Why do we believe the Zionists are the masterminds of 911

Quote:

Why do we believe Zionists are the masterminds of the September 11 attack?
Let us count the reasons...
updated 13 April 2006

1) The Five Dancing Arabs

Five Arabs -- dressed in Arab clothing -- were seen celebrating after the World Trade Center towers were hit with airplanes. Later that day he police spotted their van and stopped the. The police discovered that they were Israeli army veterans, not Arabs.

Their Arab clothing was discovered in their van, along with box cutters and weapons, and their visas had expired, so they were in the country illegally. There were arrested and put in a federal jail in Brooklyn.

However, they were not investigated. Rather, they were released from jail and sent back to Israel. About 60 other young Israeli Jews were arrested in the weeks following the 9-11 attack. They were also sent back to Israel without any investigation.

www.washingtonpost.com A3879-2001Nov22

Reports several months later claim that up to 200 young Israelis, some of them former members of military intelligence units, had been arrested and sent back to Israel without any investigation.

www.telegraph.co.uk/news 2002/03/07/ixworld

2) The Israeli spy ring

Carl Cameron, of Fox news, has a four-part investigation into an Israeli spy ring. The exposé was shown once, and then erased from the Fox web site, never to be seen again.

Some people made copies of the video, and there are transcripts on the Internet:

www.informationclearinghouse.info/article7545.htm

By spying on American military, FBI, and other officials, the Israelis would know how to evade getting caught, and they could acquire blackmail material over the large number of immoral officials.

3) Larry Silverstein is a Zionist

Larry Silverstein was the landlord of Building 7, and he got control of the World Trade Center towers a few weeks before the attack. He quickly replaced some of the security and maintenance personnel. He is receiving billions of dollars in insurance money as a result of 9-11 the attack.

Silverstein announced on television that the fire department decided to demolish Building 7 rather than put up the fires. If you have not heard this video clip, please watch the video 9/11, A Closer Look, at this site:

www.HugeQuestions.com

Larry Silverstein and Benjamin Netanyahu are such close friends that Netanyahu would call Silverstein every Sunday.
haaretzdaily.com itemNo=97338

4) Pentagon cannot account for \$2.6 trillion

The accountants at the Pentagon claim that they cannot account for \$2.6 trillion. The man at the top of this accounting mess is Dov Zakheim, a dual Israeli/American citizen.

In testimony before the Congress, Donald Rumsfeld minimizes it as an innocent mistake:

SEC. RUMSFELD:

...

I know Dr. Zakheim's been trying to hire CPAs because the financial systems of the department are so snarled up that we can't account for some \$2.6 trillion in transactions that exist, if that's believable. And yet we're told that we can't hire CPAs to help untangle it in many respects.

...

And then he makes a joke about it:

REP. LEWIS: Thank you, Mr. Moran.

Mr. Secretary, the first time and the last time that Dov Zackheim and I broke bread together, he told me he would have a handle on that 2.6 trillion by now. (Laughter.) But we'll discuss that a little --

SEC. RUMSFELD: He's got a handle; it's just a little hot. (Laughter.)

The transcript is here:

5) The 9/11 attack follows a pattern

Israelis have been caught many times as they stage terrorist attacks and blame them on Arabs or Nazis. For some examples:

. Zionists got caught after they blew up the King David Hotel
www.the7thfire.com chapter_5

. Zionists got caught in Egypt in 1954
www.the7thfire.com lavon_affair

. The Israeli attack on the USS Liberty in 1967

- James Ennis interview

- Mike Piper interview

- Wayne Kyle interview

- judicial-inc article

. The Zionist boycott of German products in 1933 was intended to create anger towards Jews. This is a complex but very important issue; when you find the time, here are some articles to help you understand this:

- Ben Freedman

- Samuel Untermyer (updated with image from 1933 newspaper)

. A list of Zionist deceptions:

http://judicial-inc.biz/False_Flags_summary.htm

6) Israelis are suspected of instigating fights even today in Iraq

Who really was behind the abuse at the Abu Ghraib prison? Take a look at the Israeli ties to the abuse at Abu Ghraib:

. www.rumormillnews.com/cgi-bin/archive.cgi?read=48426

Who is "John Israel"?

