israel destroys water well in Bethlehem

Wait - don't tell me.

Children - I mean, militants - were refilling water pistols at the well and using Bethlehem as PR cover for Christmas.

[Israeli bulldozers destroyed this morning a water well in the West Bank city of Bethlehem](#), Palestinian Agricultural Relief Committee said.

It added that an Israel bulldozer destroyed a water well in Wadi Abu al-Hassan area, west al-Khader town of Bethlehem, which irrigates arable trees in the area.

Israeli authorities have recently stepped up provocative acts against citizens and their agricultural lands in Ein al-Qassis, Wadi al-Ghweit and Wadi al-Batma.

Meantime, A child died Saturday morning of wounds he sustained during Israeli artillery shelling to citizens' houses in the Gaza Strip city of Jabalia , medical sources said.

Hospital sources reported that the child Ayman Abu Hadi 10, was hit in the head [on November] 24 and was hospitalized in Israeli hospitals, where he died today at hospital.

Isn't that generous of them - cause his injuries, then let him die in their hospital.

Let them live in peace and they'll never step foot in your God-forsaken hospitals.

[No wonder there doesn't](#)

No wonder there doesn't appear to be any God in this world. His "Chosen" are violating all of His laws, but doing so in His name.

I don't care if it is true that He promised them that land. Let Him deliver it, when He feels they are worthy enough to have it. You can't go and violate all the laws of your religion and fulfill a prophesy through force. You just can't. Before a prophesy can be fulfilled certain things must be in place. Those things cannot be forced, especially through violent means. They must happen "naturally". God didn't say "Destroy all peoples and thou shalt be heirs to thine kingdom."

But anyway, back to there being no God in this world. He is ashamed. Ashamed of this sibling rivalry between the 3 major religious factions. that worship the same God, in which they all fight amongst each other to be favored in Father's eyes. Why would He show Himself to this?

Times were better when the world worshipped female gods. Life, Nurturing, Love were emphasized. They worshipped the womb. With male gods Wrath, Vengeance, Violence, Fear reign. Now we worship the phallus. You see it everywhere. Especially in weaponry.

[Israelis Killing Palestinian Children](#)

There have been a lot of children killed by the Israelis in Gaza the past few months. In Lebanon last summer, a higher percentage of children died than in other modern wars.

I think the Israeli strategy is to kill as many Palestinian and other Arab children as possible. What they're trying to do is wipe out the next generation, with their ultimate goal to eliminate all non-Jews from Palestine.
