

Why do we believe Zionists are the masterminds of the September 11 attack?

Let us count the reasons...

updated 13 April 2006

1) The Five Dancing Arabs

Five Arabs -- dressed in Arab clothing -- were seen celebrating after the World Trade Center towers were hit with airplanes.

Later that day the police spotted their van and stopped it. The police discovered that they were **Israeli army veterans**, not Arabs.

Their Arab clothing was discovered in their van, along with box cutters and weapons, and their visas had expired, so they were in the country illegally. They were arrested and put in a federal jail in Brooklyn.

However, they were **not** investigated. Rather, they were released from jail and sent back to Israel. About 60 other young Israeli Jews were arrested in the weeks following the 9-11 attack. They were also sent back to Israel without any investigation.

[www.washingtonpost.com A3879-2001Nov22](http://www.washingtonpost.com/A3879-2001Nov22)

Reports several months later claim that up to 200 young Israelis, some of them former members of military intelligence units, had been arrested and sent back to Israel without any investigation.

2) The Israeli spy ring

Carl Cameron, of Fox news, has a four-part investigation into an Israeli spy ring. The exposé was shown once, and then erased from the Fox web site, never to be seen again.

Some people made copies of the video, and there are transcripts on the Internet:

www.informationclearinghouse.info/article7545.htm

By spying on American military, FBI, and other officials, the Israelis would know how to evade getting caught, and they could acquire blackmail material over the large number of immoral officials.

3) Larry Silverstein is a Zionist

Larry Silverstein was the landlord of Building 7, and he got control of the World Trade Center towers a few weeks before the attack. He quickly replaced some of the security and maintenance personnel. He is receiving billions of dollars in insurance money as a result of 9-11 the attack.

Silverstein announced on television that the fire department decided to demolish Building 7 rather than put up the fires. If you have not heard this video clip, please watch the video **9/11, A Closer Look**, at this site:

www.HugeQuestions.com

Larry Silverstein and Benjamin Netanyahu are such close friends that Netanyahu would call Silverstein **every Sunday**.

4) Pentagon cannot account for \$2.6 trillion

The accountants at the Pentagon claim that they cannot account for \$2.6 trillion. The man at the top of this accounting mess is Dov Zakheim, a dual Israeli/American citizen.

In testimony before the Congress, Donald Rumsfeld minimizes it as an innocent mistake:

SEC. RUMSFELD:

...

I know Dr. Zakheim's been trying to hire CPAs because the financial systems of the department are so snarled up that we can't account for some \$2.6 trillion in transactions that exist, if that's believable. And yet we're told that we can't hire CPAs to help untangle it in many respects.

...

And then he makes a joke about it:

REP. LEWIS: Thank you, Mr. Moran.

Mr. Secretary, the first time and the last time that Dov Zackheim and I broke bread together, he told me he would have a handle on that 2.6 trillion by now. (Laughter.) But we'll discuss that a little --

SEC. RUMSFELD: He's got a handle; it's just a little hot. (Laughter.)

5) The 9/11 attack follows a pattern

Israelis have been caught many times as they stage terrorist attacks and blame them on Arabs or Nazis. For some examples:

- Zionists got caught after they blew up the King David Hotel
[www.the7thfire.com chapter_5](http://www.the7thfire.com/chapter_5)

- Zionists got caught in Egypt in 1954

- The Israeli attack on the USS Liberty in 1967

- [Mike Piper interview](#)
- [Wayne Kyle interview](#)

- The Zionist boycott of German products in 1933 was intended to create anger towards Jews. This is a complex but very important issue; when you find the time, here are some articles to help you understand this:

6) Israelis are suspected of instigating fights even today in Iraq

Who really was behind the abuse at the Abu Ghraib prison? Take a look at the Israeli ties to the abuse at Abu Ghraib:

Who is "John Israel"?

7) The media is controlled by Zionists

One the most important pieces of evidence that Zionists are the masterminds to almost all the world's corruption is that they dominate the media of Europe, North America, and Australia.

No crime network could get away with a crime as enormous as the September 11 attack unless they can suppress investigations and evidence.

The media executives must either be under the control of the crime network, or they must be part of the crime network.

Some people claim that the media companies are helpless victims of a mysterious, nebulous group called the **Globalists**, or the **New World**

Order, or the Illuminati.

However, until somebody can identify these mysterious people and explain how they force media companies around the world to cover up horrendous crimes, it makes more sense to assume that the media is **directly involved in these crimes**, and they are among the top members of this criminal network.

The most logical explanation is that the Zionists are promoting other Zionists to top positions in the government, media, banking, Hollywood, and education. The more Zionists they promote, the easier it is for them to take control of the nation and suppress evidence of their network.

- One of many lists of Jews:

www.reference.com/browse/wiki/List_of_Jews

The Zionists remove complaints about them, or they condemn critical remarks as "anti-Semitic". For example, did you know that President Truman was irritated by Zionists:

www.washingtonpost.com/ac2/wp-dyn/A40678-2003Jul10

Truman was pushing into helping Israel get established. Here is a brief description of Israel's history to help you understand why Truman was irritated:

www.EricHufschmid.net/HistoryOfIsraelAndTheUSA.html

8) Zionists have a world-wide network

Millions of dollars of profit were made in suspicious stock trades. The governments of America, Europe, and Japan announced plans to investigate in order to determine who the investors were. However, **every investigation was terminated.**

When looking for the crime network behind the September 11 attack, we must find a network that has tremendous influence in many nations. Does the Bush family have this much control over the world? Does Dick Cheney? Does any Italian crime gang?

