

## South Park

**Harmless entertainment?  
Or more Zionist subversion?**

15 October 2006

South Park is a cartoon produced by **Trey Parker** and **Matthew Stone**.

Trey Parker

Matthew Stone

In March 2004 the creators of South Park tried to make Mel Gibson appear **psychotic** with a rude cartoon called "The Passion of the Jew":

[www.youtube.com/watch?v=RfbXtKotM6Y](http://www.youtube.com/watch?v=RfbXtKotM6Y)

In October 2006 the creators of South Park tried to convince their audience that people who don't believe the official story about the September 11th attack are **retarded**:

[www.911blogger.com/node/3641](http://www.911blogger.com/node/3641)

You may wonder, "Why should I care about the South Park cartoons?"

The reason is that **9/11 was a Zionist Job**, and South Park promotes **Zionist propaganda**. It is also one of **Comedy Central's** top shows, supposedly watched by **millions** of people, including **children**.

You wouldn't want **Al Capone's** gang or **Jeff Dahmer** to produce deceptive television shows for your children, so why do we let Zionists flood our television with propaganda?

South Park also gets **publicity** by the mainstream media. For example, MSNBC:  
[www.msnbc.msn.com/id/6228221](http://www.msnbc.msn.com/id/6228221)

And the BBC:  
<http://news.bbc.co.uk/2/hi/entertainment/4819826.stm>

In 2006, when a South Park cartoon was supposedly upsetting a few Muslims, [Michelle Malkin](http://michellemalkin.com/archives/004982.htm) took advantage of it by writing:

"Everyone's buzzing about last night's South Park episode."  
<http://michellemalkin.com/archives/004982.htm>

The Zionist denying, **Useful Idiots** such as Michelle Malkin, will promote a South Park cartoon when they believe it will instigate anger among or towards Muslims.

None of the people or news agencies that promote South Park will expose Zionism, or even talk seriously about the 9/11 attack. Obviously, the South Park cartoons have been approved as tools in the campaign of **deceiving the world about Zionism**.

This implies that the people who create and promote South Park are working with the Zionist criminal network in some way.

It has been **five years** since the 9/11 attack occurred, and virtually everybody who is still defending the official story should be considered a **possible member of the Zionist criminal network**.

These people are **giving themselves away**, and we should take advantage of it by **saving their names in a list for when we finally overthrown them**.

South Park is a **Peabody** and **Emmy** Award-winning show, so we should get the names of the people who gave out those awards, also!

South Park is distributed by **Comedy Central**, which also produces **The Daily Show** by **Jon Stewart** (Jonathan Stuart Leibowitz).

The Daily Show is supposedly one of the primary sources of information about the world to teenagers and college students.

Is **The Daily Show** a "harmless" comedy program? Some people, such as professors Baumgartner and Morris of East Carolina University, believe the show encourages **destructive attitudes** among children by ridiculing government leaders without encouraging discussions, research, or anything productive.

A link to their PDF study is here:

[www.tompaine.com/articles/2006/05/24/the\\_daily\\_show\\_cause\\_and\\_effect.php](http://www.tompaine.com/articles/2006/05/24/the_daily_show_cause_and_effect.php)

Or take a look at [this](#) news article about it, or [this](#).

Jon Stewart **lies** about 9/11, Israel, Zionism, uranium, and a lot more. He entertains Goyim students with **Zionist propaganda**. **Why are we putting up with this?**

Do you really think it is just a coincidence that the effect of his deception is to encourage **cynicism, hopelessness, hatred** of Muslims, **ignorance** of Zionism, and **pity** for Israel?

## **Can you understand why Crypto Jews pretend to be Nazis?**

In our articles about the white supremacists, we explain that the Crypto Jews **start** and **infiltrate** these groups. For example:

[www.iamthewitness.com/Ashkenazi-Nazis.html](http://www.iamthewitness.com/Ashkenazi-Nazis.html)

Controlling groups of anti-Semites helps Zionism in many ways. For example:

- The Crypto Jews can **identify** their opposition. This allows them to arrange for their eventual arrest, murder, or bribery.
- The Crypto Jews can form "good" groups that **recommend solutions** to the "evil" white supremacists. Their solution is to create laws to stop "hatred" and "anti-Semitism".
- The Crypto Jews inside the white supremacist groups can ensure that the members feel helpless and develop self destructive attitudes. For example, a common attitude among the white supremacists is that they are **victims** of Mexicans, Jews, and Blacks. The Crypto Jews encourage the white supremacists to **feel sorry for themselves**.

## **Why would Zionists produce disgusting "entertainment"?**

The **obnoxious, vulgar, disgusting**, and **atrocious** entertainment that comes from Zionists may not be merely a symptom of their neurotic minds. Rather, some of it may be a **deliberate** attempt to help their Zionist goal.

