## There Is Nothing Complicated With 9/11

The most overlooked fact about 9/11 is, that Israel had a Sayeret Matkal Captain in the middle of all of it. So you have to believe a top Israeli agent walks into a jet, past these four 'Camel Jockeys', in an empty first class, and sees nothing wrong ?

### **Figure the odds**

A top Sayeret Matkal operative, on Fl 11, with four Arabs, in an empty first class, and getting shot, etc. The odds are a billion to one. The Sayeret Matkal specialty is an "[Aircraft takeover](#)" squad. And the stewardess, Betty Ong, initially identified his seat #, as the shooter.

If these really were Arabs on those jets, then lets see the boarding videos. The reason you never saw the boarding videos is because, these were Israelis.
