Tony Blair is being compared to Hitler in an advertising campaign against ID cards.

The advert - sponsored by the Lib-Dem party and Labour MP Diane Abbott, and supported by Blur's Damon Albarn - is running in newspapers and on billboards and shows a photo of the Prime Minister with a barcode on his lip like the Nazi leader's moustache. The caption reads: "ID cards have worked well in Europe before." Campaign group NO2ID is behind the advert. It said today: "Blair is not Hitler. But he is building the tools of totalitarianism." Labour's Lord Janner, a leading Jewish parliamentarian, said the advert was "monstrous".

He said: "Hitler was a mass murderer and to make any comparison between him and Tony Blair is stupid and unacceptable."

You can't compare BLAIR to HITLER
by neyaz1 on 26.09.2006 [23:47]

Hitler was more handsome than this ugly bastard blair!

Yes, and Hitler at least was smart enough to kill himself before others started doing that job for him - but Blair doesn't have that sense of honour - instead he cries like a little baby, and sticks to his chair like he got nailed to it.

But keep cool guys, time and air are running thin for him - and the moment his time is up - he will face certain destiny.

Dschahanan is waiting for him ..

Allahu Ekbar !

Blair's already
by verve on 27.09.2006 [02:03]

been paid off. He gets a plum job with the merchants of death, Carlyle, when he moves on.

GREAT! These bastards must be exposed for their crimes
by CANUKISTAN_VIEW on 27.09.2006 [02:06]

. . . and also for their political actions while governing i.e. the systematic destruction of institutional democracy, international law, war mongering, war criminals, civil liberties, bar-coding humans, . . .

Hitler was in a way fighting for the draconian conditions imposed on Germany after losing WW II and at the time Germany was in deep financial and economic despair; not that I support Hitler in any sense. But for Tony Blair IS JUST MONEY FOR UK CORPORATIONS, MONEY FOR THE ZIONIST-NAZI BANKERS AND MONEY FOR THE MONARCHIES i.e. BP and Royal Dutch. THAT IS AS CRIMINAL AS HITLER IF NOT WORSE as Tony Blair is embracing GLOBAL DOMINATION EVEN IF HE HAS TO MURDER THOUSANDS OF PEOPLE like it is already doing in Iraq and Afghanistan and Somalia and every where else.

GREAT POSTER - THE IDEA SHOULD BE USED FOR BUSH AND HOWARD IN AUSTRALIA AND HARPER IN CANADA

Fantastic ad !!!!
by _merk_ on 27.09.2006 [02:49]

would it be asking too much to photoshop him a star of david earring?

Blair hasn't have to kill himself..
by gmmonko on 27.09.2006 [04:43]

Remember! He will get a manager job with the American war winner finance group: Carlyle. Did you see the picture from blair's summer house? It looks like a palace.

It is hard to believe that Blair is still a member of the labour party!

Blair doesn't care about UK corporations either! He just feels his own pockets and may be of some close followers, too.

Blair has only similar crime in common with Hitler.

It is a superb ad.

Imagery and back up caption are very smart. Congratz.

A piece of Iraqi flash hanging from mass murderer Tony bLiar's lips wouldn't have gone amiss either.

ALL POLITICIANS
by Mike-Malaysia on 27.09.2006 [05:56]

from a western point of view should have their entire lifetime income capped and that of their immediate family. Their family should be gives access to any basic service. Also they should be excldued to formulation of legislation that has a bearing on their own personal interests and those of friends.

A politician should SERVE, and not as the case is BE SERVED.

Prescotts Jags (and other politicians) should be a Ford Fiesta or equivalent.

Blair has now told The Labour Party...
by stopwar on 27.09.2006 [08:09]

that he loves them.

They are all enraptured again!

Craig Murray got it SOOOOOOO right on Saturday with his speech. If you haven't heard it yet, please listen. Labour grandees now all have their snouts in the trough with Tony Blair, and of course now they can't bear to let him go.

Another reminder here - of the 1950s classic novel "Lord of the Flies"...

those otherwise civilised British boys marooned on a desert island who become savages as they stalk and kill a pig, obviously deriving great pleasure from the blood that spills out as the pig screams...

As Craig says... by identifying with Blair, and his decisions...

"they (the cabinet) are ALL war criminals".

To put it a Buddhist/Hindu way, they are all taking on his karma.

"A politician should SERVE"...

by jk5 on 27.09.2006 [08:46]

... a very ong sentence if they commit crimes on the scale of Bliar and his henchmen of like "karma"

lol at jk5

:)

Blair's heir

by stopwar on 27.09.2006 [20:32]

is speaking tomorrow at the blood conference.

His name is John Reid. If Blair is Hitler, Reid is Stalin. Between them, they seem to be striking fear into the politicians of Europe, who have now meekly agreed not to allow liquids on their planes:

Whatever has happened to "non, non, non!". Methinks Europe needs another Delors... and quickly!

And again from fantasy island...

"UK military claim Taleban defeat"

The defeat appears to be on the basis that the Taleban haven't yet driven them out! As with UK education, it's low expectations all round.

Why a Jew??

by antecesivo on 27.09.2006 [22:17]

Why in the name of Babalu did the reporter have to quote a jew? ain't there about 160 million Englishpeople who can think and say some crap about the ad? Most of them would agree with the ad, perhaps??