However, before continuing with this discussion, many people who visit our site are not aware of just how disgusting the entertainment is, so we must first provide an example.

All of us turn away from the entertainment we find annoying. The end result as we often do

not have a good understanding of what the Zionists are producing, or what the Goyim children are watching.

Therefore, you should **force yourself** to look at some of the "entertainment" the Zionists produce.

For example, take a look at the South Park cartoon about the joke referred to as "**The Aristocrats**".

**WARNING!**  
**Do not play this in public!**

Since there is nothing of value to see in this cartoon (the characters stand still throughout the cartoon), and because the audio of South Park is distorted, it is easier to listen to the audio excerpt that we slowed down: [SouthPark-TheAristocrats.mp3](#) audio only, 500 kb

If you want to see the video of that South Park joke, click [here](#).

Trey Parker (one of the two creators of South Park) tells another version of The Aristocrats joke [here](#).

In 2005, [Penn Jillette](#) and [Paul Provenza](#) produced a movie in which 100 comedians told their version of The Aristocrats.

The list of comedians who "performed" in The Aristocrats is here: [www.imdb.com/title/tt0436078/fullcredits](http://www.imdb.com/title/tt0436078/fullcredits)

Penn Jillette is the larger man in the **Penn and Teller** television show. Their show tries to **deceive** their audience about the September 11th attack and other Zionist crimes, as Hufschmid explained in 2005:

[www.EricHufschmid.net/Axis\\_of\\_Perverts2.html](http://www.EricHufschmid.net/Axis_of_Perverts2.html)

## Excerpts from *The Aristocrats*

**WARNING !**

**Do not play these in public !**

- Bob Saget:

[www.youtube.com/watch?v=BfRJSmrQSDk](http://www.youtube.com/watch?v=BfRJSmrQSDk)

- Sarah Silverman:

[www.youtube.com/watch?v=5l\\_rdSKXji0](http://www.youtube.com/watch?v=5l_rdSKXji0)

- George Carlin:

[www.youtube.com/watch?v=HyEY3mpK-OM](http://www.youtube.com/watch?v=HyEY3mpK-OM)

- Martin Mull:

[www.youtube.com/watch?v=-5H9YaYtjIU](http://www.youtube.com/watch?v=-5H9YaYtjIU)

Your reaction may be to avoid *The Aristocrats*, but you should **force yourself to look at the excerpts**, and then ask yourself, **who** would give this movie a favorable review?

The **National Public Radio** provided a review of it, and referred to it as a "**documentary**":  
[www.npr.org/templates/story/story.php?storyId=4774955](http://www.npr.org/templates/story/story.php?storyId=4774955)

The movie critic in Florida for the St. Petersburg Times reviewed it, also:  
[www.sptimes.com/2005/08/12/Floridian/Have\\_you\\_heard\\_the\\_on.shtml](http://www.sptimes.com/2005/08/12/Floridian/Have_you_heard_the_on.shtml)

Why would Zionists spend so much time and money creating a "documentary" such as *The Aristocrats*? Why would Zionist publications give it so much favorable publicity?

One reason may be to encourage the Goyim to behave in disgusting manners, which further breaks down relationships and society.

Another reason may be to justify the censorship of "hatred" and "filth", and justify blocking "pornographic" and "hate" websites.

After watching excerpts of *The Aristocrats*, your reaction may be:

"Well, I now understand why people are complaining about pornography! And I now fully support the censoring of pornography!"

### **What is Pornography? What is Hate?**

Joseph Stalin is supposed to have said:

The people who cast the votes decide nothing. The people who count the votes decide everything.

[www.brainyquote.com/quotes/authors/j/joseph\\_stalin.html](http://www.brainyquote.com/quotes/authors/j/joseph_stalin.html)

The same concept applies to pornography, anti-Semitism, terrorism, racism, fascism, sexism, and hatred.

Specifically, **the people who define our words determine who among us is suppressed or arrested.**

There are groups of mysterious people (probably Zionists) trying to stop **hatred** in Europe by arresting and fining "**Holocaust Deniers**".

In America we find groups recommending the censoring of **pornography** and **hatred** on television and Internet sites. However, these people define the words in a manner that supports **Zionism**, not all of mankind.

For example, some mysterious people (Zionists?) arranged for the bronzing of the first **poop** of Tom Cruise's baby, and they put it into an "Art Gallery". This bronzed poop was not considered "pornography". Rather, it is "**art**".

A statue of Britney Spears giving birth in an absurd position is also "art":

- [www.thesuperficial.com/2006/04/07/britney\\_spears\\_statue\\_still\\_to.html](http://www.thesuperficial.com/2006/04/07/britney_spears_statue_still_to.html)

- [www.send2press.com/newswire/2006-03-0322-003.shtml](http://www.send2press.com/newswire/2006-03-0322-003.shtml)

Here Sarah Silverman sings a "funny" song:

[video.google.com/videoplay?docid=2415875145808534146](http://video.google.com/videoplay?docid=2415875145808534146)

That is not considered racist, however.

