## Alex Jones Exposed!

### Is Alex working for the Zionists?

### Introduction

To some people Alex Jones is a hero, a super patriot, someone who's putting their life on the line to expose tyranny and corruption, To other people he comes across as a championship wrestler (the fake kind) or a used crooked car salesman.

Lets ponder for a moment a term that Alex uses quite often: "elite". This seems like a self defeatist name to use yet it can also be revealing when you think about it. Consider that these people he speaks of are "elite": Wouldn't they set up an alternative media to divert people who search for more truth than what they find on Mainstream News? Wouldn't they use techniques that don't appeal to scoffers like bull-horning and ranting?

Wouldn't they just tell us what we already know, or could have heard somewhere else while cleverly whitewashing and covering up for the true criminals? Wouldn't they use scapegoats such as labeling the perpetrators as Satanic Cults instead of identifying them as Zionists which use Christianity and Judaism as a tool? Why does he promote Christianity which just serves Zionism with it's precepts like: "bless your

persecutors", "pay taxes", "obey the laws of the land", and "Israel is God's elect (or chosen)"? What would you do if you were a part of an "elite" organization? Wouldn't you set up alternative media ahead of time to provide damage control? Some people think the conspiracy against us started with 911. What many conspiracy sites ignore is the use of fluoride: a neurotoxin by-product of manufacturing aluminum. Hitler used this chemical to induce apathy and population control in his nation. This is just an example to give you an idea of how long this Zionist conspiracy has been active. Learn more about Zionism from our [Forum](#) , [Vlog](#), [The Protocols of the Learned Elders of Zion](#) pages and [Daryl Bradford Smith](#).

or if you prefer a worthy video intro by Barry Zwicker (another shady guy?):

-This video wasn't created for this site, but it applies nicely doesn't it?

### **Alex Jones confesses! 7/14/2006!**

I believe we've put the pressure on him as well as other Zionist deniers and now they are struggling to maintain their positions in media. Don't trust them! There are plenty of more credible alternative sources of news as you can see in our [Forum](#) and [Vlog](#).

[Alex Jones Confesses](#) (mp3 audio)!

Now that Alex is coming clean about Zionism (because he must to maintain control), lets look at [how he directs that control](#).

Calling the White House would be ineffective other than getting your name added to a list. He would have you confess that you know who the terrorists are to the White House! That's insane!

[Loss of Liberty](#)

[USS Liberty - Tom Parker interviews survivors of the USS Liberty](#)

From <http://www.iamthewitness.com/Alex-Jones-summary.html>:

Consider what Alex Jones is telling us:

1) President Johnson had **personal control** over a Navy ship

Why would the US military give Johnson "personal control" over one of their ships? Does any president have personal control over any Navy ship, Air Force plane, or army tank?

2) Johnson made a **backroom deal with Israel** to attack the ship and kill everybody on board

Unfortunately, Jones does not provide any evidence that there was a "backroom deal". He does not provide any documents, nor does he explain how President Johnson convinced the Israeli government and military to commit such an incredible crime against their best friend.

The absurdity of his accusation should become more apparent if you imagine yourself in Israel's position. Imagine yourself getting a call from the leader of a nation you regard as a friend, such as New Zealand. The New Zealand president asks you to get your friends together, go over to one of their military bases, and kill all the New Zealand soldiers on the base. New Zealand will then blame the attack on Bolivia, and then take over all of South America.

Would you and your friends commit such a crime? Wouldn't you be wondering, "Why should I and my friends risk such a disgusting crime for the President of New Zealand?"

Alex Jones expects us to believe that the Israel government and military are submissive and innocent victims of the selfish, murderous, and cruel American government officials. Alex Jones wants us to feel sorry for the Israelis.

Those of you who trust Alex Jones might want to take a moment to shed some tears for the innocent Zionists.

Some people claim that President Johnson's support for the Vietnam War is evidence that he wanted war, but the evidence suggests that Johnson was just another criminal who was promoted to president because he would gladly follow orders from his Zionist masters.

