/4 of the planet as their nest. Enough is never enough for Jews--God help USA--it really needs a clean out.

By [ISRAOIL](#), at [9:24 PM](#)

Got a great point, if just look at the ones that run around here in us posing as Neo-Nazis and various other groups just further their goals the Columbine murders are a good example of this type of operation. This will not stop until we get rid of them all.
