UK: Muslims to Boycott 'Holocaust' Day

Give credit where credit is due

The "mainstream" Muslim Council of Britain will ignore "Holocaust" Day, the "holiday" that the UK government declared as an annual celebration of supposedly-unique Jewish suffering in 2001. The United Nations recently declared a similar global commemoration.

Despite immense pressure, the MCB says that "Holocaust" Day is unfair because it only honors Jews, and should be expanded to include other events of mass suffering. Understanding the Jewish political use of the "Holocaust" the MCB says that Muslim suffering should be on the agenda, highlighting Bosnia and Chechnya. Significantly, the MCB does not mention the genocide of the Armenians and Greeks by Muslim Turks and Kurds, nor the suffering of Europeans through centuries of Muslim aggression.

In the aftermath of the 7/7 London attacks Muslim leaders in the UK called on Prime Minister Tony Blair to drop the crazy holiday if he wants to, as he claims, be more "inclusive" towards Muslims.

The controversy underlines the absurdity of multiracial Britain.

It also paints religious "leaders" who supposedly speak for the White British nation in a poor light; Britons died to fight Hitler in World War II and yet are expected to kow-tow to Jewish atrocity claims of which the British people are blameless.

Adding to the lunacy is the fact that the UK government switched the 2006 celebration as the scheduled date fell on a Friday, Islam's "holy day."

We don't need the The Holocaust religion; we already have a religion of our own, thanks.

"Significantly, the MCB does not mention the genocide of the Armenians and Greeks by Muslim Turks and Kurds, nor the suffering of Europeans through centuries of Muslim aggression."

Yeah, I guess they also didn't mention the Crusades or the massacre of hundreds of thousands of Iraqi children with the US sanctions on Iraq. They also did not mention Europe's invasion of Muslim lands by creating a state of Israel on top of our heads to crush our necks.

I guess they also didn't mention overthrowing our governments and replacing them with dictatorships that oppressed our people for Western interests.

Yeah, I guess there's alot they left out.

Aint it interesting

In Christianity, you have a the belief that a Semitic people sacrifice an Arayan man. In Holocaust, you have an Arayan people who sacrifice a semitic people.

In Christianity, you have that Aryan man resurrected as a god and in Holocaust you have the state of Israel resurrected.

In Christianity, that Aryan god provides a salvation to the Christian people and in Holocaust that state of Israel provides salvation to the Jewish people.

Really, Holocaust seems to be a reverse of Christianity.

Holocaust almost seems as a revenge against Christianity. It is really just a reverse of Christianity. It is something for secular Europe to worship as an alternative to Christianity.

Well, we Muslims are satisfied with the religion that we already have. We don't want the Occident's new secular religion, the The Holocaust.

Interesting that this was a Blair invention...

All of them a very direct British responsibility.

For that matter, Hitler in 1940 had killed a few tens of thousands and was not planning anything bigger. It was British refusal to accept defeat after the Fall of France that raised the stakes. Hitler responded by proclaiming that all Jews would be deported from Germany, a process which turned into mass murder.
