Stop Israeli Disproportionate Destruction of Lebanon
American Interests First!!

Since July 16, 2006, the Israeli war machine has been destroying the infrastructure of Lebanon: airports, seaports, bridges, roads, fuel depots, food superstores, ...Etc. The Lebanese civilians' losses are staggering. The entire people of Lebanon are suffering. Thousands of foreign nationals who are either visiting or working in Lebanon (including 25,000 US citizens) are also suffering and being stranded.

Why Israel can do no wrong.

The best government money can buy.

According to opensecrets.org, at least 40 (40%) of our senators have taken large donations from Pro-Israel political action committees. No-one gives this much money without expecting something in return - nor takes it without knowing you're expected to give something back:

I am sick and tired of sending our tax money over to Israel so that they can invade countries such as Lebanon and attack the Gaza Strip. The Pentagon stated that we should give them \$280 million dollars to fuel their jets and pay for their bombing of the power plant within the Gaza that will again cost us \$48 million dollars.

US Middle East Policies..

Israel's Ongoing Murders of Christians (Arabs & also Semites)
US Middle East Policies ..

[More Soapbox

Why does the U.S. Congress continually appear to tolerate, support, fund and sometimes even encourage the deaths of Arab civilians, particularly women, children, the elderly and especially Christian Arabs, yet frequently react so strongly against the deaths of civilians, particularly if they are Christians, in conflicts on other continents and in other countries?

BUSH ENCOURAGES ISRAEL A CRIMINAL STATE, ACTIONS WORSE THAN HOLOCAUST..

Isreal taking America down, All our problems in the Mideast are from supporting a Facist State of Israel .

**Nuremberg Judge Cites Bush War Crimes In Iraq!
Nuremberg Chief Prosecutor Cites Bush War Crimes In Iraq!**

Nuremberg Chief Prosecutor, and very distinguished Judge Benjamin Serencz, who successfully prosecuted 22 Nazis Officers for "war crimes" and "crimes against humanity", has now rendered his professional opinion that "there is a case" against George W. Bush for waging "an illegal war of aggression" on the Iraqi people, "the supreme war crime against humanity"! Therefore, please urge your Representatives and Senators in Congress, your State Legislatures, and your Local officials, to introduce and adopt a "Censure Resolution" "censuring" Bush for "war crimes" against the innocent nation and people of Iraq, who never posed any threat, whatsoever, to the American people! **ISRAELI CRIMES OUTSTRIP HOLOCAUST
BUSH AND CONGRESS ARE ALLIED TO ISRAEL,, BUT NOT THE AMERICAN PEOPLE..**

Israeli crimes outstrip Holocaust,you see, unless, and until, the holocaust is discussed openly, questioned openly, researched in all aspects, serious thinkers throughout the world can only ask why not? What is being hidden here? Why are there laws which see anyone questioning this particular narrative tossed into prison?

**BY INTERNATIONAL LAW, NO ONE SHOULD SUPPORT ISRAEL
FACE FACTS ON WHO HAS CAUSED THE VIOLENCE AND TERRORISM IN THE MIDDLE EAST..**

Lessons to be Learned From 66 U.N. Resolutions Israel Ignores..

**"COLLECTIVE-PUNISHMENT" POLICY OF ISRAEL, AIPAC, MOSSAD, BUSH & CRONIES.
THE DOWNFALL OF THE AMERICA WE LOVED..**

The fact that the most democratic Arab country is being attacked by Israel undercuts the claim often made by members of the current administration that democracies never go to war with each other.

**IS GEORGE BUSH OUR PRESIDENT ANYMORE?
BUSH & CONGRESS ARE MORE COMMITTED TO ISRAEL.**

Is George W. Bush Our President Anymore?
America: What Is Your Opinion On This Issue?

We all know that the Bush administration, his cronies, and Congress all have the Blue Star of David monogramed on their underwear & check books.

How-ever someone out to look at the atrocities, and the UN resolutions of the past 58 years. They might come to the conclusion and reality that Israel, Aipac, & Mossad are the real problem of the Middle East. They need to be held accountable.

VOTE FOR CANDIDATES FOR AMERICA, NOT A FOREIGN COUNTRY OR AGENT.

FOREIGN LOBBY: AIPAC.
FOREIGN COUNTRY: ISRAEL:
AID TRILLIONS.

MOSSAD: FOREIGN SPIES. EVEN INTO PENTIGON.

DON'T JUST SIT BACK AND ALLOW ANY MORE LOSS OF OUR FREEDOMS, OUR CONSTITUTION IS IN JEOPARDY. TAKE BACK OUR COUNTRY..