Who are the "contractors" in Iraq?

7) The media is controlled by Zionists

One of the most important pieces of evidence that Zionists are the masterminds to almost all the world's corruption is that they dominate the media of Europe, North America, and Australia.

No crime network could get away with a crime as enormous as the September 11 attack unless they can suppress investigations and evidence.

The media executives must either be under the control of the crime network, or they must be part of the crime network.

Some people claim that the media companies are helpless victims of a mysterious, nebulous group called the Globalists, or the New World Order, or the Illuminati.

However, until somebody can identify these mysterious people and explain how they force media companies around the world to cover up horrendous crimes, it makes more sense to assume that the media is directly involved in these crimes, and they are among the top members of this criminal network.

The most logical explanation is that the Zionists are promoting other Zionists to top positions in the government, media, banking, Hollywood, and education. The more Zionists they promote, the easier it is for them to take control of the nation and suppress evidence of their network.

. Zionist Power Structure In America
www.the7thfire.com chapter_7

. One of many lists of Jews:
www.reference.com/browse/wiki/List_of_Jews

The Zionists remove complaints about them, or they condemn critical remarks as "anti-Semitic". For example, did you know that President Truman was irritated by Zionists?
www.washingtonpost.com/ac2/wp-dyn/A40678-2003Jul10

Truman was pushing into helping Israel get established. Here is a brief description of Israel's history to help you understand why Truman was irritated:
www.EricHufschmid.net/HistoryOfIsraelAndTheUSA.html

Zionists have a world-wide network

Millions of dollars of profit were made in suspicious stock trades. The governments of America, Europe, and Japan announced plans to investigate in order to determine who the investors were. However, every investigation was terminated.

When looking for the crime network behind the September 11 attack, we must find a network that has tremendous influence in many nations. Does the Bush family have this much control over the world? Does Dick Cheney? Does any Italian crime gang?

The only group that seems to have a network this large are the Zionists. There are already Zionist organizations around the world. For example:

. The Zionist Federation of Australia
www.zfa.com.au

. In the UK
www.zionist.org.uk

. In Hungary
www.cionista.hu

9) Most of the 9/11 truth seekers are Zionists

Jews make up a small portion of America and Europe, and Zionist Jews are

an even smaller percentage, but they dominate the 911 truth movement. Could this be because Zionists care more about exposing corruption? Smith thinks not.

It is more likely because they are trying to fool people into thinking they are the truth seekers, when in reality they are diverting everybody's attention away from Israel and onto Bush, Cheney, the CIA, and a few military leaders.

Please consider that the people you trust to expose corruption, such as Amy Goodman (of Democracy Now), Alex Jones (www.infowars.com), Webster Tarpley (author of 9/11 Synthetic Terror: Made in USA), Dave von Kleist (The PowerHour radio show), and hundreds or thousands of others are deceiving us.

Why would those people lie? Here is an introduction:
To get away with crimes, pretend to be a crime fighter

Examples of Truth Seekers who are Zionists:

- . Crypto Zionists
- . What are Handlers?

10) Most people pushing UFOs are Zionists

Zionists promote a lot of idiotic theories, such as the idea that the airplanes that hit the World Trade Center towers were either holograms or illusions created by blue screen technology.

This is evidence that they are trying to send people down the wrong path, and create the impression that conspiracy theories are stupid.

Unfortunately, it is not possible to figure out who among us has been fooled into believing these idiotic theories; who is deliberately lying about them; and who has been threatened, bribed, or blackmailed into promoting them. Examples are Morgan Reynolds and Jimmy Walter:

- . The Bovine Gas Theory
- . Jimmy Walter promotes Blue Screens

Another example is a person who calls himself Ghostwolfemoon. He posts messages on the Internet. One of his recent messages promotes UFOs: US astronauts spotted UFO's on moon???

And in this message he promotes Alex Jones, Bob Bowman, and the theory that Cheney is the main suspect for 9/11: Cheney main 9-11 suspect????

