This is a crazy world. What can be done? Amazingly, we have been misled. We have been taught that we can control government by voting. The founder of the Rothschild dynasty, Mayer Amschel Bauer, told the secret of controlling the government of a nation over 200 years ago. He said, "Permit me to issue and control the money of a nation and I care not who makes its laws." Get the picture? Your freedom hinges first on the nation's banks and money system. That's why we advocate using the **Liberty Dollar**, to understand the monetary and banking system. Freedom is connected with **Debt Elimination** for each individual. Not only does this end personal debt, it places the people first in line as creditors to the National Debt ahead of the banks. They don't wish for you to know this. It has to do with recognizing WHO you really are in **A New Beginning: A Practical Course in Miracles**. You CAN **take back your power** and **stop volunteering to pay taxes to the collection agency for the BEAST**. You can take back that which is yours, always has been yours and use it to pay off your debts. And you can send others to these pages to discover what you are discovering.
