Noted Holocaust Icon Going To Birmingham

Deborah Lipstadt to visit Birmingham Southern, the college that church arsonists Russell Lee Debusk and Benjamin Nathan Moseley attended.

Ms. Lipstadt Is Famous For The Holocaust Trials

Three-month trial in England.

Alabama State Attorney-General

He wants to prosecute and doesn't care about holocaust speakers.

Bibb County Correctional

The warden doesn't care about holocaust speakers.

As The Arsonist Trial Draws Closer

You have three Jewish students that are alleged to have burned down nine churches, and the citizens of Alabama are thirsty for justice. The only thing that stands between the three arsonists, and a 45 year jail sentence, is a wave of public opinion.

Dr Lipstadt will be the first of many advocates, that are expected to promote the students as wonderful young men, that were just on a lark.

Lipstadt To A Methodist College

4/25/2006 - Dr. Deborah Lipstadt is flying in to address Birmingham-Southern College on Yom HaShoah/Holocaust Commemoration. Deborah Lipstadt visits Birmingham Southern, the college that church arsonists Russell Lee Debusk and Benjamin Nathan Moseley attended.

Alabama Governor Riley

He has signed off calling these 'Felony Arsonists' a bunch of young college pranksters from good families.

Alabama Attorney-General Is Trouble For Arsonists

Troy King is the arsonists' worst nightmare. An independent 'Law and order' type, he has openly stated he expects these felons to run, and he has issued arrest warrants if they get federal bail.

Alice Martin, a black U.S. Attorney for the Northern District of Alabama, plays watchdog against any special interests.

County Prosecutor Is Real Trouble

Michael Jackson, District Attorney for Bibb County, said Debusk and Moseley will face federal hate crime and civil rights violation charges, as well as state charges of arson, burglary, criminal mischief and, possibly, charges of cruelty to animals.

Possible drug charges, and injury to a fireman.

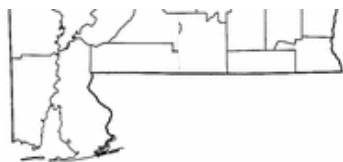

Bibb County

Bibb County is home to 21,000 people, and many of them are extremely poor. They care less about fancy college kids, and holocaust speakers. I doubt the media told them that their taxes paid for Debusk's state scholarship.

They saw three rich brats that killed their cows, shot 30 deer, leaving them to die,

and burned down
nine of their
churches.

Charges could
include:

- DUI
- Drug possession
- Criminal Mischief
- Burglary
- Fireman injured
- Civil rights violation
- Poaching
- Cruelty to animal
- Arson

Jail Will Be Eye-Opener

Alabama jails are not a pleasant place. Nathan Moseley, DeBusk, and Cloyd will flee to Israel if they get bail.

This Will Be A Hollywood Production

The Governor has already signed off, but the State Attorney won't give in. The District Attorney is pushing for prosecution of hate crimes, arson, burglary, and civil rights. The D.A. is elected by a 21,000 vote constituency, and they are hurt and angry. They elect him, not the New York holocaust crowd.

virtually all news of these church burnings has disappeared from the media ...the cover-up for these Jewish boys is now in full swing.

One has to ask why the TV preachers, who reach national audiences do not speak up, if they themselves are not in on the cover-up.

I doubted at first that the kids were jews, until the about an hour after they were caught and all media coverage suddenly disappeared down the memory hole like nothing happened.

Just like I saw hundreds of stories now, about some henious crime, that turned out to be committed by jews and then suddenly disappeared.

The fact that the holohoax seller shows up on campus is irrefutable proof now that the perpetrators were indeed jewish.

The fact is, while a small thief who steals a fishing hook will be punished by death , those who steal entire countries become become kings and dukes.