Jeff Rense promotes UFO theories on a regular basis. One of his most recent:

Were US astronauts ordered not to report UFOs & aliens?

11) AIPAC and Jack Abramoff

Does Jack Abramoff -- another Zionist -- merely provide Israel with influence over America? Or did he assist with the 9-11 attack? Daniel Hopsicker thinks so; he reported that days before the 9-11 attack, Mohamed Atta and several other alleged hijackers were invited on Abramoff's casino boats.

www.madcowprod.com/06202005.html

If this accusation turns out to be true, this is evidence that the hijackers were patsies for the Zionists. Furthermore, Abramoff's connections with AIPAC, Tom delay, and other people should be investigated.

Professor Cole describes Jack Abramoff's "charity" as a front for Zionist terrorism.

www.washington-report.org/archives/March_2006/0603028.html

12) Goyim are the victims, not Zionists

News reports frequently remind us that Arabs and Iranians are determined to destroy Israel. For example:

www.ynetnews.com/articles/0,7340,L-3239476,00.html

However, most of their victims are other Arabs, or goyim from America and Britain. Why don't the Arabs attack Israelis? Why don't they attack American Zionists?

. For example, the Syrians are blamed for killing Rafik Hariri, the former Prime Minister of Lebanon:

www.cnn.com/2005/WORLD/meast/02/14/beirut.explosion/index.html

However, the crater from this car bomb is a sign that the bomb was actually underground, not in a car:

www.rumormillnews.com/cgi-bin/archive.cgi?noframes;read=65258

. On October 15, 2003, another large bomb destroyed a car, supposedly with CIA agents inside:

http://news.bbc.co.uk/2/hi/middle_east/3193248.stm

It also excavated a crater that has the telltale signs of the bomb that was underground:

http://judicial-inc.biz/cia_in_gaza.htm

. Have you seen the enormous crater from the 1996 "truck bomb" at the Khobar Towers in Saudi Arabia that killed US Military personnel:

<http://en.wikipedia.org/wiki/Image:Khobartowersgroundzero.jpg>

How does Al Qaeda do this?

If you believe the Arabs are doing this with car bombs, please look at this Science Challenge and pass it to college students:

www.EricHufschmid.net/Science_Challenge_12.html

And if you think this is going to stop anytime soon, please read this, and think about it:

www.EricHufschmid.net/Conspiracies5.htm

We do not yet have enough people who care. Will we in the future? Only if you can help us find more people who are tired of the corruption.

Conclusion

Standing up to Italian crime gangs is not anti-Italian; standing up to American crime gangs is not anti-American; and standing up to homosexuals who have been blackmailed over their homosexuality is not anti-homosexual. So don't be fooled into thinking that standing up to Zionist crime gangs is anti-Semitic!

Excerpt from article by Christopher Bollyn (MOSSAD – THE ISRAELI CONNECTION TO 9/11):

Quote:

ISRAELIS FOREWARNED

On September 12, 2001, the Internet edition of The Jerusalem Post reported, "The Israeli foreign ministry has collected the names of 4,000 Israelis believed to have been in the areas of the World Trade Center and the Pentagon at the time of the attack."

Yet only one Israeli was killed at the WTC and two were reportedly killed on the "hijacked" aircraft.

Although a total of three Israeli lives were reportedly lost on 9/11, speechwriters for President George W. Bush grossly inflated the number of Israeli dead to 130 in the president's address to a joint session of Congress on September 20, 2001.

The fact that only one Israeli died at the WTC, while 4,000 Israelis were thought to have been at the scene of the attacks on 9/11 naturally led to a widespread rumor, blamed on Arabic sources, that Israelis had been forewarned to stay away that day.

"Whether this story was the origin of the rumor," Bret Stephens, the Post's editor-in-chief wrote in 2003, "I cannot say. What I can say is that there was no mistake in our reporting."

ODIGO INSTANT MESSAGES

Evidence that Israelis had been forewarned several hours before the attacks surfaced at an Israeli instant messaging service, known as Odigo. This story, clear evidence of Israeli prior knowledge, was reported only briefly in the U.S. media – and quickly forgotten.

