With 'Another Hitler' At The Helm This Independence Day, Look Back At The First One For Clues As To Who Really Controls Bush

Although controversial publisher Jack Chick doesn't give out interviews anymore, his research and writing shouldn't be forgotten.

1 Jul 2006

By Greg Szymanski

Book publisher *Jack Chick* doesn't give out many interviews anymore. In fact, trying to talk with him is quite difficult.

Chick isn't hiding, but probably just tired of talking about the same old thing or tired of fighting the same old game of words against the powerful Vatican. He is also no spring chicken, getting on in years as they say.

And it's quite understandable that he shuns the limelight after looking at the number of controversial issues he has tackled over the years, including the exposure of the corrupt Jesuit Order and the Vatican.

However, even though Chick is staying out of sight, he shouldn't be forgotten and neither should some of his top stories be forgotten, stories like Hitler's loyalty to the Vatican and Jesuit Fr. Alberto Rivero's first hand recollections of the evilness inside the Society of Jesus.

With Independence Day right around the corner and seeing America has its own Hitler running the show, let's take a few moments to look back in a capsule summary what Chick uncovered about Hitler ties to the Vatican.

Chick wrote not long ago:

"You may say, 'Well, that was a long time ago. It's not like that anymore.' But has the Vatican really changed? Let's look at her actions during World War II. Many of you have not read our Crusaders book, THE GODFATHERS, or the book, THE SECRET HISTORY OF THE JESUITS, and, therefore, you don't really know what happened behind the scenes during World War II. So let me give you a brief picture of the conditions.

"The Jesuits had secretly prepared World War II, and Hitler's war machine was built and financed by the Vatican to conquer the world for Roman Catholicism, Hitler, Mussolini, and Franco were to be the defenders of the faith. They were set up to win and conquer the world, and set up a millennium for the pope. Behind the scenes, the Jesuits controlled the Gestapo.

"Read what the press of the Spanish dictator, Franco, published on the 3rd of May, 1945, the day of Hitler's death. It said, "Adolf Hitler, son of the Catholic Church, died while defending Christianity." It goes on to say, "Over his mortal remains stands his victorious moral figure. With the palm of the martyr, God gives Hitler the laurels of Victory."

"Hitler himself stated, "I learned much from the Order of the Jesuits. Until now, there has never

been anything more grandiose, on the earth, than the hierarchical organization of the Catholic church. I transferred much of this organization into my own party."

"Walter Schellenberg, former chief of Nazi counter-espionage made this statement: "The S.S. organization had been constituted by Himmler according to the principles of the Jesuit Order. Their regulations and the Spiritual Exercises prescribed by Ignatius of Loyola were the model Himmler tried to copy exactly. Himmler's title as supreme chief of the S.S. was to be the equivalent of the Jesuits' 'General' and the whole structure was a close imitation of the Catholic Church's hierarchical order."

"Franz von Papen, another powerful Nazi, who was instrumental in setting up the concordat between Germany and the Vatican had this to say: "The Third Reich is the first world power which not only acknowledges but also puts into practice the high principles of the papacy." If you are not aware of what a concordat is, a concordat is an agreement between the Vatican and a government. As far as the Vatican is concerned, that government that signed the concordat has now become a part of the government of God, and the Vatican fully intends to stabilize that government, give it divine protection, and give it international protection.

"Like Italy, Germany signed a concordat with the Vatican in Rome, 1933. Signing the concordat is Cardinal Pacelli (later to become Pope Pius XII). By 1933 he was the Vatican Secretary of State. Second from left is Franz von Papen, a sinister Nazi and devout Roman Catholic who was Hitler's ace diplomat and the Vatican's agent in helping to bring Hitler to power. Standing at the far right can be seen the little-known Vatican prelate, Montini, later to become Pope Paul VI.

"ADOLPH HITLER SAID: 'I am personally convinced of the great power and deep significance of Christianity, and I won't allow any other religion to be promoted. That is why I have turned away from Ludendorff and that is why I reject that book by Rosenberg. It was written by a Protestant. It is not a Party book. It was not written by him as a Party man. The Protestants can be left to argue with him ... As a Catholic I never feel comfortable in the Evangelical Church or its structures. That is why I will have great difficulty if I try to regulate affairs of the Protestant churches. The evangelical people or the Protestants will in any case reject me. But you can be sure: I will protect the rights and freedoms of the churches and not let them be touched, so that you need have no fears about the future of the Church.'

"Hitler was also ready to discuss with the Bishop his views on the Jewish question: 'As for the Jews, I am just carrying on with the same policy which the Catholic church has adopted for fifteen hundred years, when it has regarded the Jews as dangerous and pushed them into ghettos etc., because it knew what the Jews were like. I don't put race above religion, but I do see the danger in the representatives of this race for Church and State, and perhaps I am doing Christianity a great service.'

"The three big defenders of the Roman Catholic faith were Hitler, Mussolini, and Franco. All three had concordats with the Vatican. When the Nazi war machine swept through the Balkans on the way to attack Russia, Yugoslavia had become a Nazi occupied country.

"The pope despised the Russian Orthodox members. They were called Serbians and they were marked for death in Yugoslavia. They were given one choice: to convert to Catholicism, or die.

"Why were they killed? Why did the pope have such a vendetta against the Russian Orthodox? As we said in our Crusaders book, THE GODFATHERS, the communist party was created by the Vatican to destroy one of her greatest enemies, the Russian Orthodox church. The communists had double-crossed the pope and refused to destroy the Russian Orthodox church members and at last, Pope Pius XII had created a machine to do what the communists had failed to do - butcher every Orthodox church member and their clergy. Let's see how this was accomplished.

"The Catholic priests changed their robes for the uniforms of the dreaded Ustachi killer squads, and led the most barbaric, brutal raids upon those people and practiced satanic torture never before known in this century. We are not talking 800 years ago. We are talking 1940. I was in high school then."
