

Mandatory Draft Bill Snuck In - To Be Debated 6-6-6

6-4-6

On February 14, 2006, Congressman Charles Rangel (Democrat - NY) introduced a bill (Universal National Service Act of 2006 - HR 4752 IH) aiming at drafting everyone - men and women alike - from the ages of 18 to 42 into the military for a minimum period of 2 years.

Or to quote the bill: "To provide for the common defense by requiring all persons in the United States, including women, between the ages of 18 and 42 to perform a period of military service or a period of civilian service in furtherance of the national defense and homeland security, and for other purposes."

The House is to convene on June 6 (06/06/06] to debate and possibly adopt this bill, that is, unless a vast public outcry succeeds in derailing this insanity, which you can do by writing a letter of protest to your congress person through