At least two Israel-based employees of Odigo received warnings of an imminent attack in New York City more than two hours before the first plane hit the WTC. Odigo had its U.S. headquarters two blocks from the WTC. The Odigo employees, however, did not pass the warning on to the authorities in New York City, a move that could have saved thousands of lives.

Odigo has a feature called People Finder that allows users to seek out and contact others based on certain demographics, such as Israeli nationality.

Two weeks after 9/11, Alex Diamandis, Odigo's vice president, reportedly said, "It was possible that the attack warning was broadcast to other Odigo members, but the company has not received reports of other recipients of the message."

The Internet address of the sender was given to the FBI, and two months later it was reported that the FBI was still investigating the matter. There have been no media reports since.

Odigo, like many Israeli software companies, is based and has its Research and Development (R&D) center in Herzliya, Israel, the small town north of Tel Aviv, which happens to be where Mossad's headquarters are located.

Shortly after 9/11, Odigo was taken over by Comverse Technology, another Israeli company. Within a year, five executives from Comverse were reported to have profited by more than \$267 million from "insider trading."

Through Israeli "venture capital" (VC) investment funds, Mossad spawns and sponsors scores of software companies currently doing business in the United States. These Israel-based companies are sponsored by Mossad funding sources such as Cedar Fund, Stage One Ventures, Veritas Venture Partners, and others.

As one might expect, the portfolios of these Mossad-linked funding companies contain only Israeli-based companies, such as Odigo.

Reading through the strikingly similar websites of these Israeli "VC" funds and their portfolio companies, one can't help but notice that the key "team" players share a common profile and are often former members of "Israel's Intelligence Corps" and veterans of the R&D Department of the Israel Air Force or another branch of the military. Most are graduates of Israel's "Technion" school in Haifa, Mossad's Interdisciplinary Center (IDC) in Herzliya, or a military program for software development.

The IDC, a private, non-profit university, is closely tied to the Mossad. The IDC has a "research institute" headed by Shabtai Shavit, former head of the Mossad from 1989 to 1996, called the International Policy Institute for Counter-Terrorism.

The IDC also has a "Marc Rich Center for the Study of Commodities, Trading and Financial Markets" and a "Lauder School of Government, Diplomacy and Strategy." The cosmetics magnate Ronald S. Lauder, who is a supporter of Israel's Prime Minister Ariel Sharon and his far-right Likud Party, founded the Lauder school.

Lauder, president of the Jewish National Fund and former chairman of New York Governor George Pataki's Commission on Privatization, is the key individual who pushed the privatization of the WTC and former Stewart AFB, where the flight paths of the two planes that hit the twin towers oddly converged. Ronald Lauder played a significant, albeit unreported, role in the preparation for 9/11.

Pataki's wife, Libby, has been on Lauder's payroll since at least 2002 and reportedly earned \$100,000 as a consultant in 2004. According to The Village Voice, between 1994 and 1998, Gov. Pataki earned some \$70,000 for speaking to groups affiliated with Lauder.

THE PTECH CUTOUT

Ptech, a mysterious software company has been tied with the events of 9/11. The Quincy, Massachusetts-based company was supposedly connected to "the Muslim Brotherhood" and Arab financiers of terrorism.

The firm's suspected links with terrorism resulted in a consensual examination by the FBI in December 2002, which was immediately leaked to the media. The media reports of the FBI "raid" on Ptech soon led to the demise of the company.

Ptech "produced software that derived from PROMIS, had an artificial intelligence core, and was installed on virtually every computer system of the U.S. government and its military agencies on September 11, 2001," according to Michael Ruppert's From the Wilderness (FTW) website.

"This included the White House, Treasury Dept. (Secret Service), Air Force, FAA, CIA, FBI,

both houses of Congress, Navy, Dept. of Energy, IRS, Booz Allen Hamilton, IBM, Enron and more," FTW reported.

"Whoever plotted 9/11 definitely viewed the FAA as the enemy that morning. Overriding FAA systems would be the most effective way to ensure the attacks were successful," FTW reported. "To do this, the FAA needed an evolution of PROMIS software installed on their systems and Ptech was just that; the White House and Secret Service had the same software on their systems – likely a superior modified version capable of 'surveillance and intervention' systems."

