 **Years of propaganda explodes in Zionist Rage** [Post [294475322](#)]

When Zionists Short Circuit And Attack

Alabama Church Terrorists

Three Zionists that were mad at the Southern Baptists

Yona Rabinowitz

Building pipe bombs to attack churches over Israeli divestment

Dr Goldstein

He planned to assault a Mosque and kill hundreds of Muslims

No One Gets To The Core Problem

Everyday we see this plague called Zionism erupting in violence, but it is written off as isolated incidences. The problem is the Talmud, the Rabbis, Hollywood, etc. have planted the seeds of hatred in many average Jewish people's psyches.

Years Of Propaganda

These poor kids are raised on a diet of Holocaust stories, and stories of Gentile hatred and mistrust. The Rabbis tell them to bond as a unit, or become a casualty of Gentile revenge for 'Blood libel'. They turn on the 6:00 news and see Palestinians bombing a bus. After dinner, they get to watch a history channel special on the Holocaust.

Finally They Explode

Normal college kids like DeBusk, Cloyd, and Mosley, start burning churches. They listened to ADL propaganda about how Southern Baptists were out to convert them from Judaism to Christianity, so they finally sent a message.

Church bombers arrested

Goldstein's arrest had Tampa's SWAT terrified

He had a Mossad Sayinim team in place and they were going to hit a bunch of churches

After 30 minutes, Goldstein came out of the home and talked with deputies. At 9 p.m., deputies searched the townhome.

They found an arsenal: two light anti-armor rockets, a .50-caliber sniper rifle, hand grenades, assorted guns and assault rifles and 20 homemade bombs, among other lethal weapons and magazines and articles on how to build destructive devices. [Article](#)

- A Boca teen who terrorized neighbors by blowing up mailboxes with [homemade pipe bombs was sentenced to five years probation](#) Thursday.

Despite a prosecutor's recommendation that [Yona Rabinowitz, 19, serve 40 years in prison for the pipe bombs and possession of kiddie porn](#), Circuit Judge Jack Cook said he didn't believe Rabinowitz was a danger to society any longer.

The former Olympic Heights high school student expressed remorse for the 2003 incident when he and two classmates manufactured up to a dozen pipe bombs in their garage and detonated one in a neighbor's mailbox.

"Every day I've felt so horrible for the pain and fear I've brought to people for doing this," Rabinowitz told the judge. "I want to apologize to everybody who was hurt by this."

The teen, accompanied by classmates, Jordan Okun, then 17, and Simon Puleo, then 16, allegedly manufactured up to a dozen pipe bombs in Rabinowitz's garage, one of which they detonated in a mailbox in the Lakes of Boca Raton subdivision on Jan. 27, 2003.

The incident was exacerbated when neighborhood security guard [Carlos Torres told sheriff's deputies he was nearly run over by the vehicle allegedly driven by Okun](#). A search of the Rabinowitz's garage just two days after the incident, revealed enough material to make an additional seven pipe bombs, authorities said.

Okun told deputies that he and Rabinowitz had "blown up at least three other mailboxes and discharged the manufactured destructive devices" on four to five other occasions, according to an investigator's report.

Okun and Puleo received juvenile sanctions for their actions, but Rabinowitz found himself in more hot water after Palm Beach Sheriff's office investigators confiscated the teen's Dell laptop computer which they believed he had been using to download [bomb making instructions](#). Detective Edward Koining said the computer was on and he suspected that Rabinowitz "had possibly [deleted or erased some files](#) or data shortly before" they arrived.

A computer analysis revealed multiple images of "numerous additional images of what appeared to be [children under the age of 12 engaged in sexual activity with adults](#) and other children," according to the sheriff's office.

Investigators also found evidence that the child pornography was downloaded and [shared with other individuals through an Internet program](#), according to the arrest affidavit.

Zionist billionaire kills wife and six others

Robert Durst - Drug user who got off scott free

Business partner he shot in the head

Wife he killed

Cross dressing " Trans-sexual "

After nearly seven weeks of testimony, a Texas jury stunned the country Tuesday by

acquitting Robert Durst of murder—even though the [cross-dressing New York multi-billionaire](#) admitted to killing his 71-year-old neighbor, dismembering his body and fleeing the state to avoid prosecution.

His father was a billionaire NY real estate developer – Seymour Durst. The Jew shot Morris Black in the head in self-defense as the two struggled over a gun. Already under investigation for the disappearance of his wife in New York 20 years ago, Durst testified that he didn't think anyone would believe his story, so he hacked up the body and dumped it in the ocean. Then he jumped bail.

[As a young Heb he often was with Jackie O , John Lennon and Mia Farrow.](#)

His friend and crime writer - Susan Berman, 55, was discovered in her house facedown in a pool of her own blood, [she was shot thru the head](#). It's widely suspected she was involved and blackmailing the Jew about killing the first wife

Susan Berman- Jewess accomplice

Shot in the head

Durst is because some people consider him a suspect in the case of Karen Marie Mitchell, who disappeared from Eureka on Nov. 25, 1997.

Mitchell, then 16, was walking to work at a daycare center that afternoon when a motorist may have picked her up. A composite of the motorist, to some, looks very similar to Durst.

Another victim

Five months before Mitchell vanished, then 18-year-old Kristen Modafferi disappeared in San Francisco. Durst owned a house in the San Francisco area and could have been there around the time Modafferi vanished.

Durst's 7th victim

"The girl in the blue top looks more Jewish than the three guys in your picture at the beginning of the thread..."

Since Jews can be from all of Europe, Russia, the Mideast or they can be 2nd 3rd generation Americans I don't think it is going to matter anymore whether someone fits a description. It is going to matter what they consider themselves. If a kid is an atheist named Smith and yet he identifies with the holocaust story he may call himself Jewish even though his ancestry is not Israeli or Khazar.
