"Dear Lebanese/Palestinian/Arab/Muslim/Christians - Kids,

Die with love.

Yours,  
Israeli Kids"

Hate, disgust, extreme.... I don't know what word can describe these photos.

And they say that we are teaching our kids hate to Israelis!

Thank you, Israel kids, we received your gifts. See, the receipt's of your gift died with love.

R Davies.

What UK Law?

You mean the zionist laws that Blair and his poodles follow. The pictures quite clearly show what those kids are doing. I don't see them holding hands and waving flowers as a show of peace. Its just a damn shame those bombs didn't blow up as they were writing on them or a Hezbollah missile hitting them while they were doing it, maybe then we would have something to smile about as well.

But Allah knows best, so whatever Allah wills, so be it.

The hatred of the zionist jews is exposed yet again.

funny how we don't see these images on sky news or the BBC wonder why that is, why of course it would show the zionist jews as nothing but bloodthirsty killers what else, who take amusement in writing sick comments on missiles before they are launched onto palestinians and lebanese civillians!

**R. Davies:**

Raja;

The article is clearly a piece of propoganda. It seeks to portray Israeli children as being especially monstrous. These children like Palestinian and Lebanese children live in the real world and are exposed to a large number of influences. However my 3 comments are factual, and the issues I raise are real. But I have yet to see anything on the MPACUK site condemning the use of racist / sectarian material in Arab schools, or condemning Hamas for its use of the Protocol of the Elders of Zion, a well known anti-semitic forgery.

What I demand of everyone is equality, if the Israelis are to be condemned against a given standard, then use the same to judge everyone.

**Bilal Patel:**

Given that the state of 'Israel' was set up on morally reprehensible principles (imagine the outcry if Jews were treated in this country as they treat others in 'Israel'), this is what one can expect from such a sick society. One often heard the Afrikaners say derogatory things about blacks, and what we see here is an extension of that. No surprise there, as apartheid South Africa and 'Israel' had very good diplomatic relations.

This is awful.

Will "British Muslims" also condemn the regular parades of Palestinian children dressed as Islamic suicide bombers ?

Or is that OK?

As a Jew my heart has been filled with sadness to see Jewish children doing what they are doing. I remember how the Nazi kids used to abuse us and taunt us. I will not say more, as history repeats it self. Shame on the Parents for letting such hate to pass on to their children, i am ashamed.

What is the source for this?

Where do the bombs have this message that you're claiming that they have?

I read Hebrew and English and I don't see that message to "Lebanese/Palestinian/Arab/Muslim/Christians - Kids" at all.

To R. Davies

This is the typical way that a Zionist behaves. Soon as he is cornered about an issue as grave as this one you start to play the anti-semitic card. When ever a Jew is caught doing something illegal and someone highlights it you say "cos he's Anti-semitic" No one is allowed to criticise Israel because they will get tarred with the anti-semitic brush.

I've said it before on this website and I'll say it again The majority of us are NOT anti-semitic but we are ANTI-ZIONIST. I know a person as intelligent as yourself will not let his kids be exposed to hatred such as this and rightly so.

Even though you may be a supporter of Israel I don't think you would want to teach your kids hatred against anyone.

But the children in the pictures have been taught to hate and that is what they are