But did the U.S. government unwittingly load software capable of "surveillance and intervention" operations and produced by a company linked to terrorism onto its most sensitive computer networks, or was Ptech simply a Mossad "cutout" company?

Oussama Ziade, a Lebanese Muslim immigrant who came to the U.S. in 1985, founded Ptech in 1994. But the company's original manager of marketing and information systems was Michael S. Goff, whose PR firm, Goff Communications, currently represents Guardium, a Mossad-linked software company.

And Goff comes from a well-to-do line of Jewish Masons who have belonged to Worcester's Commonwealth Lodge 600 of B'nai Brith for decades. So, why would a recently graduated Juris Doctor in Law leave a promising law career to join forces with a Lebanese Muslim's upstart company sponsored with dodgy funders in Saudi Arabia?

"As information systems manager [for Ptech], Michael handled design, deployment and management of its Windows and Macintosh, data, and voice networks," Goff's website says. "Michael also performed employee training and handled all procurement for software, systems and peripherals."

AFP asked Goff, who left the Worcester law firm of Seder & Chandler in 1994, how he wound up working at Ptech. "Through a temp agency," Goff said. Asked for the name of the agency, Goff said he could not remember.

Could it be Mossad Temps, or maybe Sayan Placement Agency?

Goff, the original marketing manager for Ptech software, said he did not know who had written the code that Ptech sold to many government agencies. Is this believable?

Goff leaves a legal practice in his home town to take a job, through a temp agency, with a Lebanese Muslim immigrant who is selling software, and he doesn't know who even wrote the code?

AFP contacted the government agencies that reportedly have Ptech software on their computers, and IBM, to ask if they could identify who had written the source code of the Ptech software.

By press time, only Lt. Commander Ron Steiner of the U.S. Navy's Naval Network Warfare Command had responded. Steiner said he had checked with an analyst and been told that none of the Ptech software has been approved for the Navy's enterprise networks.

The Israeli Moles Who Controlled U.S. Defense Computers on 9/11

Christopher Bollyn – Rumur Mill News July 4, 2006

As an investigative reporter working for American Free Press, I have spent many hours digging into the criminal network behind the 9/11 terror attacks. What I have found leads me to believe that Israelis are behind these "false flag" attacks on the United States.

Today I participated in a round table discussion on the RBN radio network with Eric Shine and others, including Michael Collins Piper and the "Israeli" journalist Barry Chamish.

I put "Israeli" in quotations because Mr. Chamish is actually and originally a Canadian citizen.

Finally, I had to ask Mr. Chamish about his position on the role of Benjamin "Bibi" Netanyahu in the "war on terror" and the abundance of evidence that Israel was involved in the terror attacks of 9/11.

Chamish said that Netanyahu is basically an agent of the Council on Foreign Relations (CFR) and added that he was not personally convinced that the criminal Zionist gang was behind the terror of 9/11.

I followed that response with a question about the relationship between Israeli Prime Minister Ehud Olmert and Menachem Atzmon, the man who oversaw passenger screening and airport security at Boston's Logan Airport on 9/11, as owner of ICTS, the parent company of Huntleigh USA.

Mr. Chamish seemed quite surprised that I knew of this relationship and said that if, indeed, Atzmon was responsible for security at Boston's airport on 9/11, then it was worthy of being followed up, because Olmert and Atzmon are truly very close political allies and co-defendants in old Likud crimes:

No duh, see "Ehud Olmert's Ties to 9/11".

But there is much, much more to this Israeli crime...

As RMN readers know there is the very bizarre and suspicious Israeli link to the security of U.S. military computers that goes back to the early 1990s. (Remember the reports of Ptech and MITRE engaged in the basement of the FAA before 9/11?)

One must also keep in mind that 9/11 was primarily a computer crime, just like the stealing of our elections.

