**3 JEWISH BOYS ARRESTED FOR CHURCH BURNINGS \*PIC\***

How Come No Hate Crime Charges?

Three Jewish college students burnt down nine churches, and had every black churchgoer in Alabama scared to death. They appeared to have used specially-designed, military-grade thermite bombs for this. Why is NO ONE covering this as a hate crime!! Why did NO main stream media outlets report that these three boys were JEWISH???

I can't help but wonder is the Mossad was behind this!!!

Their defense is - "It was all a prank."

*How Come No Hate Crime Charges?*

A hate crime is a special designation(thought crime?) where Jews use the power of the judicial system to achieve a specific social/political goal.

Since there's nothing to be gained by Jews in promoting this as a hate crime, it won't be promoted as a hate crime.

(Same with Goldman, the Florida dentists who was caught with an arsenal in home. He wasn't a terrorist for the same reasons.)

*The US needs to be added to the list of countries who threw the filthy jews out.*

I question whether that statement is true? In recent times Jews were not thrown out of nations, but rather fled because they would be facing prison sentences for their crimes. Criminals on the run become victims.

Otto Frank fled to Holland because he swindled Germans in his bank and was facing criminal charges, for example. And then we only have to look at more recent examples -- Cuba circa 1960, Iran circa 1979, and Russia in the 1990's. In time Jews will write it was anti-Semitism that forced them to leave these places. I think we know better.

Were the Jews in Russia who fled to England and Israel circa 1999 with their stolen cash thrown out of Russia? I think not.

That said, if so called hate crime laws and terror laws in the US were applied equally to Jews, for sure they would flee. Later for sure they would write they were victims of anti-Semitism, again.

These Jewish Psychos burnt down nine churches, and had every black churchgoer in Alabama scared to death. They appeared to have used specially-designed thermite, or incendiary magnesium as an accelerant.

To claim that these church burnings (map) were just a prank, is ludicrous. You just don't burn nine churches without an agenda. The damage is over two million dollars.

Sentence Could Be 45 Years Or More

Nine counts of arson, the use of thermite, and possible bombs, leaves these kids with itchy feet. Authorities are concerned about granting bail, and them fleeing to Israel.

DeBusk, Cloyd, and Moseley, are counting on the fact they are [Jewish](#) to avoid severe consequences.

Birmingham's Jewish community stands behind the trio. DeBusk's roommate Burgess, acknowledges Debusk is not a Christian. Cloyd claims to be a Baptist.
