I'm Russian Jewish. Jewish enough to have been rounded up in WWII. Jews are victimized by our Jewish "leaders" the same as Americans are, or any other "identifiable group." Just check this link to see how the International Jewish Rescue Committee sold out the Jews of Czechoslovakia in WWII for the sake of Israel, according to the orthodox Jewish rabbi who founded Jews Against Zionism:

Protocols of Zion is a recent documentary about the Protocols attempting to ridicule the document and belittle its historical relevance. However, treading on very thin ice, the documentary shows footage of the "Dancing Israelis" - eventually confirmed by Forward magazine and others as Mossad agents - on Israeli TV claiming they were only there to document the event. Since they were documenting the first hit, one wonders how they knew, of course. See Wayne Madsen on the subject at

Since the Israeli Art Students mystery is one of the most dangerous subjects currently available to investigators such as ourselves, it is also one of the underreported aspects of 9/11. Here's what Salon.com author Christopher Ketcham had to say about it as quoted in Wayne Madsen's book Jaded Tasks:

<http://dir.salon.com/story/news/feature/2002/05/07/students/index.html>

According to a high-level intelligence agent who spoke with Ketcham, "people involved in the investigation of the Israeli spies were at personal danger of being killed." The agent told Ketcham:

"There are a lot of people under a lot of pressure right now because

there's a great effort to discredit the story, discredit the connections, prevent people from going further."

Sounds like a clue to me.

I researched the Republican Jewish Coalition

<http://www.rjchq.org/>

for my article on Larry Silverstein and his connections to the Republican Jewish Coalition which can be found here, although the links are now out of date:

<http://www.serendipity.li/wot/lehrman.htm>

You will see from the Republican Jewish Coalition website that Ari Fleischer and Lewis Eisenberg, who supervised the handover of the WTC to Silverstein, are both Directors of the Republican Jewish Coalition. Eisenberg went on to become the Finance Committee Chairman of the Republican Party and then the 2004 Republican National Convention Chairman.

Eisenberg and Silverstein have also both held leadership positions in the United Jewish Appeal, a Zionist charity organization.

See Christopher Bollyn's article at <http://www.gatago.com/alt/crime/3121492.html> for more details.

Finally, for the details on the closeness between Silverstein and Netanyahu and other Israelis, see the Haaretz article on the subject here:

Here's a quote:

"Close ties with Netanyahu

The ascension to power of Benjamin Netanyahu opened a new chapter in the saga. Silverstein is left-leaning in his political views - he supports the Democratic Party - but after despairing of Rabin and Peres, he believed that Netanyahu, whom he called a hero of the free market, would push the project forward.

The two have been on friendly terms since Netanyahu's stint as Israel's ambassador to the United Nations. For years they kept in close touch. Every Sunday afternoon, New York time, Netanyahu would call Silverstein. It made no difference what the subject was or where Netanyahu was, he would always call, Silverstein told an Israeli

acquaintance. Their ties continued after Netanyahu became prime minister. They met several times and Netanyahu promised to give the project his support."

Also see this article discussing Silverstein's early relationship with Sharon, Netanyahu and the Israeli Right Wing from the Institute for Advanced Policy Studies, source of the infamous Clean Break Document:

That is why Protocols of Zion and "Jewish" are mentioned in my recent piece requesting further investigation from the community of the events of 9/11, so well covered in both Terrorstorm and 9/11 Press for Truth.
