**F.B.I. currently in possession of the body of an individual known as Milar. Milar's body found over the weekend in Chesapeake Bay off the coast of Maryland.**

**This individual known as Milar had been subpoenaed by Special Counsel Patrick Fitzgerald in the Valerie Plame leak case.**

**The individual known as Milar had given Fitzgerald information about the Israeli and British Intelligence role in planting chemical weapons in Iraq in just the last two months.**

**The individual known as Milar had also named co-conspirators inside the U.S. Pentagon. The individual known as Milar had fingered both Tim Spicer and Victor Bout aka the Haliburton-Bosnia connection.**

**P.S. Milar previously had worked in a high level intelligence role with U.S. French Interpol. It is believed the individual named Milar was murdered by British mercenaries on American soil to keep him from the Federal Grand Jury in Washington, D.C. U.S.-French Interpol has named Tim Spicer British Mi6 now living in Baltimore, Maryland as chief suspect.**

**P.P.S. Bushfraud and his Fox News-Gestapo propaganda gang now out of control in an attempt to shutdown U.S. Constitution. His NSA banking tracking system now exposed does not damage National Security but fingers a private piggy bank for the criminal U.S. traitors who have looted the U.S. Treasury with the assistance of foreign monarchies and used an alleged war on terror as their disguise for the theft. It is essential that patriotic Flag Officers of the U.S. Military act now before our Republic is vaporized by this gang of filth.**

**BUSH FAMILY CRIMINAL OCCUPATION STATE NOW IN EMERGENCY MODE**

**The latest 9/11 linked N.S.A. financial banking scandal is now being exposed this dovetails to Interpol investigations involving the theft of billions of dollars of U.S. Treasury funds. It can now be reported that over the weekend George Herbert Walker (Ice Pick) Bush a.k.a. Daddy Bush has closed his Malaga-based Spanish secret account. This account, a joint account with King Juan Carlos of Spain, held billions of dollars of secret treasury funds linked to illegal wire transfers done for the purpose of Daddy (Ice Pick) Bush and King Juan Carlos. These wire transfers done by former Federal Reserve Bank chairman Allan Greenspan a.k.a. the Bank Dick.**

**It can now be reported that these funds have been transferred to the Royal Bank of Scotland with an electronic check ready to be deposited in the Coutts Bank, London England. Daddy Ice Pick Bush also holds a joint account with Her Majesty Queen Elizabeth 2nd of England.(Click here).**

**These secret CIA proprietary accounts finger the Bush-Clinton Crime Families for embezzlement of the funds of average ordinary French and U.S. citizens.**

**It can now be reported that a massive narcotics, arms and counterfeit Euro currency fraud scheme has been traced to these accounts including the financing of alleged Al Qaeda with a direct tie to Bush**

**Family business associate Victor Bout. Bout is a British-Israeli-Russian Mafia corporate terrorist. French and U.S. Interpol has now linked Bout to Gary Best Inc., West African Air Services and private contractors in Iraq, including Haliburton and South Africa's Executive Outcome.**

**P.S. Michael Iscove of Newsweek Magazine, 202-626-2000, has the records and serial numbers of Aerocombe, Victor Bout's private airline services. Iscove's records include serial numbers of flights from Bosnia to Iraq carrying IED's (Improvised Explosive Devices) for alleged Al Qaeda. These flights also included various alleged Weapons of Mass Destruction to be planted in Iraq. Question, does Victor Bout work for Fox News?**

**P.P.S. U.S. State Dept. warned both Bushfraud and Condoleezza Fluffgirl Rice about the treason activity of Victor Bout and his associate Hassan Cengic, current member of the Bosnian parliament. Instead of heeding the warnings, both the N.S.A., D.O.D. and the Pentagon ordered an espionage dragnet against the U.S. State Dept. both pre-9/11 and post-9/11. Note: Russian born Victor Bout familiar with Udday Hussein letter to Putin. (Click)**

**P.P.P.S. Bushfraud Administration still refuses to freeze any financial corporate accounts, a.k.a. private contractors in Iraq linked to Victor Bout.**

**P.P.P.P.S. French and U.S. Interpol has also fingered Tim Spicer a.k.a. Aegis British Mi6 Blackwater/Blackstone for direct involvement in the U.K. scripted subway bombing Black Op. Both Spicer and Bout, currently in violation of United Nations Arms embargo, have been allowed by the Bush Administration, despite objections from the US State Dept., to engage in private arms dealing in Iraq, a.k.a. the United Arab Emirates-Bosnian pipeline.**

**It can now be reported that the bomb material smuggled from the United Arab Emirates to Bosnia to the U.K. which was used in the U.K. Subway Bombing script was brought to England by a private flight from Belgrade, the capital of the old Yugoslavia to London's Heathrow. The bomb material had none other than Bosnian insignia's. This was reported the day of the bombing by none other than Fox News. All this is being covered up of course, by the Dunblaine Pedophile a.k.a. the current British Prime Minister, Tony Blair.**

## **TREASON**

Disloyalty to one's nation; a person who reneges on an oath of loyalty or a pledge of allegiance, is considered to be a traitor.

Article Three of the United States Constitution defines treason as levying war against the United States or giving aid and comfort to its enemies.

Extensive TREASON in the United States is not a contained domestic issue, but has a far reaching, worldwide detrimental impact. We here in America have a moral responsibility to the rest of the world when our actions have negative repercussions on their daily lives. <http://marvyschneider.us/treason.php>

"We each must seek to be more aware of right and wrong in our daily lives and then, using our God-given Free Will, choose to earnestly strive to do that which is moral and righteous for ourselves and our fellow man, connecting ever more with our Father and Creator of all that exists." --Mary Schneider
