

The Story Of Leo Wanta 'The 27.5 Trillion Dollar Man'

The Key Question Looms: Will The Illuminati Banksters Get the Money First Or Will The American People Get It, As Wanta Is Legal Guardian And Trustee On Behalf Of The People Of The United States

According to a 2003 federal court ruling by a courageous judge from Virginia, Wanta has been authorized as legal guardian of the vast sum of money made from profits at the end of the Cold War. In one of the most important stories of our time, Wanta holds the 'financial key' to the vast criminal Illuminati banking network and he says with the help of the American people their system can be destroyed.

The only thing standing in the way of life and death for Ambassador Leo Wanta is he "knows where the money is hidden" and the Illuminati banksters don't.

A former U.S. Treasury official appointed trustee to a large sum of money by President Ronald Reagan, Wanta holds the financial "golden key" to 27.5trillion dollars, money he says now held in public trust for the American people.

To back up Wanta's trustee status as protector of trillions, a federal judge in Alexandria, Virginia, in 2003, ruled in his favor, saying Wanta's trustee status is legally binding and the money is rightfully the property of the American people.

The federal court case, however, has left federal prosecutors in a perplexed state of mind, as they have not yet officially appealed the ruling, perhaps thinking it is better to let "sleeping dogs sleep" until they get their 'cooked ducks or judges in the right government pond."

But the real problem, as it stands today and why the money remains in limbo, is simply if Wanta returns the money to the U.S. Treasury, it will be immediately hi-jacked from the people and put into private Illuminati bank accounts since under the present Federal Reserve and the national banking system, there are no laws protecting the American people's money.

"Dutch (President Reagan) always intended the money be returned to the American people to be used for roads, schools and health care,"

said Wanta last Thursday on Greg Szymanski's radio show, the Investigative Journal, where the former Ambassador spoke for two hours while still being held under house arrest in his Switzerland home.

During the interview that can be heard in full by going to The Investigative Journal archives at *www.rbnlive.com* <<http://www.rbnlive.com/> , Wanta literally blew the lid off the Illuminati's world wide banking scam, as well as providing detailed information about how Illuminati banksters with help from the Bush crime family and former President Clinton have already hijacked 752 billion dollars in what has been called by European investigators "the biggest bank heist in world history."

Besides the large sums of money at stake and the need to revamp the Federal Reserve and national banking laws to protect the public not private interests, Wanta's story involves undercover intrigue and espionage at the highest levels, providing a mystery story better than any Hollywood movie can offer.

Behind following the money, his story involves saving President Reagan's life in a little known assassination attempt left unreported in the mainstream press (see rbn interview), authority to arrest Marc (Reich) Rich, a meeting with Vince Foster just prior to his untimely death and just prior to Wanta being placed in a Swiss dungeon for 134 days when he confronted Rich, who was allowed to go free through White House connections.

To better understand Wanta's role and the importance of his story, not to mention how 27.5 trillion dollars could provide a good jump start to the American economy, it's best to go back to his original assignment in the Reagan administration at the time the Cold War was coming to a close.

At this time, Wanta, a distinguished US Secret Service/Treasury officer was the primary US Financial Warfare officer engaged in operations to "collapse" the Soviet Empire through financial maneuvers to prevent the Soviet military devoting larger resources to military expenditure.

For his financial plan which destabilized the Russian currency and resulted in huge dollar profits, leading into the 27.5 trillion in trust, instead of being recognized for his service, he was set-up by the Clinton's and the Bush crime family after being released from the Swiss jail, sentenced to a 22 year jail term on bogus Wisconsin state income tax evasion charges

Although recently released and protected in a sense by the 2003 federal court ruling in his favor, Wanta has languished much of the time since 1993 in jail and now under house arrest, the primary reason for his predicament being he audited the Illuminati's giga-financing operation of 1989-92 too accurately for the liking of certain high-level official crooks controlling the purse strings.

Regarding the Rich arrest in Switzerland and his meeting with Foster, Wanta said this on The Investigative Journal last week:

"I was named Ambassador from Somalia to Switzerland and Canada as a cover to arrest Rich. When I go there, I found myself in a Swiss dungeon and Rich was set free. Foster was also there on behalf of the Clinton's, asking for \$250 million to be used for The Children's Fund, which Hillary was the chairman. I thought it was to be used for a good cause so We gave him the money.

"Later Vince attempted to help me out of my situation, but I was later notified he was found dead and I never found out what happened to the \$250 million."

Although Wanta had no idea what The Children's Fund was all about, later a financial investigator, Marco Saba of the Organized Crime Observatory in Switzerland wrote this about turned out to be a secret fund:

"One component of this information concerns the activities of the CIA operative known as Mrs Hillary Rodham Clinton. For some years prior to the elevation of her husband, Bill, a CIA operative like his "CIA wife", Hillary had been in control of an organization calling itself the Children's Defense Fund. Executive Order 12333 (1981) of President Reagan, the US intelligence services were authorised to operate what became known as Title 18, Section 6 USG corporations for intelligence purposes, and to deny any intelligence community connection (that is, to lie about their real purpose). Some of these entities have touchy-feely, welfarish titles, like The Children's Defense Fund. It is alleged, un the basis of intelligence community leakages, that Hillary became accustomed to treating this fund as her own private slush fund."

However, behind the scenes of Rich, Foster and the Clinton's, a bigger game of world politics and deception was being played out, as Wanta unknowingly was caught in the middle of the U.S./Soviet double-cross of the American people, as the two collaborated to bring about an orchestrated fall of the Soviet Union.

An excerpt from an article from the Centro Studi Monetari, Arab-Asian Affairs, Vol. 29, Numbers 8&9, December 2005, explains the backstabbing and double-crossing going on behind the scenes when the Cold War was being orchestrated to a close to serve the purposes of the demonic Illuminati powers pulling the strings behind the scenes, as Wanta unknowingly serving patriotic U.S. interests was in the middle of the whole mess:
