Terror Expert: 7/7 Mastermind was working for British Intelligence, Group was used by Brits in Kosovo in the late 90s

Steve Watson/Infowars | August 2 2005

The Dud Bombers of 2/17, the patsies, have all been rounded up along with 18 others currently under questioning, yet the so called "mastermind" is allowed to go free and is protected time and time again by MI5, MI6, FBI and CIA. The same thing happened in 93 with the WTC bombing, 95 with the OKC bombing, 01 with 911 and its happening again, its the same type of operation EVERYTIME.

The July 29 edition of FOX News Channel's [Day Side programme](#) revealed that the so called mastermind of the 7/7 London Bombings, Haroon Rashid Aswat, is a British Intelligence Asset. Former Justice Dept. prosecutor and Terror expert John Loftus revealed that the so called Al-Muhajiroun group, based in London had formed during the Kosovo crisis, during which Fundamentalist Muslim Leaders (Or what is now referred to as Al Qaeda) were recruited by MI6 to fight in Kosovo.

Loftus stated that "...back in the late 1990s, the leaders all worked for British intelligence in Kosovo. Believe it or not, British intelligence actually hired some Al-Qaeda guys to help defend the Muslim rights in Albania and in Kosovo. That's when Al-Muhajiroun got started."

The use of the group that has come to be known as "Al Qaeda" as assets by Intelligence services the world over is well documented.

[The London Independent](#) also reported 2 days before the London Bombings how MI5 has previously used so called Al Qaeda operatives as informants, allowing them to be left alone as a trade off. This only came to light when Bisher al-Rawi was captured by the CIA and taken to the detention centre at Guantanamo Bay. The original Independent link has now mysteriously been removed.

John Loftus went on to spell out that British Intelligence and the US dept of Justice had protected Haroon Rashid Aswat: "Back in 1999 he came to America. The Justice Department wanted to
