

## A list of UN Resolutions against "Israel"

Here is a list of UN resolutions that Israel has not complied. As far as I know they have ignored every single resolution. But the situation is far worse than would at first appear, it involves the serious distortion of the official Security Council record by the profligate use by the United States of its veto power. (See Table)

Israel's, defiance goes back to its very beginnings. This collection of resolutions criticizing Israel is unmatched by the record of any other nation.
