Israeli Penetration of American information systems

World Trade Center Towers (WTC) September 11 :

1) The first suspects arrested in connection with the attack were caught cheering as the towers fell, were Israelis, later identified as Mossad agents. The arrested spies worked for Urban Moving Systems, whose Israeli owner promptly fled to Israel where he was safe, the Israeli government blocking any local investigations into him..

2) Coupled with the spies themselves was the discovery of a massive phone tapping operation carried out by yet another Israeli company contracted to place phone tapping equipment on the US phone system to aid US law enforcement authorities.

3) It is also to be noted that an Israeli-based private communications company, Amdocs was also a prime suspect in the September, 11 attacks may have managed to stay ahead of any U.S. law enforcement and counter-intelligence agencies, by knowing who and when investigators are calling on the telephone. This is accomplished by obtaining and analyzing data that is generated every time someone in the U.S. makes a telephone call. (see: "How2 Read Your Mind")

Most directory assistance calls, and virtually all call records and billing inside the U.S. are done for the telephone companies by Amdocs Ltd., an Israeli-based private telecommunications company.

At that time, Amdocs has contracts with the 25 biggest telephone companies in America, and even more worldwide. The White House and other secure government phone lines were protected, but it was virtually impossible for any American to make a call on any American phone without generating an Amdocs record of it.

4) In 1999, the National Security Agency, issued a Top Secret Sensitive Compartmentalized Information report, TS/SCI, warning that ****records of calls**** in the United States were getting into foreign hands – in Israel, in particular.

5) And this same agency strongly suspected that Israelis were using that very same system to listen in on the phone calls of Americans when high profile drug investigations into Ecstasy rings (run by the Israeli organized crime) were derailed using information only obtainable from police phone calls. In the Kenneth Starr report, it is reported that Bill Clinton was aware that an unnamed foreign power had made recordings of his phone sex sessions with Monica Lewinsky.

6) In the end, three Israeli companies with deep penetration of the American communications infrastructure were implicated in the phone and internet tapping scandal. One of these companies, Odigo, had an office near the World Trade Towers, and received a two hour advance warning of the impending attack. Two hours means the warning was sent before the planes that eventually crashed into the World Trade Towers had even left the ground on their final flights!

7) Someone knew of the plan, someone who decided they needed to warn Israelis working for a company linked to Israel's spying operation.

Conclusions

- 1) The CIA, concerned that their continuing silence about full knowledge of this terrorist attack, long before it occurred, might later be used by their Mossad informants as a form of blackmail, now informed both the anti-terrorist section of the Department of State, the FBI and the INS about Almihdhar and Alhazmi, who were then immediately put on a watch list as presumed members of Qaeda.
- 2) All of these reports were duly passed to the top leadership of the CIA, the Department of Justice, the U.S. military intelligence organs via the Department of Defense and, last but by no means least, directly to the officials in the White House who headed the National Security Section and who reported directly to the President on a daily basis.
- 3) When George W. Bush discovered that what he called "traitors," and the Vice President called "dissident elements," in the CIA that threatened to release CIA files showing very clearly that the top leadership of the United States had been well, timely and fully informed by the Mossad about the pending attacks, he sacked George Tenet, the DCI **but only after the latter agreed to destroy over a hundred highly secret CIA files in toto.**
- 4) The quid pro quo for this was that Tenet would resign "with honor" and be presented with the Medal of Freedom by the President himself.
- 5) It has become evident that the Bush Administration has done everything within its power to block any official investigation into the circumstances surrounding the 9/11 attack. In previous matters, such as Pearl Harbor or the Kennedy assassination, the administrations concerned made every public effort to support official investigations, and the American media made every public effort to support findings of the various investigative bodies (but only insofar as these findings supported the administration's views).
- 6) Frantic attempts on the part of the Bush people, and especially on the part of the President himself, to either totally avoid any investigation into the background of the September 11, 2001 attacks or, second best, to completely derail it, does not speak well of its motives, but it certainly highlights their foreknowledge.
- 7) Evidence that the President and his senior staff were fully aware of the impending attacks and made no effort to stop them, issued no timely warnings to American military units to prepare for such attacks and simply awaited them with the full knowledge that they would then be able to attack and occupy Iraq, secure its enormous oil reserves and support Israeli policies in the Mid East is not only circumstantial but direct as well. (see: Google "The Dog That Didn't Bark" at <http://www.WhatReallyHappened.com>)
- 8) The sudden decision of the President to take his top staff with him to Florida where he read "My Pet Goat" to a class of minority children and then show absolutely no emotion when informed that there were massive terrorist attacks against American soil is quite simply not believable but his subsequent panicked flight, not to Washington but to a secure bunker in the Midwest is indeed typical of him. Bush is a physical and moral coward and his actions have never been those of a bold or competent leader.
- 9) Franklin Roosevelt has long been suspected of knowing, through intelligence intercepts, that the Japanese were about to launch an attack against the United States and, wishing to get the United States into a European war, did and said nothing to let the approaching Japanese know he was aware of them and worse, neither Roosevelt or any of his military staff warned the U.S. military commanders at Pearl Harbor or Manila that an attack was in train.
- 10) It is never seriously been put forward that either Roosevelt or Bush actively plotted against the United States for personal or political reasons but by being fully aware, and reliably informed of a pending attack and permitting it, by default, to happen, were indeed guilty of the thousands of deaths that followed.
- 11) There are doubtlessly readers who will assume that the theme of this observation is anti-Semitic. It is not.

