

# Zionist Control Of America Virtually Complete

By Dick Fojut  
r.fojut@worldnet.att.net  
7-23-6

Now we know Zionists have taken near complete control of America exactly as Ariel Sharon boasted.

At very least, Zionists control America's Foreign Policy whenever Zionist-dominated Israeli interests are concerned. Zionist Christians and Zionist Jews dominate both political parties in the Congress, as well as the overall direction and policies coming from the Bush-Cheney White House. They do so through awesome financial leverage and sheer numbers ... as well as far more dark and evil mechanisms such as Zionist Israel's thermonuclear blackmail of America as it is clearly described in a formal US Air Force paper which every American should read very carefully at:

<http://www.rense.com/general35/isrnuk.htm>. Facts are facts.

In an Israeli cabinet meeting shortly after the 911 (False Flag) "Terror" attacks (which benefited the State of Israel, Larry Silverstein's bank account and the Globalist agenda of stripping away our Constitutional rights with the absurdly-named 'Patriot' Act), Hebrew radio Kol Yisrael on Oct. 2, 2001, reported Shimon Perez cautioned Ariel Sharon not to upset Americans.

Reportedly, Sharon angrily boasted to Perez:

**"DON'T WORRY ABOUT AMERICAN PRESSURE ON ISRAEL. WE, THE JEWISH PEOPLE, CONTROL AMERICA, AND THE AMERICANS KNOW IT."**

<http://www.mediamonitors.net/khodr49.html>

<http://www.whatreallyhappened.com/hatespeech.html>

<http://www.counterpunch.org/avnery04102003.html>

Was Sharon's boast just "wishful thinking?" Apparently, not.

**THE 410-8 PRO-ISRAEL U.S. HOUSE VOTE APPEARS TO PROVE SHARON'S ARROGANT BOAST WAS TRUE.**

In a lopsided 410 to 8 vote, (joining a cowardly "Voice Vote" majority of U.S. Senators) the U.S. House revealed its slavish obedience and servitude to the Zionist

State of Israel.

410 Representatives enthusiastically announced their TOTAL SUPPORT for Israel's one-sided, massive TERROR BOMBING destruction of Palestinian Gaza's and Lebanon's civilian infrastructure, and brutal, genocidal "collective punishment" of tens of millions of innocents.

Totally ignoring and mocking all "Geneva Convention" rules of conduct, Israel's arrogant Zionist regime has been carrying out STATE-SPONSORED TERRORISM around the clock. Among scores of Israeli-claimed civilian "terrorist" Infrastructure targets, Israel's military forces have heartlessly and systematically destroyed even the absolutely vital civilian electric generation plants needed to pump water in both Gaza and Lebanon.

Pretending Israel's Terror tactic of "collective punishment" isn't happening, our submissive U.S. Senate, instead, just condemned Hizbullah's "unprovoked attacks" on the tiny ("Victim") State of Israel. No mention of the slaughter in Gaza and Lebanon was to be heard. Does this sound like the America you once knew?

"Unprovoked?" Didn't Israel FIRST begin Terror bombing and shelling to intimidate Hizbullah when Hizbullah's leaders refused to immediately return the Israeli soldiers (captured ON THE LEBANON SIDE of the border)? Hizbullah had countered with its demand Israel release Hizbullah's kidnapped people IN EXCHANGE, an offer Israel instantly rejected.

Our cowardly Congress spoke nearly as one and said Israel's INITIAL terror bombing and shelling was NOT an Israeli Provocation at all...that only Hizbullah's capture of intruding Israeli soldiers inside Lebanon, and its refusal to return them, counts as a "provocation."

The territorially "tiny" but monstrously OVER-armed Zionists State of Israel with the world's fourth most powerful conventional military (supported by 400+ intimidating nuclear warheads), has systematically blasted Lebanon and Gaza with literally TENS OF THOUSANDS of bombs, missiles and artillery shells.

