*I am always amazed at how few people understand why America is constantly bombarded with information about the so-called holocaust, about the ``need`` for war (esp. in the interests of Israel!), about the `chosen` people, and the complete lack of a debate about such subjects in the media.*

### GENERAL OVERVIEW OF MASSIVE JEWISH PRESS OWNERSHIP

Here are some quotes from a magazine for Jews called "Moment". It is subtitled "The Jewish magazine for the 90's". These quotes are from the Aug 1996 edition after the Headline "Jews Run Hollywood - So What?": "It makes no sense at all to try to deny the reality of Jewish power and prominence in popular culture. Any list of the most influential production executives at each of the major movie studios will produce a heavy majority of recognizably Jewish names."

"The famous Disney organization, which was founded by Walt Disney, a gentile Midwesterner who allegedly harbored anti-Semitic attitudes, now features Jewish personnel in nearly all its most powerful positions."

The head of Walt Disney studios is now the Jew Michael Eisner.

On studios that were bought out by the Japanese the magazine says:

"When Mitsushita took over MCA-Universal, they did nothing to undermine the unquestioned authority of Universal's legendary - and all Jewish - management triad of Lew Wasserman, Sid Scheinberg, and Tom Pollack."

Here are some quotes from the paper "Jews Control the Media and Rule America"

"American Broadcasting Companies (ABC), Columbia Broadcasting System (CBS), and National Broadcasting Company (NBC). Each of these three has been under the absolute control of a single man over a long enough period of time-ranging from 32 to 55 years-for him to staff the corporation at every level with officers of his choosing and then to place his imprint indelibly upon it. In each case that man has been a Jew.

"Until 1985, when ABC merged with Capital Cities Communications, Inc...the chairman of the board of directors and chief executive officer (CEO) of the network was Leonard Harry Goldenson, a Jew...In an interview in the April 1, 1985 issue of Newsweek, Goldenson boasted 'I built this company (ABC) from scratch.'"

"CBS was under the domination of William S. Paley for more than half a century. The son of immigrant Jews from

Russia..." "There has been no move by top G-E management to change the Jewish "profile" of NBC or to replace key Jewish personnel. To the contrary, new Jewish executives have been added: an example is Steve Friedman..."

"The man in charge of the television entertainment division at CBS is Jeff Sagansky. At ABC the entertainment division is run by two men....nearly all of the men who shape young American's concept of reality, of good and evil, of permissible and impermissible behavior are Jews. In particular, Sagansky and Bloomberg are Jews. So is Tartikoff. Littlefield is the only Gentile who has had a significant role in TV entertainment programming in recent years."

"American Film magazine listed the top 10..entertainment companies and their CEOs...Time Warner Communications (Steven J Ross, Jew) Walt Disney Co. (Michael D. Eisner, Jew)...Of the 10 top entertainment CEOs listed above, eight are Jews."

"The Newhouse media empire provides an example of more than a lack of real competition among America's daily newspapers; it also illustrates the insatiable appetite Jews have shown for all organs of opinion... The Newhouse's own 31 daily newspapers, including several large and important ones, such as the Cleveland Plain Dealer, the Newark Star-Ledger, and the New Orleans Times-Picayune; the nation's largest trade book publishing conglomerate, Random House, with all its subsidiaries; Newhouse Broadcasting, consisting of 12 television broadcasting stations and 87 cable-TV systems, including some of the countries largest cable networks-the Sunday supplement Parade, with a circulation of more than 22 million copies per week; some two dozen major magazines, including the New Yorker, Vogue, Mademoiselle, Glamour, Vanity Fair, HQ, Bride's, Gentlemen's Quarterly, Self, Home&Garden...."

"Furthermore, even those newspapers still under Gentile ownership and management are so thoroughly dependent upon Jewish advertising..."

"The New York Times, the Wall Street Journal, and the Washington Post. These three...are the newspapers which set trends and guidelines for nearly all others. They are the ones which decide what is news and what isn't, at national and international levels. They originate the news; the others merely copy it. And all three newspapers are in Jewish hands...The Suzberger family also owns, through the New York Times Co. 36 other newspapers; twelve magazines, including McCall's and Family Circle..."

