

# Lebanon Leader Assassinated

Lebanese Industry Minister Pierre Gemayel

## The Invisible Hand Of The Mossad

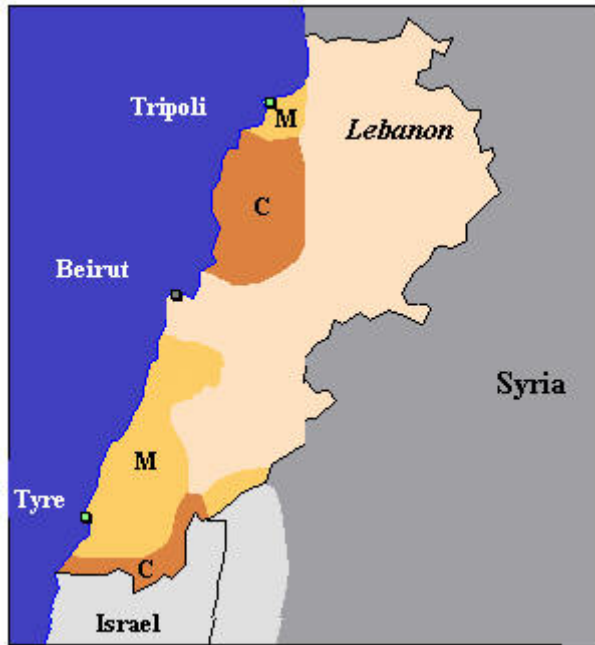

## Rafik Hariri's Son Wants A Long Life

He says Syria did it

### The Question Is Who Benefits?

Syria, and or Iran, didn't do it. Syria supplied 18.000 troops for over twenty years to protect Lebanon from Israel. Why would Iran want to see a civil war in Lebanon.

C= Christian      M = Muslim

## The 1975 Civil War

Israel fomented a civil war to divide the nation and allow it an opportunity to install the rulers. In 1976, the [Arab League](#) intervened to stop the bloodshed, and authorized Syria to send 40,000 troops to keep the Christians and Muslims from killing each other.

### War Pitted Christians Against Muslims

The [Christian Maronites](#) are approx. 30% of Lebanon, and are Israeli allies.

Bashir Gemayel was the 33 year-old Maronite leader, who Israel promised they install to be Lebanon's President.

### September 12

Israel kept its promise and [Bachir Gemayel](#) became Lebanon's President. On September 14th, Gemayel, as well as 25 of his staff, were killed when a [massive bomb](#) took out their headquarters.

### September 14

His enraged followers killed the PLO's 3000 women and children in two refugee camps.

## Bachir's Brother Becomes President

He was president of Lebanon from 1982 - 1988. Bush supports him for a big UN position.

### **Bush Blames Syria**

George W. Bush accused Syria and Iran of fomenting violence and instability in Lebanon.

Earlier this month, Washington issued an unusually public warning over "mounting evidence" that Iran, Syria and the Shiite militia Hezbollah were plotting assassinations as part of a plan to topple Siniora's government.

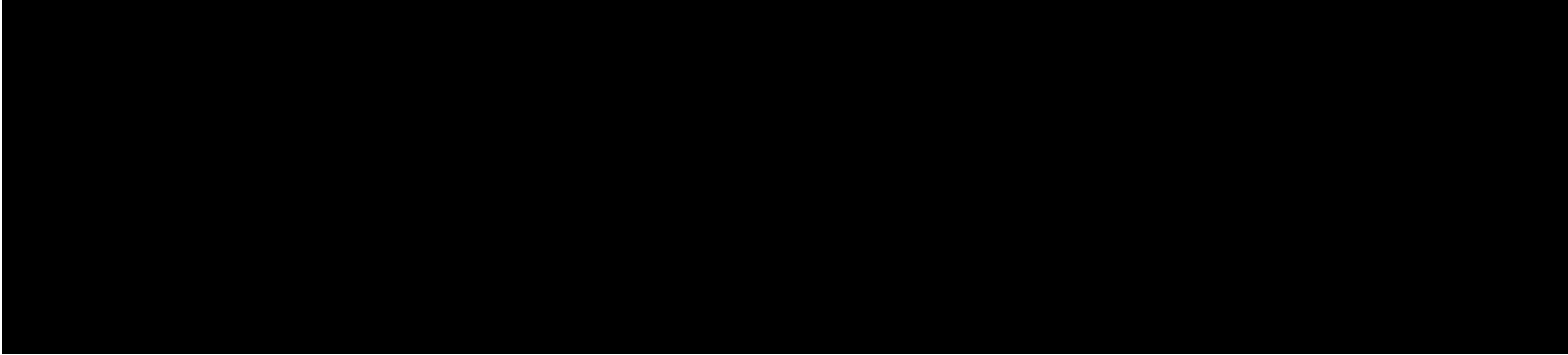

### **Bolton - A Zionist Blowhard**

He shouted down the UN when they condemned Israel for the [Beit Hanun](#) massacre. During Israel's Lebanon slaughter of [orphanages](#), and [UN observers](#), this clown said nothing.

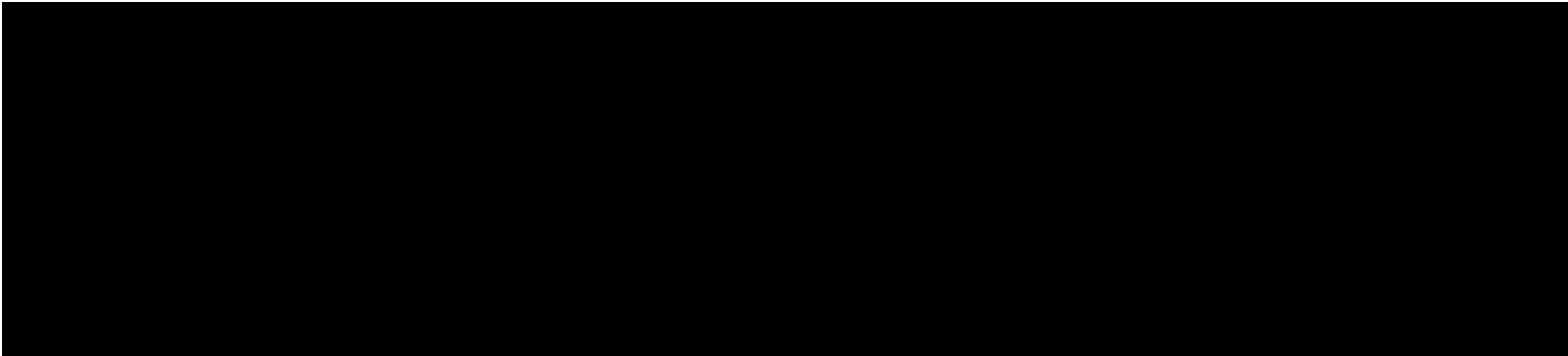

## Israel's Reaction

Who would do such a thing!

## Who Assassinated Hariri?

Even the biggest Zionist poodles could figure that out after Israel's brutal massacre in the summer of 2006. The [invisible hand](#) killed him.

## Israel Wants A Lebanon Civil War

Now, after this assassination, the Phalange Christians will fight the Muslims, and the CIA financed Hezbollah, will fight them both. Just look at all the cars when you drive to work, if the silly Arabs ever decided to unite, they could rule the world.

If Egypt, Syria, Lebanon, Iraq, Iran, Kuwait, and the Saudis ever stood together with their wealth, they could bury Israel. The Zionist trait of orchestrating civil wars so their enemies destroy each other, has always been the heart of master plan.