12) It is more than clear that the Israeli Mossad penetrated the terrorist groups and even gave them suggestions to enhance their own abilities but one should note, very clearly, that the Israeli government most certainly notified the U.S. government, to include the White House and CIA, in a timely way. It is not the Israelis that are the target of this comment but the U.S. government, at the highest levels.

13) In legal terminology, a failure by one not an accessory, or a duly elected or appointed official, to prevent, or notify, of a felony is called the misprison of a felony and is a serious criminal charge, in the present case, easily grounds for impeachment.

14) "Osama bin Laden and "Al Qaeda" cannot be the organizers nor the performers of the September 11 attacks. They do not have the necessary organization, resources or leaders. Thus, a team of professionals had to be created and the Arab kamikazes are just extras to mask the operation.

15) The September 11 operation modified the course of events in the world in the direction chosen by transnational mafias and international oligarchs; that is, those who hope to control the planet's natural resources, the world information network and the financial flows. This operation also favored the US economic and political elite that also seeks world dominance." General Leonid Ivashov

16) General Leonid Ivashov was the Chief of the Department for General Affairs in the Soviet Union's Ministry of Defense, Secretary of the Council of Defense Ministers of the Community of Independent States (CIS), Chief of the Military Co-operation Department at the Russian Federation's Ministry of Defense, and Joint Chief of Staff of the Russian Armies. He was serving at the time of the 9/11 attacks. BH

SRM:

There are several Critical Factors missing from the above

- 1) Who had access to the WTC towers to plant the explosives? (see Steven Jones 'physics analysis')
- 2) Who ordered the removal of forensic evidence so that it could not be examined?
- 3) Who arranged the 'stand down'" There were 63 previous intercepts for 'planes off course'
- 4) Who arranged to have the "war games" played on the same day?
- 5) Where are the financial transaction records on who placed 'options'
- 7) Silverstein "We said, "lets pull it" - Who and How was WTC-7 pre-rigged to blow?
- 8) What about the thermite? Who placed the thermite?
- 9) How did C Rice know to warn Willy Brown to not fly that morning?
- 10) Where's the 2.3 Trillion missing...that a drop of that (225M) could have been used to repair New Orleans levees?. They still could have stolen \$2.27 Trillion. Why we're the levees repaired in time? (no funds..right)
- 11) Who ever controls MSM is 100% "accessory after the fact" in covering-up and not bringing to full attention
- 12) The American Public is as complicit in hearing and knowing..and not responding with "reasonable effort" to prevent further harm. They have allowed their Fellow Americans to die, the 256 firefighter to die, the 12,000 First Responders
- 13) Why were the Isralie Art Students and 5 dancing Isralies allowed to leave, and that info is now "National Security Gag Order." Who authorized that? On what authority?

14) Where are the video tapes recorded at surrounding gas stations at Pentagon?

15) How did they know to pick those up in minutes..and why were they taken from owners? Why were they never released?

16) How could there only be '5 frames' of video - in the highest electronic/video security building complex in USA (Pentagon)

17) What about the 100's of eyewitness testimony (firemen, public) who heard and saw explosions?

18) 911 was 'basis and reason' for slaughtering 10 of Thousands in Afganistan. They then dropped 3,000 tons of DU in Afganistan. There is now a biological nightmare unfolding right now. They need help.

19) In the atmosphere of 911 'War on Terror', after the lies above about 911...then the lies about "WMD" but ignoring the Downing Street Memos. "Shock & Awe"....watch tonight! Action Movie! Dropped how many Tons of DU there? There is a biological nightmare unfolding right now as you read this. [See: "Footprint in the Sand - II]

20) 911 was basis to destroy Constitution, Patriot Act, Homeland Security, CIA re-organization of power structure, checks and balance in US Govt.

21) It is all based on a lie, and fraud, and apathy, and lack of cooperation and lack of timely response on the part of too many Americans that know better. We/They are as complicit to stand back..from Pearl Harbor, to JFK, to Ruby Ridge, to WACO to OK City...to allow all those fellow Americans to be slaughtered..while we starred, made excuses..and did nothing. And we still are.

22) Google: "Big Dan's Boston Pool Room Rape" "Who's to blame"...the guy rapping the girl on the table while she's screaming for help ...or the 13 'men' standing around ...watching it? Who really is the criminal?

23) s a consequence of of Yugoslavia, Kosovo, Gulf War i, Afganistan, Iraq ...now Lebanon - get this: a radiosity...a radiation equivalent of 400,000 Nagasaki bombs have been dropped by these same people. A biological nightmare is unfolding on Planet Earth....right now. What i call a "Genetic Forrest Fire"...out of control.

What does it take to wake people up to respond and pull together? Who's the Criminal? Israel....? George Bush... or the American People standing around watching them Rape the World...while ignoring the screams...

Who really is the criminal here? How much more are they going to have to see...to know to take action, all actions....NOW.

Get real.
