Israeli Spy Scandal Widens

It can now be reported that major political and media types are now being linked to an expanding spy scandal tied to the MOSSAD riddled Pentagon and the procurement and theft of U.S. Treasury Funds designed for the expenditures of the War In Iraq.

Grand Jury sources have now fingered former Republican Senator James Thompson (R. Tenn. Gay-in-the-closet) along with current Republican Senator Conrad Burns of Montana (gay-in-the-closet) as major targets of the FBI Justice Dept. inquiry.

Also linked is current Speaker of the House Dennis Hastert (wife does not live with him anymore) and Curt Weldon (R. Penn.) now being linked to major 9-11 cover-up aka Stephen Cambone notes.

The aforementioned along with Feinstein and Harmon are also tied to the inquiry. Included now is Mark Halperin (closet gay), an ABC Mickey Mouse reporter. Halperin is a Bush Clinton Crime Syndicate stooge is now being looked at vis a vis his relationship with noted Mega MOSSAD operative Rahm Emanuel (D. Ill.)

Reference: Halperin's father Maurice

Halperin, worked for OSS, CIA and was eventually fingered as both a Nazi agent and a Soviet spy. Maurice Halperin helped spy on U.S. Secretary of State Dean Atchison in the Truman Administration. Like father, like son. Halperin's handler is Rahm Emanuel and Halperin has also been linked to the anti-Gore, Matt Drudge, Mark Irwin frame-up team run by former so-called Independent Counsel Kenneth Starr. Note: Matt Dredge is also another gay in the closet.

Connecting these dots is an FBI tape from a sting operation directed against the Office of Homeland Security at the Shelby Hotel, Washington, D.C. It can now be reported that the head of the Dept. of Homeland Security Mega MOSSAD Michael Chertoff was overheard discussing payments and bribes for various media and political types. Who cooperated in the sting? None other than noted Mega MOSSAD disgraced lobbyist Jack Abramoff.

HOW DARE YOU? YOU TYRANTS AND CONSPIRATORIAL QUEENS.

It can now also be reported that targets of this Inquiry are Marvin Rosen and Mel Sembler. Rosen and Sembler, fund-raisers for both Hillary (Closet gay, Closet Republican) Rodenhurst-Clinton, Frist (R. Tenn.) and media pet Osama Obama. Rosen worked with Sembler on various election fraud projects in the Year 2000 linked to Bay Point Schools, aka the overthrow of Albert Gore's election as U.S. President.

And, of course it gets worse, the procurement fraud linked to Blackwater/Blackstone (British Intelligence run company), and Israeli Odigo are now being looked at vis a vis kickbacks to major extortion-friendly political media

types.

Two companies now under this microscope. One is linked to Ken Mehlman, Republican National Committee Chairman (Closet gay). The company is linked to child pornography called Marina Pacific Distributors. The other is an Israeli Mossad operation called Global Transmission Shipments. Both are linked to cost overruns and kickbacks out of the Pentagon that then show up as campaign contributions.

We now know where the \$800 million dollars went that was missing from the Central Bank of Iraq. Ask Stephen Hadley if he is picking up his cheque today while in Baghdad.

P.S. Rasmussen Survey now says only 31% of the American People would ever consider voting for Hillary (Lesbian-in-the-closet) Rodenhurst Clinton for President. Question: Does that include Mark Halperin or John Harris?

PPS Thomson, ex-Senator from Tennessee, is not only linked to the Victor Ashe, George W. Bush and the Coker Tennessee Republican Homosexual mafia, but it can now be reported that Thompson (R. Tenn.), now an actor in Hollywood, was also listed as a client on the now famous Heidi Fleiss whorehouse list.

Conrad Burns (gay in the closet)! Who opened the doors for him? None other than his pimp, Barney Frank (D. Mass.).

Note Frank is now being considered by Cox former Republican of California, as the individual who should coordinate settlement of the Wanta funds aka the appointment of a federal regulator to negotiate with both the US and Europe.
