The continuing torture of Mr. Irwin Schiff

We just learned that the IRS has started taking Mr. Schiff's commissary money so he cannot buy tooth paste, a decent razor, candy or chips, across the counter medications or anything else not provided by his jailers. Additionally, because of those confiscations he cannot make any phone calls or buy stamps for letters!!

These evil people do not now nor did they take the commissary money of people like Jeffery Dahmer, Ted Bundy or the BTK killer ECT. who killed hundreds of people or any of the CEOs of companies who stole billions of dollars from their stockholders therein taking their retirement money away or, in our opinion, the worst of the lot, the countless elected government officials who were convicted for taking bribes.

This is an obvious attempt to torture Mr. Schiff whose only crime was pointing out the crimes of the IRS, the federal prosecutors and federal judges like Kent Dawson and prevent him from letting the world know about the crimes perpetrated against him and countless others. This also prevents Mr. Schiff from communicating with those patriots who are trying to help him with his appeal, which is unconstitutional.

How, in good conscience anyone can condone these actions by the criminals in the federal government is beyond us.

If there are any patriots left we urge you to contact your congressman and object to this unwarranted retribution which is tantamount to torture.

The Constitutionlists

It's a sad day for Americans when this type of treatment is allowed. Is this any different then the reports and pictures we saw from Iraq of the way we treat the enemy in our prisons. Irwin Schiff is an 80 year old American man who did nothing wrong except question the government and the IRS. Is this treatment any different than what went on in Abu Ghraib??Is this how we treat an 80 year old man who wrote a book the IRS didn't like? Think about it people, this is Lent. What was the crime that Jesus committed? Jesus said, "If they have persecuted me, they will also persecute you"?John 15: 20

Unless you or someone you know has been to prison, you don't understand that a person cannot survive in there without money in their account. NOTHING is free in our prisons. An inmate must buy everything, including the cloths they wear. And if you believe that prisons provide medical care, than you are living in la la land.?

If you really want to protest, than we need to call the warden of this prison and voice our protest as well as flood our Congress, the Treasury Department and The Commissioner of the IRS with calls. If we don't, Irwin will, at his age, not live very much longer. Below is the information about the prison Irwin is in.

This is nothing more than the IRS retaliation for the showing of "America...From Freedom to Fascism"

I am sending this article to everyone regarding Irwin Schiff, not to promote gloom and doom, but to motivate you to action. Write a letter to his jailers, the judge, the federal attorney's and let them know we are watching. If you haven't seen the movie "Iron Jaw Maidens" rent it. The government eventually HAD to change because of the pressure placed on it. Let's keep the pressure going.

Jesus I trust in you

PRAYER TO DEFEAT THE WORK OF SATAN

O Divine Eternal Father, in union with your Divine Son and the Holy Spirit, and through the Immaculate Heart of Mary, I beg You to destroy the Power of your greatest enemy - the evil spirits.

Cast them into the deepest recesses of hell and chain them there forever! Take possession of your Kingdom which You have created and which is rightfully yours.

Heavenly Father, give us the reign of the Sacred Heart of Jesus and the Immaculate Heart of Mary.

I repeat this prayer out of pure love for You with every beat of my heart and with every breath I take. Amen.

O my Jesus forgive us our sins, save us from the fires of hell. Lead all souls to heaven, especially those who most have need of Thy mercy. Amen.

Of course not, these people never threatened the IRS' reason to be. In fact, for the unthinking, the existence of such people represents a reason why we need government and need to pay taxes.

anything.

Schiff has squirreled away millions of dollars he got by ripping off gullible customers of his tax evasion advice, and by failing to pay his own taxes. His convictions, including his previous convictions, included an order to pay up but he hasn't. He evidently figures he'll coast on the taxpayers while he's in the slammer and then make use of his hidden money when he gets out.

Using his commissary funds - his ONLY money findable by the feds - to pay off his longstanding court orders might induce him to put a crowbar to his secret stash to pay his debts, and then he can go back to buying chocolate bars to give to the younger inmates.