How about the "**Amazing Racist**"? Here is his "funny" video about the Chinese:

<http://video.google.com/videoplay?docid=3858507226646368048>

Here he is behaving in a funny manner with Mexicans:

<http://video.google.com/videoplay?docid=2328917503183850177>

How would you feel if there were **millions** of these "comedians" doing hundreds of funny shows every day?

**Why do we allow Zionists to define our words?**

We allow mysterious people to count our votes, select our candidates, control our money supply, and dominate our schools. We have to start taking care of ourselves!

We are **fools** to allow French professor Robert Faurisson and other people in other nations to be **fin**ed or **jailed** for "**Holocaust denial**" while Jewish "comedians" behave like **obnoxious jerks**.

The Zionists "entertainers" are **destructive**. They are not providing anything of value to human life, and their effect on children is **detrimental**. They are Zio-Pornographers, Zio-Perverts, and Zio-Racists, not "artists" or "entertainers".

The media and the ADL don't complain about the Zio-Perverts because they all are **Jews!** This is an example of what we refer to as a "**double standard**".

All people are equal, but Zionist Jews are more equal than Goyim and non-Zionist Jews.

## **Learn a lesson from 9/11**

Most of the 9/11 "truth seekers" are Zionist agents; most White Supremacists are Zionist agents; and so on.

We should expect that most of people who offer to save us from pornography, hatred, anti-Semitism, racism, fascism, and sexism to be **Zionist agents**.

Therefore, instead of giving blind obedience to any of these saviors, start asking yourself, "Who are they? Are they really providing leadership? Or are they just taking our money and making us feel good?"

For example, who is Brent Bozell?

## **Brent Bozell... hero, idiot, or liar?**

Brent Bozell started the **Parents Television Council (PTC)** in 1995 to:

"...ensure that children are not constantly assaulted by sex, violence and profanity on television and in other media."  
[www.parentstv.org/PTC/aboutus/main.asp](http://www.parentstv.org/PTC/aboutus/main.asp)

The PTC received \$3.5 million in donations in 2005. However, what good have all those millions of dollars done? Is television getting better?

Why are people so willing to give money to an organization that has **no accomplishments**? Look for **results**, not **promises**!

Bozell created the **Media Research Center** in 1987. He boasts that it is the largest media

watchdog organization in America.  
<http://conwebwatch.tripod.com/stories/primer.html>

Bozell created the **Conservative Communications Center** in 1997:  
[www.cnsnews.com](http://www.cnsnews.com)

This is an organization that:

"...could serve as an umbrella for the growing number of conservative organizations by providing news and information about the conservative movement..."

[www.therightvoice.org/About/default.htm](http://www.therightvoice.org/About/default.htm)

Bozell has also written books about the **media bias**, such as "*How to Identify, Expose and Correct Liberal Media Bias.*"

His resume makes it appear as if he is a hero who raises millions of dollars and fights pornography, bias in the media, and abuse.

[www.therightvoice.org/About/ccbozellbio.html](http://www.therightvoice.org/About/ccbozellbio.html)

However, **he doesn't expose any corruption**, and doesn't actually accomplish anything. As with virtually all other "leaders" who offer to save us from corruption, all he does is collect money and deceive the Gullible Goyim into believing that they are helping the world by donating money to him. **Don't become one of his suckers!**

Have you read any of our articles that point out that the Anti-War and Peace groups want to stop the war in the Middle East, but they do not want to expose 9/11 as a fraud?

The leaders of these movements are either **unbelievably stupid**, or -- more likely -- they are **Christian** or **Jewish Zionists** who are deceiving their gullible members into thinking they are stopping the war by chanting slogans as they walk down the street.

[www.erichufschmid.net/Infiltrate/InfiltrationOrIncompetence.html](http://www.erichufschmid.net/Infiltrate/InfiltrationOrIncompetence.html)

## **Don't be fooled into following Zionists!**

Millions of Gullible Goyim are listening to **Zionist** comedians, **Zionist** news reporters, **Zionist** "truth seekers", and **Zionist** Christians!

### **Stop following Zionists!**

Also, **counteract** their deception with **non-Zionist** (pro-Goyim) cartoons, such as [this](#), and pro-Goyim slogans.

For example, when you hear people say "**9/11 was an Inside Job**", tell people:

## **9/11 was a Zionist Job!**

When you hear "**Bush lied, people died**", or "**Impeach Bush**", tell people:

## **It's Bigger Than Bush!**

When people promote Dylan Avery, Alex Jones, Scholars for 9/11 Truth, or Webster Tarpley, tell people:

**We won't give in; we want  
Hufschmid, Smith, and Bollyn**
