TWO MORE CHILDREN 'RITUALLY SLAUGHTERED' BY ISRAELI TROOPS IN GAZA

(Ben Heine © Cartoons)

It's summertime here in the Middle East.... it's hot in the desert and anyone lucky enough to live near the sea has a luxury that most of us do not.....
UNLESS THEY ARE PALESTINIAN.

Palestinians at work, Palestinians at play, Palestinians at the beach are nothing more than beasts to be slaughtered in accordance

with zionist ritual with the blessings of the former chief rabbi.

Two young boys flying kites were just murdered in cold blood by Israeli soldiers. A third boy was injured severely, being shot in the back. Their crime??? Need you ask??? **THEY WERE PALESTINIAN!**

Surely this is without the blessings of God Himself.... but try telling that to the 'Chosen People.'

The following video was taken by an AlJazeera crew at the beach in Gaza. And [HERE](#) is their report on the incident....

None of the videos at YouTube are available for viewing. They may be trying to bury this explosive story.

I hope someone will make a copy of the video and host it on a web site not controlled by the Fascist media.

Thanks DP

Sorry about that. False alarm. My machine was having a nervous breakdown again. Yeah - it was *my machine* that was having a nervous break down. Uh huh.

This story came out on June 2 and all we are allowed to read in the U.S. by June 4 is [this little blurb](#).

[blockquote]GAZA CITY, GAZA STRIP

Israeli troops shot and killed two 13-year-old Palestinians near the Gaza-Israel border fence Friday, saying they were crawling toward the barrier in a "suspicious manner." The boys had told their

families they were going to the beach. [/blockquote]

That's it. That's the whole fucking story. This is fucking outrageous.

Israel has had no legitimacy since 1947 when it exterminated or expelled whole villages of Palestinians to create their 'Greater Israel'. Many Israeli people are good. They protest the crimes of their government and of the radical Zionists. But the government and Zionists commit more and more atrocities and make Israel a pariah state. And so it will remain until it gives back, with reparations (and just do you give a son back who has been murdered) all land and goods and houses to the Palestinians.

The kites could be guided missiles.