That's NOT "self defense" by ANY measure, but instead is STATE-TERRORISM ... aggression by the State of Israel (which publicly pretends to be "humanitarian") attempting to intimidate millions with their massive death-harvest of bombs - and "collectively punish" the populations of two other sovereign countries. No matter how our submissive Congress pretends otherwise, Israel today has become a Rogue State using its practiced state-sponsored terrorism on weak and virtually defenseless peoples.

Obscenely, the "we really do seek a ceasefire" Bush Administration (reluctant to "beg" its Zionist bosses for a cease fire) instead announced July 21st, that it is "RUSHING PRECISION GUIDED (BUNKER BUSTER) BOMBS" to Israel.

Apparently, this is part of the 5,000 bunker buster bombs that Bush announced are being shipping to Israel last year...most of which are possibly being saved for planned future slaughter of millions in Iran.

Seemingly, the lives and welfare of non-Jews is of no concern whatsoever to Israel's obedient 410 US House Representatives pretending to be American Congressmen. It is also of no concern to Israel's two subservient Senators, McCain and Kyl, who are pretending to serve my State of Arizona and nation. (Has our nation become a colony of the State of Israel? Is the tail wagging the dog? The answers are rather obvious. Or, odious.)

As is now historically clear, using monstrous lies (many since exposed) and complicit media propaganda, Israel's Zionist leaders, its American Zionist Israeli Lobby, its Christian-Zionist dupe allies and a cabal of misadvising neocon/Likudnik moles inside the Bush administration, pressured Bush and Congress into our unjustified attack, destruction and occupation of Iraq.

America has and is serving as Israel's proxy military in Iraq. Until destroyed and divided, Zionists feared Iraq (even without Saddam) might be strong enough to obstruct their future plans for Israel to expand territorially and dominate the entire middle east. The eventual expulsion of all non-Jews from Palestine continues to be a major Zionist goal.

The near totally obedient, perpetual House votes by both parties supporting anything Israel does, suggests that if Bush soon asks Congress' okay to begin nuclear bombing of Syria and Iran (the true primary targeted enemies of Israel's paranoid Zionist regime), this present Israel-obedient Congress will comply - and World War 3 will begin.

All that would be needed for expanded Mideast war and mass slaughter is one new Tonkin-grade excuse (or another 911) false-flag "terrorist" attack in America - or in Beirut, such as 'somebody's' rocket hitting one of the ships or helicopters that are "rescuing" American civilians so-very-very-very-slowly.

Falsely blaming Hizbullah (including Iran and Syria), a media deceived, an uninformed American public may be emotionally stampeded into allowing the Bush cabal to bomb, even nuke, "terrorist" Iran and Syria - as well as joining Israel destroying "terrorist" Hizbollah and the rest of Lebanon.

Jewish-ZIONISTS with Christian-ZIONISTS are pressuring the White House and Congress to expand warfare in the middle east.

This insanity of Americans killing and dying in more contrived Mideast wars to benefit the cruel, openly-observable racist State of Israel, can only be deterred if enough God-guided Americans decide to intervene - and demand it be stopped - and the pro-Israel media deceptions are finally exposed.

For an honest, objective definition of ZIONISM - and the wide extent of demanded pro-Israel bias in America's major "news" media - open and read the following article: <http://stangoff.com/?p=328>

To understand that anti-Zionism is NOT "anti-Semitism," go to the Naturei Karta, TRUE TORAH JEWS AGAINST ZIONISM website: <http://www.jewsagainstzionism.com/index.cfm> . Remember the words of Secretary of State Colin Powell who said criticism of the state of Israel has nothing to do with

anti-semitism.

Also check out this Salon article "Jews Against Israel"

[http://dir.salon.com/story/news/feature/2003/03/13/neturei\\_karta/index.html](http://dir.salon.com/story/news/feature/2003/03/13/neturei_karta/index.html) - and also open: <http://nowarforisrael.com/>

The lop-sided pro-Israel House and Senate votes were demanded by America's dominating Zionist Jewish/Christian Israeli lobby...principally AIPAC (assisted by America's major "news" media that wealthy Zionists Jewish Lobby members own or control).