The only group that seems to have a network this large are the Zionists. There are already Zionist organizations around the world. For example:

- The Zionist Federation of Australia

www.zfa.com.au

- In the UK

www.zionist.org.uk

- In Hungary

9) Most of the 9/11 truth seekers are Zionists

Jews make up a small portion of America and Europe, and Zionist Jews are an even smaller percentage, but they **dominate** the 911 truth movement.

Could this be because Zionists care more about exposing corruption? **Smith thinks not.**

It is more likely because they are trying to fool people into thinking they are the truth seekers, when in reality they are diverting everybody's attention away from Israel and onto Bush, Cheney, the CIA, and a few military leaders.

Please consider that the people you trust to expose corruption, such as **Amy Goodman** (of Democracy Now), **Alex Jones** (www.infowars.com), **Webster Tarpley** (author of 9/11 Synthetic Terror: Made in USA), **Dave von Kleist** (The PowerHour radio show), and hundreds or **thousands** of others are **deceiving us**.

Why would those people lie? Here is an introduction:

[To get away with crimes, pretend to be a crime fighter](#)

Examples of Truth Seekers who are Zionists:

- [Crypto Zionists](#)
- [What are Handlers?](#)

10) Most people pushing UFOs are Zionists

Zionists promote a lot of idiotic theories, such as the idea that the airplanes that hit the World Trade Center towers were either holograms or illusions created by blue screen technology.

This is evidence that they are trying to send people down the wrong path, and create the impression that conspiracy theories are stupid.

Unfortunately, it is not possible to figure out who among us has been fooled into believing these idiotic theories; who is deliberately lying about them; and who has been threatened, bribed, or blackmailed into promoting them. Examples are Morgan Reynolds and Jimmy Walter:

- [The Bovine Gas Theory](#)
- [Jimmy Walter promotes Blue Screens](#)

Another example is a person who calls himself *Ghostwolfemoon*. He posts messages on the Internet. One of his recent messages promotes UFOs:

[US astronauts spotted UFO's on moon???](#)

And in this message he promotes Alex Jones, Bob Bowman, and the theory that Cheney is the main suspect for 9/11:

[Cheney main 9-11 suspect????](#)

Jeff Rense promotes UFO theories on a regular basis. One of his most recent:

[Were US astronauts ordered not to report UFOs & aliens?](#)

11) AIPAC and Jack Abramoff

Does Jack Abramoff -- another Zionist -- merely provide Israel with influence over America? Or did he assist with the 9-11 attack?

Daniel Hopsicker thinks so; he reported that days before the 9-11 attack, Mohamed Atta and several other alleged hijackers were invited on Abramoff's casino boats.

www.madcowprod.com/06202005.html

If this accusation turns out to be true, this is **evidence** that the hijackers were patsies for the Zionists. Furthermore, Abramoff's connections with AIPAC, Tom delay, and other people should be investigated.

Professor Cole describes Jack Abramoff's "charity" as a front for Zionist terrorism.

www.washington-report.org/archives/March_2006/0603028.html

12) Goyim are the victims, not Zionists

News reports frequently remind us that Arabs and Iranians are determined to destroy Israel. For example:

www.ynetnews.com/articles/0,7340,L-3239476,00.html

However, most of their victims are other Arabs, or goyim from America and Britain. Why don't the Arabs attack **Israelis**? Why don't they attack **American Zionists**?

- For example, the Syrians are blamed for killing Rafik Hariri, the former Prime Minister of Lebanon:

www.cnn.com/2005/WORLD/meast/02/14/beirut.explosion/index.html

However, the crater from this car bomb is a sign that the bomb was actually underground, not in a car:

www.rumormillnews.com/cgi-bin/archive.cgi?noframes;read=65258

- On October 15, 2003, another large bomb destroyed a car, supposedly with CIA agents inside:

http://news.bbc.co.uk/2/hi/middle_east/3193248.stm

It also excavated a crater that has the telltale signs of the bomb that was underground:

http://judicial-inc.biz/cia_in_gaza.htm

- Have you seen the **enormous** crater from the 1996 "truck bomb" at the Khobar Towers in Saudi Arabia that killed US Military personnel:

<http://en.wikipedia.org/wiki/Image:Khobartowersgroundzero.jpg>

How does Al Qaeda do this?

If you believe the Arabs are doing this with car bombs, please look at this Science Challenge and pass it to college students:

www.EricHufschmid.net/Science_Challenge_12.html

And if you think this is going to stop anytime soon, please read this, and think about it:

www.EricHufschmid.net/Conspiracies5.htm

We do not yet have enough people who care. Will we in the future? Only if you can help us find more people who are tired of the corruption.

Conclusion

Standing up to Italian crime gangs is **not** anti-Italian; standing up to American crime gangs is **not** anti-American; and standing up to homosexuals who have been blackmailed over their homosexuality is not anti-homosexual.

So don't be fooled into thinking that standing up to Zionist crime gangs is anti-Semitic!