Long before 9/11, a germ was planted in the U.S. defense computer system which allowed for a "super-user" to control the network and create the miscommunications that prevented the U.S. military from defending New York and Washington on that terrible day.

quote

As I have written earlier, the members of the YORAN family from Israel are among the key suspects, along with Michael Chertoff and others.

I consider the YORANS to be high-ranking Israeli moles who infiltrated the most sensitive computer networks in the U.S. government and military - Zionest agents who facilitated the terror attacks of 9/11.

The YORAN family includes, Dr. Chaim Yoran (a.k.a. Elad Yoran), his wife Ruth Lubelski Yoran, and their three sons: Amit Y. Yoran, Dov Yoran, and Naftali Elad Yoran. There may be others.

Note to Law Enforcement: The Yorans should be considered as prime suspects in a crime of mass murder; as Israeli nationals the risk of flight should be considered as highly likely.

The Yorans should be arrested on sight for suspicion of being involved in a conspiracy leading to the mass murder of more than 3,000 American citizens.

The Yoran sons, Amit and Naftali Elad, are graduates of Westpoint. From this U.S.-based launching pad they went on to take over computer security for Dept. of Defense computer networks.

For example, Forbes Magazine, in December 2001, wrote this about Amit Yoran:

"Yoran, 32, earned degrees in computer science from West Point and George Washington University before joining the U.S. Air Force (?), where he took a job overseeing the emergency response team at the Defense Information Systems Agency (??). DSIA runs all military networks (!!!)."

A search of the U.S. Public Records Index indicates that Amit, Dov, Naftali, and the 69-year old Dr. Chaim Yoran (a.k.a. Elad Yoran) have an office at 5568 General Washington Drive, Suite 209, Alexandria, Virginia.

Do you spend most of your life on here posting bizarre comments and accusing people of things, has clearly enabled me to read your mind and asertain your vibration.
I can see you have spent time on the Zionist research.... but spent too much time on it and have been swayed from the big picture....

WE AS HUMANS ARE UNDER THE CONTROL OF INTERDIMENSIONAL BEINGS!!

All the crazy religions and crazy new movements are all creations of the secret society networks. You can call me a truthologist if you want, i spread the truth.....

Now you know who i am you will realise that we too have a third eye that is watching, we always have been...

Evolution has started... infinite love is the only truth, EVERYTHING else is an illusion!!

To all humans...

Last time i was in a UFO i was definatly not a zionist and those who travel with me funnily are not zionists...

I'm not human and feel compelled to break my cover on Earth to say time has come to an end for you all here, feel no fear, feel no anger, no hatred and know life beyond life is full of love and infinite peace.

You can call me a truthologist if you want, i spread the truth.....

Now you know who i am you will realise that we too have a third eye that is watching, we always have been...

Your a nut-job.

LOL.

Daryl Bradford Smith had no guest today. He gave one of his typical rants instead. Here are the highlights:

(1) Daryl Bradford Smith asserts that Arthur Koestler's *The Thirteenth Tribe* deals with Talmudic history and with the "Frankists," etc. As noted in an earlier post, nowhere in the book does Koestler mention the name "Jakob Frank." Not once. See the index yourself. [1]

(2) Daryl Bradford Smith takes a lot of time today talking about this new page on his Website. [2] He claims that it is a summary of why he and the coward Eric Hufschmid believe the Mossad carried out the 9/11 attacks. It's perhaps useful to look over their reasons.

(a) The Five Dancing Arabs

It is often claimed that five dancing Israelis -- dressed as Arabs -- were celebrating in New Jersey as the WTC fell down across the river. Hufschmid writes, "The police discovered that they were Israeli army veterans, not Arabs."

Let me say this once again -- every Israeli over age 18 serves in the Army and all men are reservists until age 54. That they were army veterans is, therefore, a moot point at best.

Two links are offered, one to the Washington Post and one to the London Telegraph. But neither story, while talking about Israelis on visas being detained after 9/11, talks about dancing Israelis. The links are there to fool you into thinking that Hufschmid has proof for his claims. If he had proof, he'd offer an article that mentioned these dancing Israelis. He doesn't because he can't..