The House/Senate votes were also demanded by the Lobby's zealous allies, among them the self-deceived Christian-Zionist Evangelist leaders (lusting to hurry-up the Armageddon horrors they 'prey' will soon happen. See the article about Christian-Zionist Rev. Hagee further below).

America's cowed, complicit Congress - with the complicit Bush Administration - have now obeyed the Jewish/Christian zionists - and any former pretense of American government standing for international fair play and justice has vanished.

The following are three revealing news stories about the above...(You may wonder if you can ever again trust these people)...

## **CONGRESS IS GIVING ISRAEL VOTE OF CONFIDENCE**

### **Both Parties Back Ally, Court Jewish Support**

By Jim VandeHei

Washington Post Staff Writer

<http://www.informationclearinghouse.info/article14062.htm>

EXCERPTS ONLY... (Regarding Congress seeking Jewish voters as reported in the following story...Jews now make up ONLY 2% of America's total population. That's two percent...)

Democratic and Republican congressional leaders are rushing to offer unalloyed support for Israel's offensive against Hezbollah fighters, reflecting a bipartisan desire to not only defend a key U.S. ally but also solidify long-term backing of Jewish voters and political donors in the United States, according to officials and strategists in both parties.

Republican National Committee Chairman Ken Mehlman punctuated the day with a speech to Christians United for Israel last night, declaring that "today, we are all Israelis."

Many Democrats, who are among the largest recipients of Jewish votes and money in federal elections, are working with Republicans to pressure President Bush to reject calls to strike a more measured tone and prod Israel to show greater restraint.

Since the Sept. 11, 2001, terrorist attacks on the World Trade Center and the Pentagon, support for Israel has only intensified among politicians and the public, lawmakers say

and polls confirm.

Israel is also the largest recipient of U.S. foreign aid, and benefits from a widespread perception that it is smart politics to embrace Israel, according to Democratic and Republican officials and strategists.

"There is no danger for the candidates," said Rep. James P. Moran Jr. (D-Va.), adding that those politicians "will get rewarded politically and financially for being out front in their support."

Moran was forced to apologize three years ago for blaming U.S. Jews for pushing the country into the Iraq war.

Evangelical Christians, who were once suspected by some of anti-Semitism, have led a Republican effort to forge close ties with Israel... The effort is working, strategists from both parties said.

## **EVANGELICAL CHRISTIANS PLEAD FOR ISRAEL**

BBC News, Washington

7-19-06

<http://news.bbc.co.uk/2/hi/americas/5193092.stm>

EXCERPTS ONLY...

More than 3,400 evangelical Christians have arrived in Washington to lobby lawmakers as part of the first annual summit of Christians United for Israel. Delegates have come from all 50 states and have 280 meetings on Capitol Hill on Wednesday, Pastor John Hagee said.

They see God's word being played out on their television sets.

The thousands of Christians in Washington - who came and are staying at their own expense - will be urging the US government "not to restrain Israel in any way in the pursuit of Hamas and Hezbollah", he said.

John Hagee says 40 million Americans back his views.

In common with many American evangelicals, he believes that God gave the land to the Jewish people and that Christians have a Biblical duty to support it and the Jews. "They see Israel triumphing over its enemies as proof that God's promises remain."

(Attendee) Rosa Highwater of Biloxi, Mississippi... "Israel is God's first love," she

said. "The Lord told me to come and be an intercessor. I said, 'I got to go. I got to do this.'"

BUT ISRAEL'S LEADERS HAVE AGAIN LIED, AS THEY REGULARLY DO.  
(THE OFFICIAL WEBSITE MOTTO OF ISRAEL'S MURDEROUS "MOSSAD" IS:  
"BY DECEPTION, THOU SHALT MAKE WAR.")

