Subject: Urgent message: Dr. Hamer is thrown in jail

Dear List,

I have a very urgent message:

Dr. Hamer, the inventor of the New Medicine, has been arrested in Spain. He is to be extradited to France where he will probably be thrown in jail for three years. He is falsely accused of practicing without medicine, even though he *is* a medical doctor. Furthermore, several anonymous persons claim that their health deteriorated because they've read his book ! Several universities have confirmed his theories, but in the trials these facts were ignored. Also, his "Biological Laws" have been validated with 31,000 case studies.

It's quite clear: the CODEX group is trying to get rid of this genius by throwing him in the French jail. He is in poor health and this would probably mean his death.

I ask you all to help Dr. Hamer by signing the petition at <http://www.newmedicine.ca/supportform.php> .

Please go to <http://www.newtreatments.org/> and read the (red-marked) information on top for more details. We need 10,000 signatures and 3,000 by the end of this week for Amnesty International to help Dr. Hamer.

Please stop the CODEX (alliance of pharmaceutical companies) from killing Dr. Hamer.

More information on the New Medicine can be found at <http://www.newmedicine.ca>

Please also read the way he is treated at <http://www.newmedicine.ca/news.php>

Thanks in advance,

If possible, spread this message to other health newsgroups.

Take care,

Ed,
The Netherlands

Subject: HELP HAMER = HELP THE TRUTH!

FRED, HERE'S AN EMERGENCY OF CENTRAL IMPORT TO OUR CAUSE OF LOVING EMPOWERMENT. DR. HAMER, WHO HAS

CURED OVER 95% OF THOUSANDS OF CANCER PATIENTS IN EUROPE, HAS JUST BEEN ARRESTED. --ERTHI

That there is a connection between the psyche and disease is neither a new discovery, nor is it Dr. Hamer's discovery. To quote Dr. Hamer:

"Through the millennia, humanity has more or less consciously known that all diseases ultimately have a psychic origin and it became a "scientific" asset firmly anchored in the inheritance of universal knowledge; it is only modern medicine that has turned our animated beings into a bag full of chemical formulas."

Welcome to Dr. Hamer's page on The New Medicine.

If this is your first visit, the following will serve as a short introduction:

Twenty years ago, Dr. Ryke Geerd Hamer, a German doctor with his own practice in Rome, Italy, received a call in the middle of the night. His 17-year old son had been shot while on holiday in the Mediterranean. Three months later, Dirk died and shortly after, Dr. Hamer, who had been healthy all his life, but who was utterly devastated by this catastrophe, found he had testicular cancer. Rather suspicious about this coincidence, he set about doing research on the personal histories of cancer patients to see whether they had suffered some shock, distress or trauma before their illness.

In time, after extensive research of thousands of patients, Dr. Hamer was finally able to conclude that disease is only brought about by a shock for which we are totally unprepared. This last point is very important. If we can in any way be prepared for the shocking event, we will not become ill. In fact, Dr. Hamer does not like to say 'cancer'. Rather, it is a special biological response to an unusual situation, and when the 'shock' situation is resolved, the body sets about returning to normality. This is a very simplified account, of course. The books explain in detail the complete process.

He presented his work to the university in Germany with which he was affiliated. Without testing or proving his hypothesis, they asked him to deny his findings. Since he could not possibly contemplate denying what he had scientifically proven beyond the shadow of a doubt, he refused. As a result, his licence to practise medicine was withdrawn and the situation remains unchanged to this day. Even though the University of Tübingen was ordered by a court of law to hold tests to prove the theories, they have never done so.

Dr. Hamer's life has been a turmoil of events ever since, culminating in an eighteen-month prison sentence in Germany, served in cells with common

criminals. Much of the opposition he has had to face has come from the fact that the person who accidentally killed Dirk was the Prince of Savoy, the last King of Italy's son. A complicated, difficult and delicate situation, as anyone can imagine.

Dr. Hamer believes very strongly that the present methods of dealing with cancer are barbarous, cruel and completely unnecessary. This opinion does not make him many friends.

Since the discovery of the New Medicine in 1981, Dr. Hamer has written several books on his medicine and his extraordinary findings. Some of the books have already been translated into several languages, and the work continues. Many physicians in Europe covertly practise his medicine, recognizing its exceptional diagnostic capability.

The lack of official recognition by "official" or "conventional" medicine is frustrating for both Dr. Hamer and for the public. We can only hope that the movement to change the status quo will come from the people who start to understand the way their bodies work and from insisting that their physicians, health care workers and institutions take notice.

But once you have heard Dr. Hamer lecture or seen him at a seminar, read his books and had access to his Disease Chart, you understand that finally someone has made all the links, found all those connections that were missing.

FRED, ONE CRUX OF THIS IS THAT HAMER IS THE FIRST TO USE MRI OF THE BRAIN, TO PROVE A PARALLEL LESION THERE IN EXACTLY THE SPOT CORRESPONDING TO THE BODILY DISTURBANCE, SYMBOLIC OF THE TRIGGERING LIFE-EPIISODE. AS, HAMER HAD LOST HIS SON, WHOM HE HAD "CREATED".HENCE THE GENITAL SITE. [NOTE SAME IN PATSY RAMSEY.]-- AS THE SHOCK IS COME TO TERMS WITH, THE BRAIN LESION AND THE BODY TUMOR RECEDE SIMULTANEOUSLY. -- ERTHI --AND P.S. THANKS FOR THE WONDERFUL ALERT ON THE WITHDRAWN ABC MILITARY REICHSTAG/COLLUSION ARTICLE!

A first-time visitor to this site?

We recommend you begin by reading the [Introduction](#), followed by the [Overview](#), then [The Interview](#) With Dr. Hamer. It will present you to his research and his work. To learn more about Dr. Hamer, the [Biography](#) is now online.

It is not an exaggeration to say that there has been a long and concerted effort to constrain and silence Hamer. This has come from several fronts. Despite the harassment, the indignities and the humiliation that he has had to suffer, Hamer continues to stand by his findings, continues his research and continues to write.

We finally have the first English publication of his thesis as it was to be presented to the University of Tübingen. It is entitled "Summary of the New Medicine" (updated to 2000) and may be purchased [here](#). You will find an excerpt from the Summary. The Disease Chart (in its second printing) will be available soon. Translation of the 2-volume "Gold Book" is completed and printing is now in progress.
