IDENTIFY THE ENEMIES OF THE AMERICAN REVOLUTION IN THE 21st CENTURY® WITH TOM HENEGHAN

MAY 17, 2006

UPDATE LIBBYGATE A.K.A. MOSSADGATE

Scooter Libby (currently under indictment for perjury and obstruction of justice) was assisted yesterday in avoiding his 24 hour surveillance, ordered on him by Special Counsel Patrick Fitzgerald, by a team linked to the American Gestapo a.k.a. a F.B.I. Div. 5 team out of Denver, Colorado, so Libby could attend a secret meeting.

(Note: Libby is currently the attorney for noted swindler **Marc Rich** and Mossad agent who was pardoned by Daddy Bush's Bitch Bill Clinton.)

This F.B.I. gang is directly linked to **Rahm Emmanuel** (D. Ill.) current head of the North American Mega Mossad desk. Attending this secret meeting with Libby was Rahm Emmanuel along with **Eliot Abrams** (ex-Bush-Clinton Iran Contra Player) as well as noted Nazi-Mossad sympathizer Miss **Susan Thomases**.

The discussion centered around identifying domestic enemies of the Bush-Clinton-Mossad Crime Syndicate.

(Note: Miss Susan Thomases, is a noted stooge of **Hillary Republican-In-The-Closet Clinton-Rodenhurst**, the Heidi Fleis of British Crown Geopolitics.)

Names on this political enemies list include current Democratic Chairman **Howard Dean**, current Republican Senator Hagel (R. Neb.) as well as Patrick Leahy (D. Vt.). Others on the list include Helen Thomas, current White House correspondent, as well as former U.S. V.P. and now duly elected U.S. **President Albert Gore Jr.**

It can now be reported exclusively that Israeli Spy-Master **Dirty Rafi Eitan** currently in Cuba, actually conducted this videoconference with Libby and the others mentioned above, from a hotel room in Havana, Cuba. (Note: Eitan's handler is noted former Israeli P.M. Netanyahu. Netanyahu, Brooklyn-born, specializes in blackmailing and bribing the U.S. Congress. Reference Israeli Mossad U.S. **Odigo** Cellphone Contract.)

And, of course, it gets worse. Libby and his Mossad assassination teams has been linked to a British MI6 New Zealand plot to assassinate **Valerie Plame** in Paris in Oct. 2005. French Intelligence and their ability to monitor conversations linked to former U.S. Secretary of State **Colin Powell** foiled the plot.

The Valerie Plame (U.S./French) team had fingered the narcotics cocaine Mossad money laundering linked to Grapevine, Texas, Miami, Florida with direct connections to the *Saudi Royal family* and alleged Al Qaeda.

A current Justice Dept. investigation has now been triggered involving this narcotics laundering fingering **Porter Goss, Kyle Dusty Foggo** and **Bernard Wilkes**. Reference WhorehouseGate.

This all dovetails to New Jersey **Urban Moving Systems** and the financial spreadsheets that fingered the British-Yiddish filth to the activities at the **American Turkish Counsel** a.k.a. 9/11.

P.S. Normal diplomatic relations with Cuba will remain on hold since **Castro** is paid billions of dollars for allowing the **NSA/Mossad** to use Havana, Cuba as a major British-Yiddish outpost.

Note: Former Governor of Illinois **George Ryan**, now convicted felon operated as a Bush-Clinton Bagman delivering money to **Castro**. Further note, Fitzgerald is the prosecutor that busted Ryan.

PPS – *Haliburton* financed detentions centers a.k.a. concentration camps on American soil are now operational. As Bitch and Bush plan a biological 9/11 #2 a.k.a. Bird Flu. Note: A Bird Flu vaccine in storage in the State of Michigan at a company called Bioport has now been linked to cancer in various tests on animals. Bioport is linked to Bristol, England with half the stock held by Dunblaine Pedophile Tony Blair, current British P.M. It must be said that Bush and Bitch plan to deport American citizens to the Haliburton Detention Centers who refuse to take the Bird Flu vaccine.

PPPS – *N.S.A. Death Spy List* a.k.a. a Bush Political Enemies List is now in possession of compromised U.S. Generals that run the detention centers in Yuma, Arizona.

Suggested response to this treason and this filth, a U.S. prisoner of war camp should be set up at Yorktown (site of U.S./French Revolutionary War Victory). Suggested prisoners to be taken include criminal reprobate Rupert Murdoch of Fox News as well as British agent and assassin Richard Mellon Scaife of Pittsburgh, Pennsylvania.

CONSPIRATORIAL KINGS.

Question for the Day:

What is a conspiracy theorist?

Answer: A U.S. Network National Security correspondent who is paid millions of dollars to day trade stocks in Singapore with the assistance of the N.S.A. and makes up bogus spy polls on toilet paper at the U.S. House of Representatives bathrooms. These alleged reporters also believe that Bush was elected President in the Year 2000 with 700,000 less votes. They all own stock in *Choicepoint Software*.