\* THE WARFARE IN GAZA AND LEBANON IS BASED ON  
DECEPTIONS...JUST LIKE THE WAR ON IRAQ

\* THE TWO ISRAELI SOLDIERS WERE CAPTURED (NOT 'KIDNAPPED') BY  
HIZBULLAH ON THE LEBANON SIDE OF THE BORDER

\* ISRAEL HAS BEEN PLANNING THIS CONFLICT FOR OVER A YEAR

Congress and America's Israel-obedient major 'news' media are daily, almost  
exclusively, parroting only pro-Israel 'news' and propaganda.

Complicit (or cowed), they are obeying the Zionist PRIME DIRECTIVE for obedient  
Americans, especially those obedient Americans in Congress and the major media:  
"THOU SHALT NOT CRITICIZE THE STATE OF ISRAEL"

Those who dare criticize Israel, swiftly lose their jobs and careers. Very few are  
courageous enough to risk criticizing the self-"chosen."

<http://www.rense.com/general72/thou.htm>

Congress and the major media are ignoring reports that the Terrorist-State of Israel had  
planned its Gaza and Lebanon infrastructure attacks (AND Israel's kidnapping of many  
elected Hamas legislators) LONG BEFORE the alleged HAMAS & HIZBOLLAH  
'kidnapping' of 3 Israeli soldiers that supposedly provoked and forced the 'victim' State  
of Israel into its current slaughter and destruction of Gaza and Lebanon.

Read the following...

**IT SEEMS ISRAEL PLANNED DELIBERATE  
PROVOCATION OF HAMAS AND HIZBOLLAH**

July 13, 2006

<http://lataan.blogspot.com/2006/07/it-seems-israel-planned-deliberate.html>

EXCERPTS ONLY...

A report in the Jerusalem Post today proves very revealing. It claims that, 'Only weeks  
ago, an entire reserve division was drafted in order to train for an operation such as the  
one the IDF is planning in response to Wednesday morning's Hizbollah attacks on IDF  
forces along the northern border.[1]

The news is revealing because it was only a little over two weeks ago that Cpl. Gilad  
Shalit was captured by Palestinian fighters. One needs to ask how the Israelis knew at,

or even before, he was captured that it would be taking action against Hizbollah in Lebanon.

This revealing piece of news comes on top of an earlier revelation that the Israelis had planned the arrest of top Palestinian Hamas leaders some time well before Shalit was captured as Ha'aretz reported: "The detention of Hamas parliamentarians in the early hours of Thursday morning had been planned several weeks ago and received approval from Mazuz on Wednesday. The same day, Shin Bet Director Yuval Diskin presented Prime Minister Ehud Olmert with the list of Hamas officials slated for detention." [2]

This entire crisis has all the hallmarks and is beginning to unravel as a carefully orchestrated ploy to create a casus belli for Israel to attack and occupy the Gaza, neutralise Hamas, the democratically elected government of the Palestinians to deprive the Palestinians of any power to resist reoccupation of the Gaza, possibly on a permanent basis, and, at the same time, to neutralise Hizbollah in pursuit of regime change in Lebanon.

Also, about the 2 Israeli soldiers 'kidnapped' by Hizbullah...

### **IDF: MOSSAD 'HAS SIGNIFICANTLY INFILTRATED HIZBULLAH'**

EXCERPT ONLY...

(To Israel's YNET) a senior IDF officer said that Israeli intelligence had significantly infiltrated Hizbullah.

Does that mean that they 'kidnapped' their own soldiers??

We should also remember that 2 years back, an IDF commanding officer boasted that "we" (Israel) have infiltrated HAMAS, "from TOP to BOTTOM."

-----

Which brings us to the HAMAS 'TUNNEL'...

An observant Australian engineer suspects that the necessarily, carefully dug 'tunnel' through which unauthorized (by the elected HAMAS) dissident 'HAMAS commandos' supposedly 'kidnapped' the first Israeli soldier, is IMPOSSIBLE...

### **DID THE PALESTINIANS REALLY DIG A TUNNEL UNDER THE NOSES OF THE ISRAELIS?**

July 15, 2006

<http://lataan.blogspot.com/2006/07/did-palestinians-really-dig-tunnel.html>

EXCERPTS ONLY...

