

# 'Thou Shalt Not Criticize The State Of Israel'

## The Zionist 'Prime Directive' For Obedient Americans.

Commentary

By Dick Fojut

7-15-6

The "PRIME DIRECTIVE" has been slavishly obeyed over many decades by America's Major "News" Media, Congresses (Democrats AND Republicans), White Houses - and "Christian"-Zionist zealots (who outwardly claim to be followers of the "Prince of Peace" - but support ANY warfare and slaughter they naively think might BENEFIT their cherished "State of Israel"). With members of America's major media is the real threat that: "Those who foolishly dare criticize Israel swiftly lose their jobs."

Apparently assured complete immunity from any American government and media criticism, the giant over-armed Jewish "ELEPHANT" (world's fourth largest conventional military with 5,000+ tanks and home-flattening bulldozers, with 40,000 Palestinian homes flattened to date) continues to crush lightly armed or unarmed middle east "mice" using Israel's decades-honed tactic of massive STATE TERRORISM attacks, collectively punishing and terrorizing entire populations.

Americans seem vaguely informed because our Israel-obedient major media have been "reporting" the increasing horror with an Israeli "spin," portraying Israel as "THE INNOCENT VICTIM, DEFENDING ITSELF." We're supposed to believe the giant "victim" Israeli military ELEPHANT is defending itself against tiny "terrifying" mice. Are America's major media (especially the TV networks) first "filtering" their daily "news" reports through Tel Aviv propagandists?

Arrogantly ignoring ALL Geneva Conventions, Zionist-ruled Israel has ACCELERATED its collective punishment with the destruction of electrical plants, water, sewage and other public infrastructure vital to the very survival of millions in Gaza - and now millions in Lebanon. This is in addition to Israel's stoppage since January of Food, Finances, Commerce and movement of Medical transportation, etc., throughout Gaza, collectively punishing Gaza's people for electing HAMAS as its government. This is not a "democratic" Israeli "War ON Terror" - but Israel's one-sided TERROR WARFARE ON its defenceless, victimized neighbors.

And yet we hear not a peep of criticism from Israel's American media sycophants. Instead of justified criticism, we hear the Zionist concocted, disproportionate excuse, mindlessly parroted repetitiously by Bush and Rice that: "ISRAEL HAS THE RIGHT TO DEFEND ITSELF!"

Yet the terrified populations and freely elected Governments of Gaza and Lebanon do NOT have that same "right?" Not in the fawning eyes of Americans who obey the Zionist "Prime Directive." ONLY the Israeli military ELEPHANT is permitted that "right."

Apparently, being non-Jews, Palestinians and Lebanese, Muslims and Christians alike, are somehow less than "human" and have NO "right" to defend themselves against the unceasing daily butchery of Israeli STATE TERRORISM - Israel's ONE-sided TERROR WARFARE against its defenceless Muslim neighbors.

ALSO PRETEND THAT TINY THREATENED, "WEAK" ISRAEL DESPERATELY NEEDS

## AMERICA'S MILITARY PROTECTION (AND MONEY)

One slavishly obeyed sub-command from the Zionist "Prime Directive" is to PRETEND "tiny" Israel's military arsenal is NOT bloated with over 400 nuclear warheads, third or fourth largest stockpile in the entire world! And PRETEND those nukes would NOT be delivered by Israel's high tech aircraft, submarines and even giant intercontinental Missiles - or nuclear warheads be fired from Israel's thousands of tanks, artillery and field missile batteries. (All exorbitantly financed by good-willed, but naive American taxpayers.)

Pretend Israel's nukes do not exist.

Fellow Americans, try to awaken from relentless Pro-Israel media brainwashing about the contrived Bush/Blair "war on terror" (really, their excuse for war on Muslim "enemies" of Israel) - and the Israeli regime's phoney initial assertion it greatly "fears" a few crazy suicide bombers and the relative pin-pricks of admittedly inaccurate and ineffectual rockets launched by dissident non-government groups in Gaza. The new annoyance of also inaccurate, but more destructive Hizbollah rockets, adds slightly to our media's pretense that Israel is the "frightened victim" of "terrorists."

By what we see now happening, Israel's heartless Zionist rulers have "welcomed" the rockets (and the exaggerated incidents of a few "kidnapped" Israeli soldiers) as "provocations" to "justify" unleashing Israel's MASSIVE MILITARY FIREPOWER upon the defenceless civilian populations and infrastructure of two neighbors. Absurdly, Israel is even now bombing individual Gas Stations. Will "terrorist" cafes be targeted next?

Not widely reported by most of our structurally pro-Israel major media, Israel has "kidnapped" and imprisoned, some ten thousand Palestinians, many without charges, including many women and children. "Terrorist" mice?

Our obedient-to-Israel, bowing and scraping President Bush seems to be imitating standard Israeli "conduct" with his own captives (uncharged "potential dangerous terrorists") at Guantanamo and other secret American prisons.

Israel's justifiably TERRIFIED middle east neighbors understand that IF Israel's ruling regime feels IMMINENTLY threatened by a nuclear competitor (not just potentially in the very DISTANT future as with Iran), the paranoid Zionists currently ruling Israel, could (and most probably would) unleash Israel's nukes and literally incinerate all neighboring countries the crazy Zionists think are immediate threats to Israel. The governments of every Muslim neighbor and their millions of citizens live daily under the very REAL THREAT of instant Israeli Nuclear annihilation.

Excerpt only (Israeli Jets)...

They came first to the little village of Dweir near Nabatiya in southern Lebanon where an Israeli plane dropped a bomb on to the home of a Shia Muslim cleric. He was killed. So was his wife. So were eight of his children. One was decapitated. All they could find of a baby was its head and torso which a young villager brandished in fury in front of the cameras. Then the planes visited another home in Dweir and disposed of a family of seven.
