Jewish Bolsheviks Murdered 66 Million In Russia

From Dick Fojut
7-21-7

To Ian Punnett, Coast To Coast AM radio
From Dick Fojut in Tucson, Arizona
r.fojut@worldnet.att.net

ABOUT "HOLOCAUSTS"...

Ian, following up on a Fast Blast I sent you last Saturday during your Coast To Coast Radio program, about ANOTHER "Holocaust" not mentioned by yourself and your guest Dan Kurzman, who spoke about Hitler's "Death Camps." Two revealing articles follow.

How many people did Russia's Bolshevik Communists kill?

* Israel's YNET News admits: "at least 20 million."

- or -

* Alexander SOLZHENITSYN states flatly: "66 million."

First Article...

YNET: At Least 20 Million Killed By Jewish Bolsheviks...

Following is a surprising article from respected news source YNET in Israel, about the Jewish-Bolshevik conquest of Russia after 1917... (unlikely to ever be reprinted or reported by America's major print, TV or radio "news" media.)

STALIN'S JEWS - Opinion from Israel, Ynetnews

12-21-6 Excerpts only...

"We mustn't forget that some of greatest murderers of modern times were

Jewish.

We cannot know with certainty the number of deaths Cheka was responsible for in its various manifestations, but the number is surely at least 20 million, including victims of the forced collectivization, the hunger, large purges, expulsions, banishments, executions, and mass death at Gulags.

Whole population strata were eliminated: Independent farmers, ethnic minorities, members of the bourgeoisie, senior officers, intellectuals, artists, labor movement activists, "opposition members" who were defined completely randomly, and countless members of the Communist party itself.

And us, the Jews? An Israeli student finishes high school without ever hearing the name "Genrikh Yagoda," the greatest Jewish murderer of the 20th Century, the GPU's deputy commander and the founder and commander of the NKVD. Yagoda diligently implemented Stalin's collectivization orders and is responsible for the deaths of at least 10 million people. His Jewish deputies established and managed the Gulag system. After Stalin no longer viewed him favorably, Yagoda was demoted and executed, and was replaced as chief hangman in 1936 by Yezhov, the 'bloodthirsty dwarf'."

THE SECOND ARTICLE...

SOLZHENITSYN: 66 Million Murdered By Jewish Bolsheviks...

Henry Makow PhD (an anti-Zionist Canadian Jew), in his "Red Symphony" essay (see Makow's savethemales.com website archives) claims that from the behind the scenes, the ROTHSCHILD BANKING CARTEL financed and controlled the BOLSHEVIKS who took over Russia.

If one wants to know the extent of the STATE TERROR and HORROR inflicted upon people in Russia since 1917 AFTER the JEWISH BOLSHEVIKS of Lenin (and his Party competitor) Trotsky, took TOTAL power, read the following informative short article by TEXE MARRS (not related to Jim Marrs) about historian Solzhenitsyn's latest book (banned in the West), "Together for Two Hundred Years."

Solzhenitsyn: The "Conscience of the 20th Century"

TEXE MARRS at: ConspiracyWorld.com:

If not exaggerated, Solzhenitsyn asserts that since 1917, the Bolsheviks, continuing under assassin Stalin, through and even after WW2, systematically executed, and inside (and outside) their thousands of Gulags, worked, starved and froze to death, SIXTY-SIX million people, not all, but most of them CHRISTIANS (whom the Bolsheviks hated).

This mass death was THE LARGEST REAL "HOLOCAUST" in modern history - but totally unknown today by most Americans, British and western Europeans and absent from our school books. Of course no publisher in the Western world dares reprint Solzhenitsyn's book in English.