Furthermore, the evidence suggests that it was **Zionists** who wanted the Vietnam War, not "the Pentagon". Kay Griggs says that the Vietnam War was pushed on America by such people as

Henry Kissinger and Walt Whitman Rostow. Please listen to the free excerpts of her interview:  
[www.HugeQuestions.com](http://www.HugeQuestions.com)

American government officials and our media are under the control of Zionists, not the other way around.

### 3) The US would **take over** the entire Middle East

Alex Jones says that the purpose for attacking the USS Liberty was to allow the USA to take over the **entire** Middle East. America was fighting the Vietnam War at the time, so starting a war in the Middle East would mean the USA would have to fight **two** very big wars.

However, Alex Jones has no evidence that President Johnson had plans to start a second war and take over the entire Middle East.

What was President Johnson going to do with the Middle East after he took control? Was the Middle East going to become America's 51st state?

If President Johnson was truly interested in conquering other nations, why would he pick the Middle East rather than Canada or Mexico? Why wouldn't he take South America? Why not Europe?"

## Is Israel Innocent?

Alex doesn't believe that Zionists have much of an influence on America.

For example, listen to Alex Jones on 4 April 2006 as he responds to a caller who asked about [this report](#) that claims Israel is influencing American foreign policy:

[www.iamthewitness.com/AlexJones\\_4Apr2006.mp3](http://www.iamthewitness.com/AlexJones_4Apr2006.mp3)

-Clearly he interrupts and diverts the conversation.

Blames Luciferians instead:

## Alex Jones Loves Money!

We hear it all the time from Alex.. "buy my dvds", "water is poison... buy a Berkey", "Subscribe for pennies a day". Does anyone realize how stupid rich this person is; yet he continues to bombard us with infomercials?

<http://69.28.73.17/thornarticles/corbin.html>

"For three days in October, 2003, radio talk-show host Michael Corbin (whose program, *A Closer Look*, was carried at the time by GCN) appeared as a guest-host for Alex Jones. In case you don't know, Jones' show lasts three hours each day, so right off the bat there's nine total hours. But the total amount of time that Corbin sacrificed was much greater."

"With this in mind, guess what gratitude he received for his efforts. Corbin told us during his June 8, 2005 appearance on WING TV (see transcript below) that during the third hour of his final day as guest host, he received a phone call from Violet Jones (Alex's wife).

And what did she say to Corbin? Did she thank him for sacrificing 15-18 hours of his life – without pay – to host Alex's show? No, Violet Jones chastised him because ... get this ... Alex's video sales had fallen because **he wasn't pushing them hard enough!**"

## [Martial Law: 9/11 Rise of the Police State](#)

Why does he call them "elite"? Why would he use the word "globalist"?

Why does he leave out information on Zionism yet he attacks Michael Moore for leaving things out of his documentary? ~29-37 minutes in.

Doesn't his association of Bush and Usama Bin Ladin contradict Bush's support of Israel? ~33 minutes in.

In the 36th minute he claims they're going to expose the people who perpetrated 911, -Does he go to the "rock bottom"?

At ~1:03 he brings up 2000 degrees of temperature? F or C Alex? How credible does that make you?

At about 1:31 He discusses sound wave weapons being used in Iraq against our enemies. Is Iraq really our enemy? Aren't we the ones on the offensive? Isn't Israel our true enemy?

At 1:42 he confronts David Gergen (see below).

### **Alex Jones on Bohemian Grove**

We find Alex Jones boasting about blowing [Bohemian Grove](#) wide open. Did he really?

The only thing new he presented to my recollection was video footage inside the grove that appears staged. Nothing new or incriminating was revealed in his video, and taping was paused at suspicious moments.

His subsequent interview with (See Martial Law above at 1:41) [David Gergen](#) also appears staged. David was walking slowly as if he was trying to make it easier to be approached from behind for the interview.

How did Alex just happen to land on the spot interview with someone of his age, wisdom and expertise?

This interview came out about the time there was wide spread skepticism about Alex's alleged infiltration.