"New York's other newspapers are in no better hands than the Daily News. The New York Post is owned by billionaire Jewish real-estate developer Peter Kalikow. The Village Voice is the personal property of Leonard Stern

"There are only three newsmagazines of any note published in the United States: Time, Newsweek, and U.S. News & World Report...."

The CEO of Time Warner Communications is Steven J. Ross, and he is a Jew.

"Newsweek, as mentioned above, is published by the Washington Post Co., under the Jewess Katherine Meyer Graham..."

"U.S. News & World Report... owned and published by Jewish real estate developer Mortimer B. Zucherman..."

" The three largest book publishers...Random House... Simon & Schuster , and Time Inc. Book Co....All three are owned or controlled by Jews...The CEO of Simon & Schuster is Richard Snyder, and the president is Jeremy Kaplan; both are Jews too."

"Western Publishing...ranks first among publishers of childrens books, with more than 50 per cent of the market. Its chairman and CEO is Richard Bernstein, a Jew." "Jewish spokesmen customarily will use evasive tactics. "Ted Turner isn't a Jew!" they will announce..."

"We are doing more than merely giving them a decisive influence on our political system and virtual control of our government; we also are giving them control of the minds and souls of our children..."

*and porn*

*Interesting that should be brought up....*

*"A story little told is that of Jews in Hollywood's seedier cousin, the adult film industry. Perhaps we'd prefer that the 'triple exthnics' didn't exist, but there's no getting away from the fact that secular Jews played (and still continue to play) a disproportionate role throughout the adult film industry in America. Jewish involvement in pornography has a long*

history in the United States, as Jews have helped transform a fringe subculture into what has become a primary constituent of Americana. These are the 'true blue' Jews. Smut peddlers

Jewish activity in the porn industry divides into two (sometimes overlapping) genres: pornographers and performers. Though Jews make up only two percent of the American population, they have been prominent in pornography. Many erotica dealers in the book trade between 1890 and 1940 were immigrant Jews of German origin ...

To a certain point, Buchanan is correct. If you read the credits of porn movies, many are acted and directed by Jewish individuals. Many of cable tvs "soft erotica" shows are Jewish made. Those whom control the music industry are Jewish

Al Goldstein, the publisher of Screw magazine, said (on <http://lukeford.com>), "The only reason that Jews are in pornography is that we think that Christ sucks. Catholicism sucks. We don't believe in authoritarianism." Pornography thus becomes a way of defiling Christian culture and, as it penetrates to the very heart of the American mainstream (and is no doubt consumed by those very same WASPs), its subversive character becomes more charged.

(right) Pornfather Reuben Sturman. According to the US Department of Justice, throughout the 1970s Sturman controlled most of the pornography circulating in the country ... By the mid-80s he owned over 200 adult bookstores ... It was said that Sturman did not simply control the adult-entertainment industry, he was the industry.

Documentary; Adam Glasser (also known as Seymore Butts) is a Jewish porn movies director. Along with cousin Stevie... (more)

Type in Jewish control of the porn industry in any search engine, and there are 591,000 hits. You can take it from there. Well, maybe one more bit of info.

Some time ago, a friend of mine was telling me that I really did not understand how bad it (the porn industry) had gotten. Well, I replied, naked men and women, so what. I guess that I would rather my child, if I had one, was looking for such things rather than practicing joining the army... you know, the Marine hymn; Join the Marines.... travel to far distant, strange and exotcic lands.... meet many new and different people..... and kill them!

And he said, no, you do not understand. So he took me home, typed a couple of words into his computer search engine, words which I won't even repeat! and presto! What a..... sleezy does not describe it, world opened up.

Beastiality... women performing oral sex on animals.... women eating vomit out of toilets... women eating feces.... brutality.... Urine drinking.... bondage..... sadism.... something called bukkak (don't remember how to spell it) and endless supplies of this kind of filth.

Endless supplies? Notes like this; Searching 647,550 galleries

Other notes about linking to more than 100,000 different sites with more than 3,000,000 galleries (galleries I assume were pages of pictures, but not sure).

Can anyone tell me what this has to do with sex? I think it was said best above; Pornography thus becomes a way of defiling Christian culture and, as it penetrates to the very heart of the American mainstream (and is no doubt consumed by those very same WASPs), its subversive character becomes more charged.

That was a day I will never forget, esp. as I was pretty sick afterwards. It is also a day that I consider to be the final step in my waking up.