As an engineer I've given the notion of digging a tunnel which the Israeli Ministry of

Foreign Affairs tells us was some 650 metres long,[1] dug under sand across the Gaza border into Israel some thought.

The bottom line is that it would be impossible to build a tunnel, especially under these conditions of secrecy that one needs to ask; was there really a tunnel? And, if not, then what's the real story? Why have the Israelis lied - again?

-----

Seemingly also forgotten by all is that formerly docile ordinary Shiite farmers, shopkeepers, etc, in South Lebanon, thoroughly disgusted with Israel's and its fascist Falangist ally's brutal and oppressive 18+ years of occupation, finally banded together as the "PARTY OF GOD" (Hizbollah) to drive the occupiers out. Using guerilla resistance tactics (Israel calls that "terror"), the "Party of God" has been credited with FORCING the occupying Israeli army to retreat from Lebanon in 2000.

The massive 1980s destruction, death and later withdrawal theft in Lebanon by Israel's occupation army is briefly detailed in the following article...

-----

If I'm mistaken please correct me, but I seem to recall that the SYRIANS had been INVITED into Lebanon to try to stop the civil war slaughter - and did. They simply overstayed their original welcome.

-----

Finally, among others, the ASIA TIMES suggests Israel may have planned and PROVOKED the conflict with Hizbollah.

The 2 Israeli soldiers had trespassed and were captured, not in Israel, but ON THE LEBANON SIDE of the border.

### **IT'S WAR BY ANY OTHER NAME**

Asia Times Online - Middle East News

July 15, 2006

[http://www.atimes.com/atimes/Middle\\_East/HG15Ak02.html](http://www.atimes.com/atimes/Middle_East/HG15Ak02.html)

EXCERPTS ONLY...

To them, it is legitimate self-defense. They back this argument by saying that Israel still controls the Sheba Farms, which are part of Lebanon, and still has Lebanese prisoners in Israeli jails. Also, they add that the Israeli tank destroyed by Hezbollah, and the soldiers captured and killed on July 12, had trespassed into Lebanon's side of the border with Israel.

It all started on July 12 when Israel troops were ambushed on Lebanon's side of the border with Israel. Hezbollah, which commands the Lebanese south, immediately seized on their crossing. They arrested two Israeli soldiers, killed eight Israelis and

wounded over 20 in attacks inside Israeli territory.

This unleashed hell in Israel, and Olmert immediately responded by mounting a war on Lebanon. A sea, air and ground blockade was enforced on Lebanon, and a systematic destruction of Lebanon's infrastructure was begun.

Hezbollah responded by wounding 11 Israelis with Katyusha-style rockets fired on the town of Safad in northern Israel.

Apart from all of these facts, everything gets muddled in Lebanon. Israel announced on July 13 that two rockets had landed on Haifa from Lebanon, as Hezbollah had promised, but Hezbollah denied the accusation.

If Hezbollah did not fire the rockets, however, who did? Is it a fabricated story being used by Israel to launch more offensives into Lebanon, because minutes after the story was revealed, and despite Hezbollah's denial, Israel jets raided fuel tanks at Beirut airport.

Pragmatism, nationalism and charity networks, rather than Muslim ideology, are the secrets of Hezbollah's success. Hezbollah enjoys authority and commands unwavering loyalty among Shi'ites because it always appears to be a confident political party that is doing an honorable job in fighting Israel. Adding to the nationalist aspect is the social one, which is that many people in the Shi'ite community, mainly at the grass-root level, rely on Hezbollah for charity and welfare.

Hezbollah is a movement inspired by nationalism rather than religiousness.

Precisely for these reasons it would be difficult for anyone to tackle Hezbollah. The only way to disarm is for the Shi'ite group to wait until the Israelis leave Sheba, then free all prisoners. They would then have to modify their agenda, after quiet discussions with everybody in Lebanon, and transform themselves from a military party into a political one.