### **Alex Jones on London Terror Drill**

<http://wagnews.blogspot.com/2005/07/alex-jones-is-wrong-on-london-terror.html>

**"Radio host, Alex Jones is spreading misleading, false and overblown claims linking Peter Power, a crisis management consultant and former member of Britain's anti-terror police, to a 'terrorism drill' which Jones alleges was used to provide cover for State perpetrators of the multiple blasts."**

"The wild allegations leave others presenting so-called "conspiracy theories" about these attacks open to ridicule --because of false claims by the most renowned radio show on these topics.

The weekend [article](#) by Paul Joseph Watson & Alex Jones was published on the PrisonPlanet.com website.

They claim that in a BBC Radio 5 interview on July 7th, Peter Power admitted that his Visor Consulting firm: "was running a **1,000 person strong exercise** which drilled the London Underground being bombed at the exact same locations, at the exact same times, as happened in real life."

\*\*\*

**That couldn't be more wrong.**

**In fact**, Power's consultancy firm was running a small "corporate wargame" drill for the management team of a British company with **1,000 employees**. Here's the BBC transcript of the interview Power gave [our emphasis]:

POWER: "At half past nine this morning we were actually running **an exercise for a company of over a thousand people** in London based on simultaneous bombs going off precisely at the railway stations where it happened this morning, so I still have the hairs on the back of my neck standing up right now."

[\[mp3 Audio\]](#)

Clearly, the figure of 1,000 refers to the **size** of the company whose managers were being drilled - and **not** to the number of participants in the drill.

Furthermore, any savvy investigator knows that these types of private-sector "risk management" drills never use field staff. Neither do these low-level corporate drills have active involvement of police or other security forces.

## The A-Game

[http://www.sacredcow.com/allnew/index\\_content.php?n=multimedia\\_video\\_alex](http://www.sacredcow.com/allnew/index_content.php?n=multimedia_video_alex)

Someone says about 1 minute into the video; "You're saying; George Bush **engineered** the 911 attacks". After Alex boasts of his accomplishments he claims "it's been proven, it's absolutely fact". When asked "how did George Bush engineer the attack"; he replies with "I've got my new one hour and 43 minute documentary extravaganza". Why does he want us to believe it's George Bush that engineered it?

## Alex Jones on David Icke

In the video: [David Icke: The Lizards and the Jews](#) , we see Alex vehemently verbally attacking the character of David Icke at ~10:46 (who apparently exposes Zionism through allegory). Fans of Alex Jones are notorious for whining about "divide and conquer" and "hurting the truth movement" for the very thing Alex is doing here. Using Allegory to expose Zionism is better than not exposing it at all isn't it?

## A Christian Family Betrayed

<http://www.christianmediaresearch.com/jones.html>

It seems that after Jones shot the video he wanted, including footage from within the premises showing crucial defensive locations from within the Gray residence, Alex Jones turned around and sold the video tape to a television network to be aired on the 20/20 news magazine program! Furthermore, it has now been established that **Ted Anderson**, the head of the Genesis Communications Network, has participated in a cover-up to keep the public from learning the truth about the treachery of his top host!

## Alex Jones promotes Zionist Mike Berger

<http://www.iamthewitness.com/Alex-Jones-summary.html>

Jones and his friends ignore or deny that Zionism is behind the world wars, the 9/11 attack, the assassination of President Kennedy, the attack of the USS Liberty, and many other crimes.

Another example of how they deceive the gullible goyim occurred on 8 May 2006 when Alex Jones

interviewed **Mike Berger** of 911truth.org.

By the way, Mike Berger was also selected by CNN to discuss 9/11:

[DarylBradfordSmith\\_Sheen.html](#)

Mike Berger told the audience that we need to ignore where we disagree:

[Alex-Jones-Mike-Berger-8May2006\\_1.mp3](#) only 28 k bytes

A few moments later, Berger repeats his suggestion that we unite:

[Alex-Jones-Mike-Berger-8May2006\\_2.mp3](#) only 52 k bytes

Mike Berger wants us to unite, but only if we unite under **his** leadership.

