➔ 18,000 REASONS TO BE AN ANTI-SEMITE

Image by David Baldinger

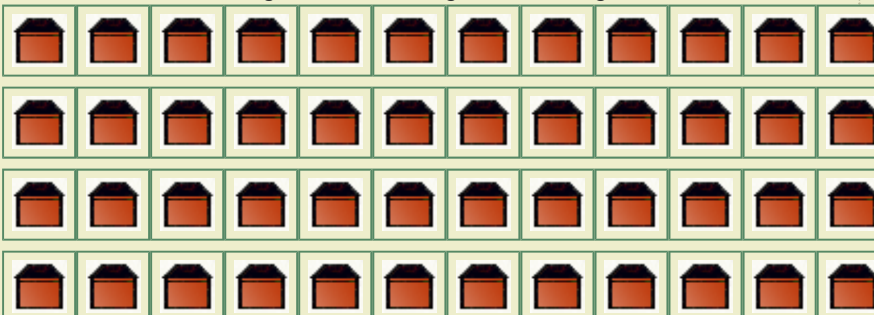

At least that is what the Kasher Nostra will label you if you dare speak out against any one of the following illegal home demolitions of Palestinian

homes by the Israeli government.

The following is taken from the Israeli Committee Against Home Demolitions.... (ICAHD)

Imagine paramilitary personnel breaking your door down at 4am. Imagine your wife and children screaming as anonymous workers drag your belongings out to the street. Imagine your neighbors coming to help and being beaten by men with guns and batons who tell you they are "only doing their job. Imagine the despair as your life's work, your home, is destroyed in minutes amid shouting and screaming and beating.

Imagine your orchards being bulldozed.

Imagine your community receiving little water while a nearby Zionist
community that exists on land you were pushed out of receiving large

amounts of water.

Imagine week long curfews.

Imagine waiting for hours to leave your ghetto to get to a hospital.

Imagine Zionist settlers rampaging through your village, overturning fruit stands, beating children.

Imagine IDF artillery shelling your refugee camp (Qana).

Imagine Zionist settlers dousing a Palestinian boy with gasoline and setting him on fire.

Imagine Zionist settlers digging a hole with a bulldozer, and then burying a boy alive.

Imagine IDF soldiers shooting children walking home from school.

Imagine Sabra, Shattilla, Deir Yassin.

Imagine knowing that European Zionist conquerors are living on your ancestral lands.