(b) The Israeli Spy Ring

Let's assume that this is true. Does it prove that the Mossad carried out 9/11? No, it doesn't. All it proves is that Israel spies on us. We spy on Israel. All countries spy on other countries, if they have decent intelligence services. It's no big news that Israel spies on us; that's why Jonathan Pollard is in jail.

(c) Larry Silverstein is a Zionist

Oh, my God! A Jewish guy is a Zionist. Well this particular Jewish guy apparently was the landlord of several of the WTC buildings. What does this prove? Nothing.

(d) Pentagon Cannot Account for \$2.6 Trillion

So what? I mean, yes, it's shocking that the Pentagon lost this much money (though they do spend roughly one-eighth that amount per year), but it proves that 9/11 was carried out by the Mossad? No, it doesn't.

(e) The 9/11 Attack Follows a Pattern

Supposedly, the 9/11 attack follows other Israeli military/intelligence operations carried out

against the U.S. First of all, the bombing of the King David Hotel by the Irgun was not a hidden attack, nor was it against the U.S. -- it was against the U.K. base of operations in Palestine. As for as it being secret, it was not only did Begin claim responsibility for the attack, but he phoned ahead to let people know the building had a bomb in it.

The Lavon Affair was an attack on the U.S., but it was never approved by the Prime Minister (Moshe Sharrett). It was the individual initiative taken by Yitzhak Lavon, the defense minister, to shore up support for Israel. It was successfully covered up for six-odd years, but the truth ultimately came to light. It is, in fact, the only attack by Israel on the U.S. that was ever carried out purposefully.

The attack on the U.S.S. Liberty was an accident, as noted elsewhere by me.

How Zionist boycotts of Germany are involved in all this, I have no idea. Nowhere in Untermyer's speech does he say he is doing it to stir up anti-Semitism. Rather, he says he is doing it as a reaction against anti-Semitism. You can read the transcript yourself and see. [3]

So there really is no pattern of Israeli attacks against the U.S.

(f) Israelis Are Suspected of Instigating Fights Even Today in Iraq

Smith and Hufschmid offer no mainstream sources to support this allegation.

(g) The Media is Controlled by Zionists

This would be their answer to my answer to (f) above, I suppose. But still, even if we accept this notion as 100 percent true (and I'm not sure we can -- not even every Jew is a Zionist), does this prove that 9/11 was carried out by the Mossad? No, it does not.

(h) Zionists Have a World-Wide Network

Smith and Hufschmid write, "Millions of dollars of profit were made in suspicious stock trades. The governments of America, Europe, and Japan announced plans to investigate in order to determine who the investors were. However, every investigation was terminated." Again, what proof do they offer? None. If the Zionist network is large, it is because there are Jewish communities all over the world. Does this prove the Mossad carried out 9/11. Nope.

(i) Most of the 9/11 Truth Seekers are Zionists

Again, this would require some sort of proof.

Actually, this is untrue. This only points to Smith's pattern of pointing to his enemies and labeling them Zionists, myself included, without a shred of proof. Find a pro-Israel statement by Alex Jones or Webster Tarpley. Can you?

(j) Most People Pushing UFOs are Zionists

Even if this were true (and I doubt it), so what?

(k) AIPAC and Jack Abramoff

Here Hufschmid and Smith provide two sources on whether Abramoff aided in the 9/11 attacks. The first is Daniel Hopsicker, who says Mohammad Atta was a guest on Abrahamoff's boat. He is the only source they cite. Is this proof of a Mossad 9/11 conspiracy?

The other person they cite is Juan Cole, who is far more credible. The only problem is that Cole doesn't mention 9/11 in his article; he mentions Israeli attacks in the Palestinian territories.

That's the extent of the "proof" offered for Mossad complicity in the 9/11 attacks. Often they will also mention that 4,000 Zionists and Jews were told to stay home on 9/11. My wife's cousin, who was Jewish, was killed in the North Tower on 9/11. Why didn't he get a call? Look at the list of victims and see the Jewish last names. [4] Why weren't they told to stay home?

(3) Daryl Bradford Smith repeats the lie that Judaism allows men to have sex with children. I have already addressed this in one of Smith's interviews with Ted Pike.