A few moments later Alex Jones repeats his theory that Israel was **not** involved in 9/11. Notice that he blames Dick Cheney and the "people above him":

[Alex-Jones-Cheney-Israel-8May2006.mp3](#) only 61 k bytes

Who are the people **above** Dick Cheney? Jones **never** mentions their names; rather, he refers to them as the Feds, or the New World Order, or the Germanic Death Cult.

Jones tells us that Bob Bowman and "many others" also blame Dick Cheney for 9/11. Why should we care Bob Bowman and "others" say? The **evidence** points to **Zionists**:

[DarylBradfordSmith\\_ZionSummary.html](#)

Instead of shaking in fear of the "New World Order", you might find it more enjoyable and productive to make fun of it, as this person does:

[Bullhorn - Bobby Evans Noowurnoowurldordur](#)

## Claims in Defense of Alex Jones + Rebuttals

Alex has done a lot to wake people up and spread truth.

He's amassed great wealth for himself and bombards his fans with 3 hour radio shows, 1 hour tv shows, and endless dvd documentaries full of repetition, wasted space, and commercials for himself. This wasted time could be better spent on people who would be more well known if the Zionist controlled alternative media (Alex Jones + others) weren't in place.

Alex is the grand daddy of 911

Exposing Northwoods documents prior to 911 doesn't make for a "grand daddy" status. The documents were declassified, and in the plans I don't believe there was mention of human casualties. How do we know that the piece wasn't cooperatively planted? I know I wasn't the only one watching tv that day that could tell what was really going on without needing those documents or knowledge of AJ. Alex getting the most press about 911 truth is more of a tell of his cooperation than evidence of him being the "grand daddy".

Alex Jones doesn't hurt the movement; people like you do!

If soldiers knew they were fighting for another country's benefit, instead of just oil for their own country do you think they might quit? Many of them think we're merely over there for oil. When they realize their pay will be worthless soon because their country sold out to Israel; they might get second thoughts. When we as tax payers see the horrors inflicted on the Palestinian people funded by our tax dollars that we can't afford; we might start giving a crap. Things will change when people realize why it's illegal in some countries to [question the holocaust](#), Why we scarcely hear about who owns and controls our banks, media (including alternative media), and religion or how these people are setting things up to control the entire world from Israel. Alex has done us all a disservice by bombarding us with diversion and committed treason by lying to us about 911 and USS Liberty.

"I foolishly posted a bulletin about your page alleging Alex as self catering or misguided, and all the responses I got back said that they checked out your stuff and that you were a fed, a disinfo hack or

challenged." -[Damon](#)

I'm showing evidence. Where's there's? You're obviously not familiar with the [rules of disinformation](#) and your friends are not really friends; not even e-friends.

"All my responses back about your page that I posted asking if your info has been addressed or debunked were met with an resounding, don't give this hater a second of your time, but alas I am a sucker to ask inquiries." - [Damon](#)

Liars will tell you not to waste your time. I tell people to investigate for themselves. This type of response only validates information that is attacked.

\*Congratulations to Wendel from our IRC channel who after all this time has provided the best defense for Alex Jones yet by pointing out articles archived on Alex's website that are revealing about Zionism, and this excerpt where he addresses the RSICC membership:

<http://www.yourfilelink.com/get.php?fid=137344>

## **Alex Jones and Censorship**

Alex would like us to believe that he's against censorship. Quote from [http://www.myspace.com/alex\\_infowarrior](http://www.myspace.com/alex_infowarrior) :

"Alex promotes free speech, expression and certainly not government and corporate censorship. In this vein, comments and expressions by friends are not censored, but do not necessarily reflect the views of this profile. Furthermore, the purpose of this profile is to test the censorship of MySpace--primarily based upon political content."

What Alex doesn't tell you is that Myspace is accountable to affiliates and their Terms of Service (TOS)! Myspace is a business and must censor to maintain it's income. On the other hand; Alex used to have a forum which would've been great for free speech!

[More on Alex Jones censorship practices](#)

3/29/2006 9:31 AM

I OWN AND HAVE PROMOTED ALEX MORE THAN ANYONE HERE CAN IMAGINE SO I AM EDUCATED AND QUALIFIED TO MAKE THE FOLLOWING STATEMENT.

