Israel, caught again with its hand in the cookie jar

"[They're singing for their supper](#)," Ney lawyer Mark Tuohey said of Abramoff, Volz, Rudy and Scanlon.

Maybe so. But, that doesn't mean it's not TRUE.

A former top aide to Rep. Bob Ney, R-Ohio, pleaded guilty Monday in the Jack Abramoff influence peddling scandal, admitting he conspired to corrupt Ney, his staff and other members of Congress with trips, free tickets, jobs, meals and campaign events.

* * *

Volz, 35, worked for Ney from 1995 until early 2002, when he went to work for Abramoff.

Are these accusations accurate? U.S. District Judge Ellen Segal Huvelle asked Volz during a court proceeding.

"Yes, your honor," Volz replied.

"Mr. Volz, how do you wish to plead?" asked the judge.

"Guilty, your honor," Volz replied. Volz faces up to five years in prison and a \$250,000 fine.

This isn't some pro se defendant with no means of effective representation. When he agrees to face consequences like these, he does it because he KNOWS he doesn't stand a chance even with the best attorneys.

The court papers did not detail the conduct of other congressmen, but it said that Ney, acting with Volz and others, agreed to:

- Sponsor legislation to *lift a ban against commercial gambling* by the Tigua Indian tribe, an Abramoff client in Texas.
- Sign a letter *opposing creation of a commission to*

study Indian gambling.

- Assist Abramoff in *obtaining government property for Abramoff's private school in Maryland.*

And that's not all . . .

Among the projects on which Volz worked was *securing a contract for Foxcom Wireless, an Israeli communications company, to improve cell phone reception in House office buildings.*

Improving cell phone reception, eh? Caught again with your hands in the [communications cookie jar](#).

In a conference phone call with reporters, Ney's lawyers acknowledged that the congressman met with Abramoff about a wireless contract for the House buildings.

The lawyers added that Ney, then chairman of the House Administration Committee, also met with Haley Barbour, now the governor of Mississippi, who was lobbying for a competing firm at the time.

Ney has said he would have been within his rights to award the contract on his own, *but instead held an open competition and awarded it based on merit to the firm represented by Abramoff, Foxcom Wireless.*

Yeah, right.

Some people [just can't get enough](#).

And the web continues to unravel.

I can't wait to see where this trail ends. But, something tells me we won't be surprised.

Jew-Oligarchal Infighting, Antics, In Spenglerian "Decline" Cyclic Phase

Yes, but now the problem has already achieved "critical mass" by which stupid Jews are now foremost in eyes of so many, perhaps now approaching significant majority. Topmost Jew-oligarchal masterminds hope lower-level Jews and Israel will keep gentile attention.

Fail-safe then for topmost Jews of Council on Foreign Relations (CFR--see JBS.org) will then throw the Zionists and Israel to the proverbial wolves, also as neat diversion to their getting away. (People love to hate Jews so much.)

Antisemitism is now a given, but still is mere negative. What will lead as positive rationalistic ideal?--it must be OBJECTIVITY, a reality that is created and done, not to be affected by any subjectivist wishful thinking, lying, or well-intended frauds like the Federal Reserve Bank counterfeiting scam.

Still the present old-folks, still collecting their social security checks, want to "BELIEVE" the "gravy-train" can be preserved, these elders making up so much of the Bush II constituency die-hards, the "Judeo-Christians" (JCs--see Whtt.org) led by stooges like Falwell, Robertson, Limbaugh, O'Reilly, et al.

CONCLUSION: Thus the cultural disease--subjectivism in general, then specifically the disease "carrier," Jews, is isolated and placed under observation, surely a fatal stage in cyclic history and "Decline of the West." Now is the time for journalism, analysis, and blogging-information leading to a cultural Plan For Liberation. Honest elections and death to the Fed. Thor
