Incredible Collusion Of

Zionists And

The Third Reich

Commentary

Dear Mr. Rense,

As I have heard you mention, Prof Finkelstein's book 'The Holocaust Industry' is must reading for anyone trying to honestly understand what has been done with the Holocaust as an instrument of profit.

Furthermore, Zionists are NOT the best friends of most of us Jews. Look what they have done to Israel. Look what they are doing to the Palestinians.

And if there is any doubt about their involvement in the Holocaust, I quote from Lenni Brenner in an article by Dr. Henry Makow, PhD, who is also a Jew:

"According to Lenni Brenner's online book Zionism in the Age of Dictators (Ch.7), the Zionist party was the only other political party in Nazi Germany that enjoyed a measure of freedom, and could publish a newspaper. The reason: Zionists and Nazis had a common interest, making German Jews go to Palestine."

See: <http://www.marxists.de/middleast/brenner/ch07.htm>

History is not always what you'd expect.

There are more shocking examples in Brenner's book (Chapters 24 & 25).

"For instance, in November 1942, Rabbi Michael Dov-Ber Weismandel, a Jewish activist in Slovakia approached Adolph Eichmann's representative, Dieter Wisliceny: "How much money would be needed for all the European Jews to be saved?" Wisliceny went to Berlin and returned with an answer. For a mere \$2 million they could have all the Jews in Western Europe and the Balkans. Weismandel sent a courier to the World Zionist Organization in Switzerland. His request was refused. The official, Nathan Schwalb, sent

enough money to save only Weismandel and his cadre. He wrote:

'About the cries coming from your country, we should know that all the Allied nations are spilling much of their blood, and if we do not sacrifice any blood, by what right shall we merit coming before the bargaining table when they divide nations and lands at the war's end?for only with blood shall we get the land.'" (p.237)

Brenner writes that Zionism had come full turn:

"Instead of Zionism being the hope of the Jews, their blood was to be the political salvation of Zionism" (p.238).

I urge your visitors to read the rest of the article by Dr. Makow:

Zionist organizations in Germany were openly and actively supporting Hitler in his rise to power. The chief architect of this policy later fled to the US and became one of the key leaders of the US Jews, which almost assured that US repeats all the idiocies of the Third Reich.

Quote:

Dr. Joachim Prinz, a German Zionist rabbi who subsequently emigrated to the U.S., where he became vice-chairman of the World Jewish Congress and a leader in the World Zionist Organization, published in 1934 a special book *Wir Juden* (We Jews) to celebrate Hitler's so-called German Revolution and the defeat of liberalism. He wrote: "The meaning of the German Revolution for the German nation will eventually be clear to those who have created it and formed its image. Its meaning for us must be set forth here: the fortunes of liberalism are lost. The only form of political life which has helped Jewish assimilation is sunk."

The victory of Nazism ruled out assimilation and inter-religious marriages

as an option for Jews. "We are not unhappy about this," said Dr. Prinz. In the fact that Jews were being forced to identify themselves as Jews, he saw the "fulfillment of our desires." Further, he states, "We want assimilation to be replaced by a new law: the declaration of belonging to the Jewish nation and the Jewish race. A state built upon the principle of the purity of nation and race can only be honored and respected by a Jew who declares his belonging to his own kind. Having so declared himself, he will never be capable of faulty loyalty towards a state. The state cannot want other Jews but such as declare themselves as belonging to their nation ..."

You have to be dumber than a fence post to be a fanatical Jew still dancing to tunes written by the likes of Prinz.

With all these alleged 'survivors' of the alleged 'holocaust', who the fuck died?

How you come to the conclusion I dance to his tunes or that i am fanatical is beyong me. Could it be prejudice on your part? I see a lot of that here!

Well - I do not really know that much about you. However, for American Jews to make that moron their "leader" after what he has done in Germany was an act of stupidity hard to be matched by anything done by any other people in any recent history.