SO ALEX JONES... YOU WANT TO TEST FREE SPEECH. I ASUME YOU BELIEVE IN IT AND SUPPORT IT. MOST OF YOUR LISTENERS DONT KNOW OF HOW THERE USED TO BE A PRISON PLANET FORUM... USED TO AS IN NO MORE AS IT WAS TO MUTCH WORK TO KEEP MONITORING AND DELETING INFORMATION LIKE SOME KOMMI STATE PAPER.

THE LEVEL OF CENSORSHIP WAS UNREAL. ALEX CANT STAND TO LET THE WORLD SEE HIM ANY LESS THAN THIS FALSE IMAGE OF THE SUPER PATRIOT, FREE SPEECH, RIGHTS FOR ALL, NEW WORLD ORDER ATTAKE DOG.

IT BECAME A OUT OF CONTROL AND UNMANAGABLE TASK TO COVER UP THE COVER UPS AND PRISON PLANET FORUM WAS GONE.

IM NOT PART OF THE WINGNUTS OVER AT WINGTV.NET THEY ARE NOT DOING US ANYMORE GOOD THAN YOU WITH ALL YOUR "GET OFF MY RODE" STUFF THIS IS ALL OF OUR FIGHT... IF MINDLESS PATRIOTS FOLLOW ALEX JONES THE WAY MINDLESS CONSERVATIVES FOLLOW BUSH, AND DONT LOOK INTO THE PERSON BEHIND THE PERSONA, ITS ALL FOR NOTHING THEY ARE USLESS IN THE PLANNING AND ORGANIZING AND CARRING OUT OFF A REVOLUTION... THEY WILL JUST FOLLOW YOU AROUND IN CIRCLES... NEVER GIVING ANY REAL SOLUTION OR DIRECTION FOR PATRIOTS TO BE SELF SUFICIENT, BILL COOPER WAS A REAL THREAT TO THE NEW WORLD ORDER AND WAS KILLED FOR IT, YOU HAVE HISTORICAL KNOWLEDGE AND USE IT TO MAKE YOU FOLLOWERS FEEL SAFE THAT YOU ARE FOR REAL BECAUSE YOU SPOUT HISTORICAL FACTS... SO WHAT.

I ALSO SUSPECT THAT YOU DONT HAVE ANY KNOWLEDGE OF WHAT GROUPS ARE BEHIND INFORMATION CONTROL IN THE MEDIA, WHO WANT TO USE AMERICAN LIVES TO HELP WITH WAR IN IRAN... WHO IS IT THAT WANTS TO MAKE THE NEW TESTAMENT "HATE SPEECH" ?

NOW MY SPACE? WATCH OUT, ... UNLESS YOUR NOT A GOVERNMENT AGENT OR CAN LET THAT EARTHLY EGO DIE THAN LEAVE NOW BECAUSE YOU WILL END UP BEING EXPOSED ON MYSPACE

BY THE WAY MR EGO, NICE PHOTO BUT NOT VERY HONEST

## Alex on Illegal Aliens crossing the boarder into the USA

(opinion)

How does this compare to Israel knocking down Palestinian homes, killing the children of Palestine, or forcing people off the land they lived their whole life on? Alex is constantly complaining about Illegal Aliens.

I remember on 911 something George W. Bush said about "American Lives". It seems to me that Alex is using this same ploy of appealing to American's sense of pride and self importance. Lets ignore what's going on in Palestine because that's what Zionism is all about.

### Do you support Criminals?

People who are aware of the evidence against Alex Jones and continue to spam and praise him should be considered enemies or idiots.

Zionist deniers who are aware of the facts are guilty of complicity in the mass murder of Jews and Goyim.

It is important to understand why we are at war with Israel's enemies. It's important to demonstrate how the USA is being used and donates hundreds of billions of dollars worth of support to Israel essentially funding their illegal land grabbing, murder, torture and terrorism of the Palestinian people.

\*Note that [Jewish people are also against Zionism](#), Christianity serves Zionism, and that there is no such thing as a Jewish race. We are not racists here, and I despise racism!
